BREMEN

Maine

For the Fiscal Year from January 1, 1982 to December 31, 1982

1980 Census Resident Population - 776

Muscongus

John Brown of New Harbor is remembered for obtaining the first deed given in Lincoln County, dated July 15, 1625, and signed by the Indian Sagamores, Samset and Unongoit. Called the 'eight square mile tract', it included all of Bremen and parts of several neighboring towns. Richard Pearce, Brown's son-in-law, settled at Muscongus Harbor, and his son, John, was born there, where he remained for eighteen years.

Master mariner and coaster, William Hilton, married Brown's great-granddaughter, Margret Gould Stillson, in Marblehead, Mass. in 1690, and later stayed at the Garrison House at Muscongus while promoting his farming operations at Broad Cove, on land inherited by his wife.

Records show that in 1718, Richard Pearce, Mariner, of Marblehead, Mass., gave a deed to Philip Damicreque, of Boston, including a place called Remobscus by the Indians, but by the English, Muscongus. This encompassed all of that stream of water called the mill stream in smelt cove, together with an old Indian village alias Mary Town, one condition being that he should erect a saw mill.

Joseph Burns settled at Muscongus about 1748, receiving a deed for his farm from Waldo, who acquired his rights through the Brown Claim. It is believed that saw and grist mills there were operated by Burns, who left his holdings to his son, Deacon William Burns.

In 1804, Capt. Benjamin Smith bought two acres of land at Muscongus Harbor from Deacon Burns. Smith built a wharf and store, fitting out vessels and curing fish. By 1812, he was supplying many vessels, which were equally divided between coastal fishermen and those going out to 'The Banks'. In 1827, the Smith heirs sold a small part of the business to James Burns. In 1834, they sold another part of the business to Samuel Bryant. Bryant's share shortly went to John Morton III.

Thomas Webber had a shipyard northeasterly of Smith. Later, in 1854, it became known as the Parks-Richards Shipyard. There a four master, built in Waldoboro for Capt. George Bryant, was being fitted out. The tar and other flammables ignited and the flaming new ship was towed out near Muscongus Ledge, where it burned until it sunk.

For as long as anyone could remember, great schools of silvery, foot-long fish had migrated up the Coast and into Maine's rivers each summer. Extremely bony and abundant with oil, they were used as fertilizer and as bait for the mackerel fleet. A lady from Blue Hill sent a sample of the clear golden oil to a fish oil dealer in Boston about 1850. By 1876, there were many Porgy Factories along the Maine Coast, including 18 in the Bremen-Bristol area! At the factories, the porgy (menhaden) was steam cooked and then squeezed of oil by hydraulic press. Producing over two million gallons of fish oil at

1.25/gal., the factories ground up what was left to produce 21,414 tons of fertilizer in 1876. (The Bremen Oil Works was organized in 1870 by Benjamin James and Joseph Smith.)

In June 1898 business at all the Muscongus porgy works was booming. Over 100 local men were employed at the factories, and more than 75, in addition to the regular crews, were on the four steamers. An article in a local newspaper, published that year, reads, "A large barge and a three masted schooner have been discharging coal this week and a large three master loading scraps for Charleston, S. C., besides numerous small vessels unloading barrels of salt, acid, etc. This is by the far the largest industry in the county."

Capt. A. D. Hall of Broad Cove relates that his grandmother, Matilda Donnell, when a small girl, heard the treading feet of a multitude of men passing by her home very early every morning. They were heading for work at the Porgy Factories and Granite Quarries at Muscongus and Round Pond. (A Captain of a menhaden steamer received 1,000 in a season and the average man was paid 50.00/month.) About 1900, the porgys stopped coming, en masse, to Muscongus Bay, so the factories were dismantled and shipped to Rhode Island and Long Island, N.Y.

William Webber II acquired the former Bristol Oil Works property at Muscongus Hbr. in 1908. Through succeeding years, William and son Fernando, assisted by their wives and the next generation, continued the long tradition of Muscongus' marine related industries, though on a much smaller scale. Part of the former Gray and Co. property was purchased by Fernando, later. The remainder of the Co. property was converted into a tiny residential area. The Mohr, Conley, Weston, and Witham families now make up the nucleus of this area, which includes a few summer cottages.

The cover photo shows some of the structures belonging to the Bremen Oil Works-Albert Gray Co., on the north side of Muscongus Harbor. Morrison Clark purchased the property, where he operated a store and a rooming house for many years before the house burned in 1924. The barn (to the left of house), though scorched, was saved and moved to the adjoining property (to the right). The barn is now used by Nelson Webber, grandson of William II, as a boat shop.

The two master is tied up near the Bristol Oil Works salt-shed. This building was later moved back from the shore, and with additions, used for many years as a summer rental cottage. The main building was again moved in 1973, and is presently being used as a storage facility at Muscongus Marina and Bldg.

The massive assortment of huge wooden storage tanks, together with the related piping and platforms, have long since disappeared. The porgy oil, which seeped out when stored there, comes back to plague the present landowners each year during periods of wet weather, when the oily water oozes from the saturated clay-soil.

The main portion of the larger Church and Co. Porgy Factory, with Loud's (Muscongus) Island in the distance, can be seen across the harbor, in Bristol. The only original building remaining today is the old homestead (at far right), where the Thompsons, who purchased the property in the early 1950's, still reside.

Acknowledgments

Nelson and Helen Webber, researchers and co-authors of this article, wish to thank all of the many people who have contributed documents and information to the Webbers' local-history collection for many years.

E.L. Boutilier, photo-journalist, deserves much gratitude for the cover-photo which he processed and donated, from his historic photo collection.

Selectmen's Narrative Report

The current Board of Selectmen have again tried to accomplish their job in a fair and objective manner in all areas of responsibility during 1979, 1980, 1981 & 1982. This will provide you with a brief summary of accomplishments, policies, procedures and goals of the Board of Selectmen and items to be considered in the future.

ESTABLISHMENT OF GOOD RECORDS

The Selectmen have spent many hours in preparing and maintaining complete and accurate Town records. All Town required records and procedures have been reveiwed and corrected or improved where necessary. This includes the Taxpayer's List, Assessment Cards, Town Valuation Book, Tax Collector's Commitment Book, Tax Exemptions, Selectmen's Ledger, Pay Warrants, Tax Maps and Assessing Procedures. The Tax Collector, Treasurer, Town Clerk and Registrar of Voters have maintained accurate records of all Town functions and data. Anyone may review these records at any regular Selectmen meeting for data that is relevant to them.

GOOD FINANCIAL PLANNING

During this period of very high inflation and high costs, all Town officials and committees are trying to conserve money. The Selectmen have thoroughly analyzed all Town expenses and financial planning including all sources of revenue, all cash flow in and out of the Town accounts, accounting and bookkeeping procedures and the schedule and amount of borrowing required. Several thousand dollars of savings have been achieved in many areas the last four years by using sound financial planning methods. Additional improvements in 1982 have increased earnings on Town general and special purpose funds while tax anticipation loan charges have been minimized.

ASSESSING

About 100 individual property cards and properties were assessed and updated. Exemptions were considered and the Town Tax maps

were updated based on property changes and ownership changes between April 1, 1981 and March 31, 1982. Everyone is requested to notify the Assessors when they make any changes to their taxable property. This includes new dwellings, additions, home improvements, piers, docks, garages, storage buildings, barns and destroyed or removed structures. Also, all changes within the Shoreland Zoning area (within 250 feet of salt or fresh water) must be by written approval of the Planning Board and in compliance with the Shoreland Zoning Ordinance. All subdivisions per the Subdivision Ordinance require approval of the Planning Board, also.

Everyone who has an approved Tree Growth application does not have to do it every year. Once it is approved, it remains intact until the applicant requests it be changed. Anyone who wants to add or remove property from the Tree Growth exemption must submit an application to the Assessors prior to April 1st of that year. Also, everyone who removes their property from the Tree Growth classification by changing its use will be assessed a tax penalty for the years under Tree Growth and based on the fair market value of the property and reduced taxes applied during those years.

The Town Assessors were directed by the State Bureau of Taxation to comply with State law and assess and tax watercraft and personal property for 1982 and in future years. Consequently, supplemental tax bills were issued for 1982 as a separate tax bill. In 1983, separate tax bills will be issued to all owners of watercraft and personal property to comply with the law. The 1983 bills will be due at the same time as the regular real estate tax bill which will continue to be a separate bill. Each property owner is requested to fill out and submit the Assessor's Notice contained in the center of the Town Report by April 1, 1983. All changes to real estate and personal property should be identified.

DOG LICENSES

Everyone is requested to comply with the State Leash Law and keep their animals under control on their own property. Many complaints have been received concerning loose dogs, especially at the Bremen Grade School. It appears that only 25% of the dog owners are licensing their animals. If violations continue, additional enforcement and fines will be applied.

The Selectmen are recommending that a separate Dog Stable position be filled in 1983 as shown in Article 9A of the 1983 Warrant.

TOWN ROADS

This past year the Shore Road in area of Titherington's hill and a section below Periwinkle Lane was graveled, widened, and ditched. This was especially necessary as two new all year resident households have been established in that area and the snow plough could not have navigated that stretch without above work.

Sections of the Town Landing Road were graveled and resurfaced with Hot-Top; a section of the Keene Neck Road was resurfaced; resurfacing of the Fogler Road of approx. 0.4 mi. was continued. It's our hope this road's resurfacing can be completed next year. Bush-cutting on the Duck-Puddle Road and the Fogler Road was done.

The future costs of maintaining the roads will continue to increase, the Town's share of expenses for 1983 will increase and careful planning and use of road money will be necessary to stay within our means.

SOLID WASTE DISPOSAL

The Selectmen have been active in pursuing an alternate refuse site, recycling and other means of extending the life of the Damariscotta landfill site. It appears that the Damariscotta dump will be usable for several more years due to proper use of the landfill and more reasonable regulations by the Department of Environmental Protection.

The cost of the dump has increased from $7,000.00 in 1979 to $11,000.00 in 1981 and $12,000.00 in 1982. The cost in 1983 is expected to be $13,000.00. Everyone is urged to put their recyclable items in the proper bins at the dump to help reduce dump costs and extend the usage time as a landfill site. Alternate sites will not be as convenient, but we may have no other options.

We should continue to share the Damariscotta Dump as long as the cost and annual increase does not become unreasonable. The Selectmen are still in discussion with the Newcastle Selectmen about cooperative use of their landfill site if that should become necessary. We are also still participating in discussions of the refuse burning and steam generation study that has been in progress for several years with various other neighboring towns.

GENERAL ASSISTANCE

The General Assistance Guidelines and Work Requirement Ordinance adopted have been useful and practical. All capable people who receive aid are required to work on Town projects such as painting, road patching, brush cutting, etc. in exchange for assistance.

GENERAL ITEMS

The Selectmen installed a separate telephone in their office so they wouldn't interfere with the School phone calls. New Selectmen Office Telephone Number: 529-5945.

In 1982, an additional $8,000.00 was added to the School Bus Sinking Fund and Personal Property/Watercraft were assessed and taxed as required by the Bureau of Taxation. The Mutual Aid Agreement for Fire Departments was reviewed and approved. The first donation to support the Waldoboro Ambulance Service was made by Bremen in the amount of $250.00 and the taxes due date was changed from Nov. 15 to Oct. 15, 1982.

Other new items that will require discussion at the 1983 Town Meeting are, by Article Number:

ART.#	Subject
29	ElderServ. Inc. Funding
33	Coastal Economic Devel. Corp. Funding
34	Town/School/D. Hall Property Exchange
35	Planning Board Building Permit Fee
36	Revision to Town Boat Tax Schedule
37	Construction of Town Boat Ramp

Additional items to be considered in the future are obtaining additional property for Town cemetery lots since the Rt. 32 cemetery is almost full, Town growth, and maintaining continuity of honest, responsible, qualified Town Officials. We should not allow that to happen by chance or accident. We should plan for it and make the positions reasonable for qualified people.

The Town Report has been written to provide more explanation and information. Hopefully, it will provide everyone with a better understanding of Town functions and expenses. As agreed at the 1979 Town Meeting, all Town expenses and all School and Education funding requests will be considered together at the same time at the 1983 Town Meeting as was done in 1980, 1981 and 1982.

Since this is the last year the three of us will be serving together on the Board of Selectmen, we would like to take this opportunity to thank everyone who has supported us during the last 4 years (1979, 1980, 1981 and 1982). We are proud of our record and accomplishments and are confident that the Town is in very sound financial condition. The business, administrative and financial decisions and procedures that we have instituted should continue to be followed to maintain the Town in a strong economic position. Through out the last 4 years, we have tried to do the best job possible for the entire Town, and to make decisions in the best interest of the entire Town.

We have enjoyed serving you.

Respectfully submitted,
GILBERT W. COLLAMORE, SR.
EDWIN M. STELZER
CAPT. A.D. HALL
Bremen Board of Selectmen, Assessors
and Overseers of the Poor

Note: The 1982 Town Report has been prepared for the Selectmen by Edwin M. Stelzer.

Selectmen's Financial Report

All of the Town financial records have been thoroughly reviewed and reconciled by the Board of Selectmen, Treasurer, Tax Collector and the Town Auditor. The funds authorized by the Town in 1982 are identified by each Town approved article, source of funds, receipts, expenditures and, whether a surplus balance or overdraft occurred. This is provided for your information, review and understanding. All pay vouchers and invoices are filed in the Selectmen/Treasurer warrant files, listed on the Treasurer's Pay Warrants and recorded in the Selectmen's Ledger for each item of expense for each account. These are available for review by anyone who desires to see them at any regular Selectmen's Meeting. Some accounts that have balances carried forward from 1982 to 1983 are shown in the Auditor's Report and are not repeated here. The Auditor's Report contains an accounting of all Town monies.

During the last four years, substantial savings of Town money have been accomplished by the Selectmen by doing a review of all Town financial practices including:

A. Amount and time schedule for borrowing tax anticipation loan money.

B. Annual expenditure rate by month of all Town and School expenses (cash flow out).

C. Annual funds receipt rate by month of all monies (cash flow in).

D. Taxes due date and interest rates on overdue taxes.

E. All Town insurance policies and premiums.

F. Annual surplus carried forward to the new Town fiscal year.

G. Amount of money, schedule and sources of funding for all Town/State road work.

H. Providing periodic financial statements to Town organizations.

I. Method of awarding Town work and contracts.

J. Outstanding taxes and tax lien collections.

K. Availability and use of State and Federal funds.

L. Verifying and correlating the Town and School audits.

M. Procedures for recording all Town monies, cash flow in, cash flow out, loans, interest, tax liens and debt collection.

N. Assessing methods, exemptions and their application.

Based on the review and analysis of these items many improvements and changes have been made resulting in savings of several thousand dollars of Town tax dollars. The following changes have been made during 1979, 1980, 1981, and 1982:

A. Tax anticipation loans have been $160,000.00 in 1978, $100,000.00 in 1979, and $80,000.00 in 1980, $90,000.00 in 1981 and $100,000.00 in 1982.

Several thousand dollars of interest money has been saved. By analysis of the cash flow in and out of the Town account, deferring some expenses till the end of the fiscal year, doing some work items later in the fiscal year, only borrowing as needed, achieving a higher surplus carried forward from year to year, changes in tax collection and keeping accurate financial records, the Selectmen have been able to achieve this. The Town has converted the checking account to an interest bearing account, the bus sinking fund money has been put in certificates and so have the cemetery trust funds at substantial increase in earnings.

A total of $3,056.13 of interest was earned on the Town checking account in 1982, which almost equals the tax anticipation loan interest we had to pay on the $100,000.00 we borrowed, in the amount of $3,187.70.

B. The tax due date was moved from Dec. 15, 1981 to Nov. 15, 1981 and the interest rate on uncollected taxes was increased from 12% to 18%. The tax due date was moved from Nov. 15, 1982 to Oct. 15, 1982 and the interest rate remained at 18% in 1982. In 1983 the interest rate will have to be changed to 15% per State Law but the Selectmen are recommending leaving the Taxes Due Date at Oct. 15, 1983.

C. All insurance policies were reviewed, coverages checked, and errors in premiums charged by the insurance companies were corrected and premium refunds returned to Bremen.

D. All road work has been analyzed and improved. The hot-topping contract is awarded by the assistance of the MDOT, Rockland Office, by competitive bidding of several, large companies in order to get the lowest, qualified bidder. We received our first year State Road subsidy funds of about $6,000.00 and we expect to receive about $12,000.00 in 1983.

E. Financial statements have been provided to the Fire Department for all three accounts, showing expenditures, total authorized and available balance so that expenses do not exceed the amount authorized.

F. The oldest, outstanding, taxes due and old tax liens have been discussed with the people involved and methods of payment of disputes discussed to resolve them.

G. All assessments and corrections are made according to the Town Assessment Book and accurate Assessment Cards are maintained. Many corrections of prior year errors have been made resulting in increased tax income to the Town.

All of these items have contributed to good financial records, responsible financial planning and savings of tax dollars.

As of the end of Town Fiscal Year 1982, the Town is in sound financial condition. This has been accomplished through improved control and accounting of all Town and School funds and expenses during 1979, 1980, 1981, and 1982. The Selectmen and the School Committee have pursued a very prudent and conservative spending policy in 1982 and this has been verified by the Auditor's Report.

The 1983 proposed budget and source of funding for the various articles is based on a careful review of the expenditures for 1979, 1980, 1981, and 1982, and known 1983 changes. Several accounts that had a large 1982 surplus have been reduced in 1983 and vice-versa. Most accounts have been adjusted for an estimated 10% inflation rate increase for the 1983 request based on the actual 1982 expense.

Due to the large 1982 Town Surplus, 1982-83 School Budget Surplus, 1982 Tree Growth Supplemental Taxes, 1983-84 State School Subsidy and 1982 and 1983 State Road subsidy plus other account surpluses as shown in the 1982 audit, it is anticipated that the 1983 Tax Rate will be reduced 2.0-2.5 mils from 16.5 in 1982 to 14.0-14.5 in 1983. We know this is a pleasant surprise for us all on our 1983 taxes. We must remember, however, that the 1982 budget surpluses were unusually high and will not occur again in 1983. Therefore, 1984 will probably show a substantial increase in tax commitment, mil rate and individual tax bills unless we watch the following 1984 year very carefully and control the 1984 budget. The following is a detailed analysis of all accounts, by Article.

1982 Selectmen's Financial Summary by Account and Article

ART. #9A. Town Officer's Salaries		
Appropriated from Taxes:		8,415.00
Expended:

Net Assessment for Commitment	325,852.23
Assessors 1982 Town Valuation	19,822,640.00

The Net Assessment for Commitment (amount raised from local taxes) divided by (÷) the Assessor's 1981 Town Valuation equals the Mil Rate, or:

$$\frac{325{,}852.23}{19{,}822{,}640.00} = \$.0165/1.00 \text{ of Assessed Value, or}$$

Mil Rate = $16.50/$1,000.00 of Assessed Value

Notice to Taxpayers

Assessing Standards

Minimum assessing standards are now required under L.D. 1994.

a. A maximum assessment ratio by 1978, 70% by 1979 and thereafter.

b. A maximum rating of assessment quality of 30 by 1978, 20 by 1979.

c. Assessors will conduct annual sales ratio studies.

d. Physical inspection and inventory of each real parcel and personal property will take place at least every four years.

Assessors'Notice

In accordance with Title 36, Section 706 M.R.S.A. 1964, the assessors of the Town of Bremen hereby give notice to all persons liable by taxation in said town, that they will be in session at the TOWN OFFICE BUILDING in said town on SATURDAY, APRIL 2, 1983, between the hours of 9 a.m. to 3 p.m. for the purpose of revising the list of estates taxable in said town.

Resident Owners and Non-Resident Owners

All inhabitants of the town of Bremen, Maine, and all administrators, executors, trustees, etc. of all estates taxable in said Municipality of such persons are hereby notified to MAKE AND BRING IN TO THE ASSESSORS, TRUE AND PERFECT LISTS OF ALL THEIR ESTATES, REAL AND PERSONAL, NOT BY LAW EXEMPT FROM TAXATION, of which they were possessed on the FIRST of APRIL 1983, and be prepared to make oath to the truth of the same and to answer all proper inquiries in writing as to nature, situation and the value of their property liable to be taxed.

When estates of persons deceased have been distributed during the year, or have changed hands from any cause, the executor, administrator, or other persons interested, are hereby warned to give notice of such change, and in default of such notice will be held under law to pay the tax assessed although such estate has been wholly distributed and paid over.

Any resident owner who neglects to comply with this notice is hereby barred of his rights to make application to the Assessors or Lincoln County Commissioners for any abatement of his taxes, unless he offers such list with this application and satisfies them that he was unable to offer it at the time appointed.

While the above Statute specifically mentions Resident Owners, it applies to Non-Resident Owners as well, and we respectfully call their attention to the matter and request their cooperation.

A TEAROUT PAGE IS INCLUDED IN THE BOOK FOR YOUR CONVENIENCE IN FILING THIS LIST WITH THE ASSESSORS.

Also, everyone is reminded to fill out and submit their taxable property list to the assessors, especially the new section on **Watercraft and Personal Property**. Separate tax bills will be issued for Watercraft and Personal Property for 1983.

Veterans' Exemptions

The veteran's exemption of World War I is $6,000 and World War II is $4,000 for deduction from the Just Valuation.

Veterans' General Requirements of Exemptions

A veteran, veteran's widow, or the widowed mother of a deceased veteran wishing to make application for exemption from taxation must file the prescribed form with the assessors on or before April 1, 1983. (Such notification once made need not be repeated in subsequent years.)

1. Veteran must be a legal resident of Bremen;
2. Must have reached the age of 62 years; or
3. Is receiving a pension or compensation from the United States Government for total disability, either service or non-service connected, as a verteran;
4. The widow of a qualified veteran must be unremarried.

Blindness Exemption

Persons determined by the State Department of Health and Welfare to be LEGALLY BLIND are also entitled to an exemption on residential real estate (Chapter 261, P.L. 1973, effective in 1974.)

An exemption of $4,000.00 may be approved by the Assessors.

Tree Growth Exemption

As described in current state law at current State Tree Growth rates for hardwood, mixed wood and soft wood.

Agriculture Exemption

As described in current State law.

Assessors' Report

The 1982 Town Valuation was $19,822,640.00 and the State 1982 Valuation was $22,950,000. The State 1983 Valuation will be $24,000,000.

The 1981 Town Valuation was $18,893,080 and the State 1981 Valuation was $21,850,000. The 1980 Town Valuation was $18,579,260 and the State 1980 Valuation was $19,300,000. Each year the increased assessments resulting from new homes, out buildings, garages, sub-divisions, piers, docks, etc., only amount to approximately $200,000 to $300,000. This is an increase in valuation of 1.0 to 1.5% annually. The 1980 mil rate was $14.00/$1000 and the 1981 mil rate was $15.00/$1000 of assessed value. The 1982 mil rate was $16.50/$1000 of assessed value.

Following is a tabular comparison of the four years of this Board of Selectmen:

	1979	1980	1981	1982	1983
State Valuation	$17,850,000	$19,300,000	$21,850,000	$22,950,000	$24,000,000
Town Valuation	$18,397,193	18,579,260	18,893,080	19,822,640	Unknown
Tax Commitment	$220,766.31	260,116.83	283,521.23	325,852.23	Unknown
Mil Rate	$.012	.014	.015	.0165	Unknown

The increased revenue of $4,000 to $5,000 per annum resulting from these mil rates and net increases in valuation has not been and will not be enough to offset the larger 10-15% increases in the Town Budgets or the School Budgets each year. The individual property tax is the only major source of revenue in Bremen and therefore it is directly affected in direct proportion to the increase in the Town Budget and the School Budget. The only way to constrain the tax and mil rate increase each year is by continuing our conservative spending policy and using sound financial planning.

The Assessors have annually updated the Town valuation based on the total Town revaluation accomplished in 1976, and which took effect in 1977. Each assessment is made using the Town Book of Assessment Standards. Each year, the State-approved Tree Growth values are used for determining the current tree growth property assessed valuation. These change every 2 years.

In 1982 the Town Assessors hired a qualified, State authorized assessor to update the current taxpayers' list and taxable property as

required by State law. Also, the Town tax maps were revised by a qualified mapping company to reflect the changes.

Approximately 100 Town properties were reviewed by the Assessors to update changes or to make necessary corrections. All of the individual yellow assessment cards were checked against the white assessment record cards for each parcel of taxable property in the Town of Bremen. The assessment records were also checked against the Town tax maps for agreement.

Requests for exemptions and reduction in assessments due to the allowed exemptions for Tree Growth, Veterans, Agriculture and Blindness will be reviewed and approved or disapproved by the Assessors based on the information submitted to the Assessors prior to 1 April 1983. All applications submitted after this date will be considered in the next Town fiscal year.

Value of Tax Exempt Properties including the Bremen Grade School, Bremen Library, Bremen Union Church, Muscongus Community Club, Bremen Public Landing and Dock, Bremen Town House and the Bremen Volunteer Fire Department is $176,690.00. The State acquired five islands assessed at $44,800.00 are also Tax Exempt Properties.

The World War II exemption is $4,000.00 and the World War I exemption is $6,000.00.

The total value of exemptions for Blindness is $4,000.00. One person receives an exemption.

The list of people who have exemptions for Tree Growth, Blindness, Agriculture and Veteran's and the amount have been listed separately after theTaxpayersList. There are also separate lists for the Tree Growth Withdrawal Taxes and for 1982 Personal Property (Watercraft).

	Land	**Buildings**	**Total**
1982 Resident Valuation	4,669,080	5,466,390	10,135,490
1982 Non-Resident Valuation	6,407,120	3,280,030	9,687,150
Totals	11,076,200	8,746,420	19,822,640

Personal Property/Watercraft

Total Valuation - $299,255*
of Work Boats - 48
of Pleasure Boats - 116

Total Boats - 164
Taxes Assessed - $4,941.69*
*These were not used to determine the 1982 mil rate.

Tree Growth Exemptions

Resident Value	$892,440
Non-Resident Value	641,960
Total	$1,534,400

Value of Lost Revenue = .0165 x $1,534,400 = $25,317.60

Tree Growth Acreage

	Softwood	Mixed Wood	Hardwood	All Types
Resident	199	2110	417	2726
Non-Resident	200	480	428	1108
Totals	399	2590	845	3834

of Resident Taxpayers with Tree Growth Exemption - 20
of Non-Resident Taxpayers with Tree Growth Exemption - 20
Total 49

Value of Blindness Exemptions - $78,000
of People with Blindness Exemption - 17

Value of Agriculture Exemption - $4260.
of People with Agriculture Exemption - 1

As a result of the Tax Exempt properties and the Tax Exemptions given for Veterans, Blindness, Agriculture and, most significantly, the Tree Growth exemption, approximately $26,000 to $27,000 of "lost revenue" must be actually raised by increased taxes and mil rate on the remaining taxpayers who do not get any exemption. If the exemptions were not allowed, the Town tax rate would be about 1.5 mils less in 1982 or 15.0 instead of 16.5 and each person's tax bill would have been about 10% less.

List of Taxpayers

Legend

Veterans-* Tree-Growth-# Agriculture-† Blindness-‡

Notes: (1) Taxpayers who qualify for the authorized exemptions are specified in the Town Report by the symbols shown.

(2) The names of the taxpayers are listed as recorded in the Lincoln County Courthouse as of April 1, 1982. This list should include all changes made between April 1, 1981 and April 1, 1982. Any property sales, property transfers, changes in names of property owners, etc. which occurred after April 1, 1982, will be made to the Town tax records, taxpayers' list and tax maps when the Selectmen/Assessors complete the 1983 assessments and map changes. This will include all changes made between April 1, 1982 and April 1, 1983.

ELECTIONS HELD

Annual Town Meeting	March 20, 1982 at Bremen Grade School
Primary Election	June 8, 1982
Special Town Meeting	August 2, 1982
General Election	November 2, 1982

Respectfully submitted
FREDERICA S. HILTON
Town Clerk of Bremen, Maine

Assessors' Notice

In accordance with M.R.S.A. Title 36, Sec. 706, the Assessors of the Town of Bremen hereby give notice to all persons liable to any taxation in said municipality, that all property owners of the Town of Bremen, Me., and all administrators, executors, trustees, etc., of all estates taxable in said town of such persons are hereby notified to make and bring or send into the Assessors true and perfect lists of all their estates, real and personal, not by law exempt from taxation, of which they were possessed on the first day of April, 1983, and be prepared to make oath to the truth of the same and answer all proper inquiries in writing as to the nature, situation and value of their property liable to be taxed. Said lists may be mailed if the property owner finds it inconvenient to appear before the board, postmarked not later than April 1, 1983.

When estates of persons deceased have been distributed during the past year, or have changed hands from any cause, the executor, administrator or other persons interested, are hereby warned to give notice of such change, and in default of such notice will be held under the law to pay the tax assessed although such estate has been wholly distributed and paid over.

Any person who neglects to comply with this notice is thereby barred of his right to make application to the Assessors or the County Commissioners for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed.

Assessors of Town of Bremen,
Maine

Notice

Assessors will be in session Saturday, April 2, 1983 from 9:00 a.m. to 3 p.m.

LIST OF ESTATES NOT EXEMPT FROM TAXATION

Filed Pursuant to Title 36, M.R.S.A., Section 706

To the Assessors of the Town of Bremen:

1. I am a Legal Resident of
 or Non-Resident (Town) (State)
 (Cross out one)

2. Structures or land **not** owned by you:

List property owned by you on April 1, which is located on leased land or land **not** owned by you, including dwelling houses, house trailers, camps, stores, storehouses or any other structures. Identify landowner and location in each case.

Location (St. and Number, or Map and Lot number)	Owner of Land	Type of Structure
a.		
b.		
c.		
d.		

(If additional space is required, use and attach blank sheet.)

3. Real Estate:

List briefly each separate parcel subject to taxation on April 1 of the year for which this list is filed, and located in the town in which this return is filed:

Location (St. & Number or Map and Lot number)	Area of Land (Lot dimensions in ft.; or acres)	Buildings or Structures (Dwelling, barn, shed, store, garage, pier, dock, etc.)
a.		
b.		

c.

d.
(If additional space is required, use and attach blank sheet.)

4. Have any of the buildings listed been newly constructed, altered, destroyed or removed since the previous April 1:

Yes ☐ No ☐

If so, identify building and give brief description of construction or alteration and Map and Lot number of property.

.....

5. Do you now receive a real estate tax exemption?

Yes ☐ No ☐

6. If Yes, what types?
Tree Growth ☐ Blindness ☐ Veterans ☐ Open Space ☐

7. Are you applying for an Exemption?

Yes ☐ No ☐

8. If Yes, what type?
Tree Growth ☐ Blindness ☐ Veterans ☐ Open Space ☐

9. Is your land subject to any enforceable restrictions which limit the use to which it may be put, or which requires an approved permit?

Yes ☐ No ☐

If "Yes", please indicate the nature of the restriction:
(Check the appropriate block or blocks.)

Shoreland Zoning ordinance ☐
Subdivision restrictions ☐
Recorded contractual provisions ☐
Right of Way ☐

(Other - Please describe below.) ☐

(Over)

Title 7 M.R.S.A. Sec. 3451

Each owner or keeper of a dog six months or over . . . shall, on or before January first annually, or at such time as such dog becomes six months old, cause such dog to be licensed in the municipal clerk's office in the town where such dog is kept.

10. Do you own any dogs? Yes ☐ No ☐

Number ☐ Male ☐ Female ☐ Spayed ☐

11. Watercraft

A. Do you own a boat? Yes _____ No _____

Make _____ Model _____ Year _____

Serial No. _____ Name of Boat _____

Joint Report of the Bremen School Committee and the Administration

We would like to report to you some of the year's activites occupying our attention.

First: The budget format is different this year because all schools throughout the State of Maine have to convert to a uniform coding and reporting system as of July 1, 1983. The budget format presented gives more detail and hopefully a better understanding of school expenditures.

Second: Your school committee has given top prority to the school plant this year. We have installed new outside doors, carpeted two classrooms (easier to maintain and accoustically improves the school), replaced shingles, painted the exterior, and created a basement classroom with removable walls. The basement classroom was a critical need. The school looks in excellent condition.

We are most appreciative of all the community help painting the school.

Third: The issue of space has not disappeared. New state and federal laws require adequate instructional programs for all students. These programs were not legislated ten years ago. Hence, the need for suitable instructional space still remains a high priority.

Fourth: The stafff represents a curriculum report to the school commitee at its regular monthly meeting. We encourage you to attend these meetings to learn more about what is being taught in your school.

Fifth: The staff has been very busy this year. The art and music programs have added an exciting dimension to your school. Students have responded most favorably.

The staff has been continously reviewing the curriculum and teaching techniques. There is a desire on the staff's part to help each child grow. All members of the staff realize the importance of the basic skills and make every effort to have students master these essential skills.

There is also an awareness of the need to stimulate students

with enrichment activites that give students a purpose for their studies. This enrichment is accomplished through field trips, films, discussions and other activities.

Standardized tests are given each spring. We encourage you to review the results with your classroom teacher.

The sports program for boys and girls has gotten off to a good start. Participation is high. The coaches have done an excellent job teaching rules, attitudes, conduct, and muscle control.

Sixth: The monies the town has previously appropriated for energy conservation improvement have produced solid results. Over the past five years the school has averaged 3,533 gallons of oil. In the past two years our average is 2,991 gallons or a savings of 542 gallons or 15.34% reduction. In dollars, at the current price is a $600.00 a year reduction.

In electrical consumption the Bremen Grade School has reduced its consumption from over a five year period of 19.611 kilowatts to an average of 18.694 or a reduction of approximately 5%.

Finally: The school committee, administrators and staff are most appreciative to those individuals who have volunteered to assist the school in so many different ways. It is rewarding to see such support and assistance readily available.

The Bremen School Committee meets the 4th Monday of the month and welcomes your attendance.

Respectfully submitted:
Judith Mohr, Chairperson
David Osier
Raymond Mank
Lisa Wallace
Mary Sue Weeks

Administration:
Bill Babb, Principal
Millard Harrison, Superintendent

1983-84 Budget Explanations

As pointed out to you in our report, the budget for 1983-84 is presented in a different format. This is a new experience for all of us. Fixed costs, equipment purchases are all included in each of the main categories which are: Instructional Salaries, Instructional Supplies & Materials, Transportation, Secondary, Special Education, Food & Health Services, Non-Instructional Services, Administration and School Board, Principal's Office, and Plant Operation and Maintenance. The overall budget is approximately the same amount as last year (240,173 to 240,640).

Instructional Salaries & Fixed Costs: This portion of your budget comprises 23.99% of the total budget. This account is up by $2,445 primarily due to salaries and an increase in substitutes. The base salary for teachers is $10,400.00.

Instructional Supplies & Materials: This portion of your budget comprises 4.94% of the total budget. This section of the budget has remained about the same except we have budgeted $2,340 for a computer and the assessories and soft ware. The computer does have support of the budget committee.

Transportation: This portion of your budget accounts for 4.8% of your total budget. This account is less than what was requested last year. Gasoline prices have stablized which helps. A new motor installed will get the bus through two years. A new bus will be needed after two years.

Secondary: This account comprises 24.22% of your total budget and is one that is difficult to predict. First the number of students are not known and second the tutition rate is not known until October. We have budgeted for a 11% increase for tuition.

Special Education: This portion of your budget comprises 16.78% of your total budget. This portion of your budget is up by $3,178 primarily due to salary increases and the increase for the aide, and the major increase is for transportation ($2,824).

Non-Instructional/Student Body Activities: This portion of your budget amounts to .54% and is up by approximately $367.00. This increase is all due to coaches salaries.

School Board & Administration: This portion of your school

budget comprises 4.21% of the total budget. Two hundred dollars ($200.00) has been budgeted for the school committee to attend conferences, workshops. The Superintendent of School's Office account has been reduced by $4,262.

Principal's Office: This portion of your school budget comprises 11.64% of the total school budget. The account has increased by $2,381. This increase is due to the 7.5% increase for the principal and secretary, and increase in travel for all staff.

Plant Operation & Maintenance: This portion of your budget comprises 8.8% of the total budget. This account is up by approximately $3,500.00. The increases are due to (1) salary increase of 7.5%, (2) property insurance is up by $350.00, (3) telephone is up by $335.00, and (4) carpeting 1½ classrooms $1,688.00.

We believe this is a very good budget that has been proposed and is supported by the budget committee.

UNION 74 & GREAT SALT BAY CSD
ADULT EDUCATION

The Adult & Community Education program continues to provide the opportunity for adults of all ages to complete their high school education requirements. The program also continues to offer continuing education courses for those persons who realize that their education never ends. Both programs continue to make effective use of local schools, teachers, and resource persons.

The diploma program, in close cooperation with Lincoln Academy, offers two or more courses each semester. This past fall semester saw 16 students enrolled in diploma programs, with 5 students enrolled in both courses. Some of these students will receive a high school diploma this spring. It should be noted that the 1980 census reports that 25% of the adults in Lincoln County, 18 years of age & older, have not completed a high school diploma.

This past fall also saw an additional 93 persons enrolled in one of eight continuing education courses. These courses are offered on the basis of interest expressed by members of the general public. Some people have indicated that these courses have led to productive hobbies, part-time jobs, and in a few cases, new employment.

Town funds are necessary as the basis for state reimbursement. Requests to towns for financial support are now based on population. Total funding from the towns accounts for 24% of the annual budget, with student fees covering 22%, and the state reimbursement covering the remaining 54%. There is no student charge for diploma courses.

The financial aspects of the program also include support for the Adult Basic Education program in Lincoln County which presently provides tutoring for 9 adults. It should also be noted that students enrolled in diploma programs qualify for partial state subsidies to the age of 20 with these funds going directly to the respective towns.

Health Officer's Report

Communicable diseases reported to me in 1982 were as follows:
None.
If there should be any this year, please notify me.

Respectfully submitted,
BESSIE D. COLLAMORE
Health Officer

Planning Board Report

The Bremen Planning Board met ten times during 1982. The Board meets in the Town Office on the 3rd Monday of each month (weather permitting), at 7:30 p.m. All meetings are open to the public.

Fewer applications were filed this year than last, reflecting the slow-down in residential construction. Four permits for house extensions or garage building were granted to property owners within Shoreland Zone areas of the Town. In addition, one permit to construct a dock and one to install a holding tank were granted.

The Chairman made a special effort to inform the region's Board of Realtors about shoreland regulations in the Town, and urged the realtors to make certain that buyers of waterfront property in Bremen know the provisions of the Town's ordinance.

The Town has reimbursed the Planning Board for the cost of printing application and permit forms. However, necessary postage, occasional telephone and mileage costs have been borne by individual Board members. The Board respectfully requests the Town Meeting to approve a modest $2.00 fee for each permit granted, payable to the Town, to help defray the Board's minimal expenses.

Planning Board members are available to answer questions, and welcome inquiries from residents on any matter concerning the 250-foot zone bordering seacoast, ponds, streams and wetlands within Bremen. To manage these important natural areas sensibly and carefully will help preserve our Town's attractiveness and property values, and the Planning Board is dedicated to this purpose.

Respectfully submitted,
ELSA V. HAUSCHKA,
Secretary, Planning Board

Town of Bremen
Planning Board

Memorandum to the Appraisers:

PERMITS GRANTED by the Planning Board during the year 1982:
Raymond & Nancy Mills -- garage, Greenland Cove
William D. Disston -- garage, Heath Road
Roger & Shirley Dexter -- roof extension, house on Shore Road
Richard & Barbara MacLean -- addition to house, Shore Road
Dr. Charles Ballinger -- dock, Muscongus Bay
Howard & Florence Faunce -- holding tank, McCurda Pond
PERMIT DENIED:
George & Janet Christ -- porch extension, Biscay Pond

Application for permit was not submitted until after porch had been constructed.

Porch is within 15 feet of the shore.

Respectfully submitted,
ELSA V. HAUSCHKA
Secretary Planning Board

Bremen Volunteer Fire Department Report

A TOTAL OF (2) chimney fires, (2) wood fires, (1) flooded cellar and (1) call for smoke investigation were answered by the Bremen Volunteer Fire Department for 1982.

Due to the increased use of wood stoves to heat our homes it is more important than ever to have an established escape route in the event of a house fire. Go over this route with family members to be sure everyone knows what they are to do to reach safety. Practice drills on a regular basis will refresh everyones memory and could well prevent a tragedy from happening. Escape from an upstairs bedroom can be accomplished by using a specially designed folding ladder or a piece of heavy rope kept in a designated area.

We would like to remind Bremen residents to replace worn out batteries in your smoke alarms. Also have your chimney cleaned on a regular basis. Smoke alarms can still be purchased from the Bremen Volunteer Fire Department. You can call 529-5685 or 529-5485 for information.

During Fire Prevention Week we sponsored a day long workshop at the Bremen Grade School. Smokey the Bear and Maine Forest Service Agents helped with demonstrations, gave talks on fire safety and held question and answer sessions. Poster and essay contests were judged and prizes given by Smokey the Bear.

During the summer Ronald Wright, Forestry Agent, and I were invited on a tour of Bremen Long Island to check for fire safety. We gave a demonstration on portable pumps and proper use of a dry chemical fire extinguisher and Indian tanks. Members of the Long Island Association participated in the demonstrations and then purchased their own equipment for use on the island.

In August the Bremen Volunteer Fire Department sponsored a Lobster Stew and Steamed Clam Supper. We wish to thank each and every one who helped to make this supper a success. We were able to have an aluminum tank made for the jeep and install various equipment from the old Chevrolet from the proceeds.

Increases in the maintenance accounts is due to conversion of (2) Scott Air Packs to a Pressure Demand system to meet insurance requirements.

An article for $200.00 under capitol outlay is for paint and stain

for the exterior of the firehouse.

Your continued support will be greatly appreciated.

Fire meetings are held the first Tuesday of each month. New members are always welcome. The list of Fire Department Officers and telephone numbers is attached for your reference.

Thank you for helping to make this a safe year in Bremen.

Respectfully submitted,
HOWARD A. KALER, Chief

The following information is provided for reference:

Fire Dept. Officers for 1983 were elected as follows:

Chief	Howard Kaler
Assistant Chief	Douglas Wood
Captain	Gilbert Collamore
1st Lieutenant	David Autio
2nd Lieutenant	George Masters
3rd Lieutenant	Dan Lemieux
Fire Police	Danny Kavanaugh (honorary)
Fire Police	Ralph Genthner
Secretary - Treasurer	Horace Ransom

Central Lincoln Ambulance (Damariscotta)	563-3131
Waldoboro Ambulance (Fire Dept.)	832-5211

Recreation Board Report

The Recreation Board members and many other people have contributed their time and hard work to completing the Bremen Community Athletic Field and coaching and supporting the Bremen athletic teams. The following is a summary of work completed in 1982 and planned for 1983:

Work completed in 1982:

1. Reseeded and limed field.
2. Installed scoreboard.
3. Mowed and maintained field.

Many thanks to George Masters and Dan Lemieux for mowing and maintaining the field and to Wendy Stelzer for designing and painting the scoreboard.

Work planned for 1983:

1. Install (2) additional player benches
2. Construct storage shed
3. Mow and maintain field
4. Install volleyball poles

The total funds spent from all sources to date is the same as last year, $4,622.52 plus other donated labor and material. No additional funds were donated, received or spent in 1982.

Much appreciation goes to the following people for their support of Bremen athletics in 1982;

Name	Donation/Effort
1. Larry Sidelinger Mary Sidelinger	Coaches: Bremen Grade School Baseball Team
2. Blair Pyne Larry Sidelinger	Coaches: Bremen Grade School Soccer Team
3. Ronald Poland Ruth Poland	Coaches: Bremen Little League Baseball Team
4. Dan Lemieux	Coach: Bremen Little League Baseball Farm Team
5. Larry Sidelinger Mary Sidelinger	Coaches: Bremen Grade School Basketball Team
6. Bill Babb	Coach: Bremen Grade School Pee Wee Basketball Team

The players, coaches and parents deserve a great deal of credit for their participation and good sportsmanship.

Since 1978, many people and organizations have contributed their time and funds to construct the Bremen athletic field and support the athletic teams. However, I would like to give special recognition to the small dedicated group of people who made Bremen athletics a reality. They include: Raymond Mank, George Masters, Dan Lemieux, Richard Koubek, Wendy Stelzer and Larry Stelzer. Without their hard work and willingness to help whenever I asked we would not have the successful athletic program we have for our Bremen children today. Again, many thanks for your hard work.

The continued support of the community would be appreciated in 1983 to complete the athletic field and to support the athletic teams. If anyone would like to make a donation, it will be gratefully accepted and put to good use.

Respectfully submitted,
EDWIN M. STELZER

Bremen Library Association

It has been a busy year and a time of transition for the Bremen Library. Our librarian of ten years, Margaret Bonning, left to become librarian at the Waldoboro Library. It was with real regret that we accepted her resignation. However, we were most fortunate to secure the services of Carmen DiGregorio, a Bremen resident, to take her place.

We also elected two new trustees this year, Donald Cloudman and Ralph Davis. They replace outgoing Dean Kimball and Fred Tappan who have given so freely of their time and talents.

The library hours remain the same -- open to the public Wednesday and Saturday afternoons from one to four, and on Monday afternoons also during July and August. Throughout the school year the Children visit the library on Wednesday and Friday mornings to select books for study and pleasure.

Our fine group of dedicated volunteers continue to devote many hours to the work of the library, filing, typing, book repairing and other necessary tasks. A book selection committee meets once a month with the librarian to review current books and make suggestions for purchases. We also welcome suggestions from the public.

During 1982 we hosted the Annual Cribbage Tournament and the PTO Book Fair. Our yearly Plant and Book Sale was held in conjunction with the PTO Bremen Day, it was a fun time for all. Our Blueberry Breakfast was held in August and was well attended.

The Library Association appreciates the continued support of the town.

Respectfully submitted,
MARY FRAHER
President

Muscongus Community Club

The Muscongus Community Club had a very productive year.

Our major undertaking was to have the foundation of our club house repaired. This has been completed; our kitchen cabinets are stained & finished, & we have new, safe handrails at our entrance.

Our successful food sales enabled us to provide the Bremen school with 15 dictionaries, and two students were sent to the Bryant Pond Science Camp.

Two lovely matching quilts have been completed as well as several baby quilts.

The Whist parties held at the Club House were enjoyed by all attending.

The year was brought to an end with a most enjoyable Harvest Supper.

Respectfully submitted,
MARGARET JICHA
President

Bremen Patriotic Club Report

The Patriotic club has spent another year of concerns for the community and fund raising events, as well as, enjoying some interesting programs which helps to make our lives a little richer.

In Jan. we and the PTO hired a part time Music Teacher for the Bremen school. From our Scholarship Fund which was established in 1980, we awarded three "incentive Scholarships." We also sent two young people to summer camp at Bryant Pond.

Our club helped with the Founders Day Supper by providing garden greens for the salad, and were in charge of the coffee, cake and doughnut table during the auction.

We helped the PTO with their Annual Fair in May, and turned over the proceeds from the White Elephant table to them. They, in turn, gave the money to the Library for the purchase of childrens books.

For fund raisers, we sponsored two bake sales at the Yellowfront store. We held an auction at our July meeting which was entertaining as well as rewarding.

Our club's Scholarship Fund committee held a Flea Market and Card Party at the Townhouse on Sat., Oct. 2nd. Iris Gibbs was the instigator of this very successful event and the community interest and help was most gratifying. In addition to the flea market and games, we had a bake sale, light luncheon, and used clothing sale. Nine of our members attended the Union Luncheon which was very enjoyable and was held in the Willing Workers hall in New Harbor.

Respectfully submitted
EDITH BALDWIN
President

Central Lincoln County Ambulance

1982 has been a busy year for the ambulance service with over 500 calls in the six town area.

Ten more of our people have completed the Emergency Medical Technician program during the year giving us twenty EMTs. The 100 hours of classroom and hospital training required in this course reflects the dedication and enthusiasm of our attendants.

We have replaced our 1976 Ford ambulance with a new Chevrolet. This vehicle is larger and gives the patients a much smoother ride.

Besides our regular training and outreach programs, we helped South Bristol and Bristol develop First Responder groups in their fire departments. This program will shorten the response time for medical aid in these areas. It is our hope to start similar programs in our other peripheral towns.

Work is nearing completion on our ambulance building addition. We are very appreciative of the support we are receiving in our fund raising campaign.

DOUGLAS J. BALDWIN
President

Civil Defense Report

There is little to add to the report made in the Town Annual Report last year. Happily there have been no emergencies requiring any kind of mobilization as outlined then.

There was a test alert with respect to Maine Yankee, held in December. Since Bremen is outside the ten mile circle, there was no local involvement. We attended the meeting prior to the test to become familiar with the procedures.

An information questionnaire will be distributed at Town Meeting. It will be helpful if a number of residents, both summer and full time, will fill it out and please return it to me.

Respectfully,
HORACE RANSOM
CEP Director

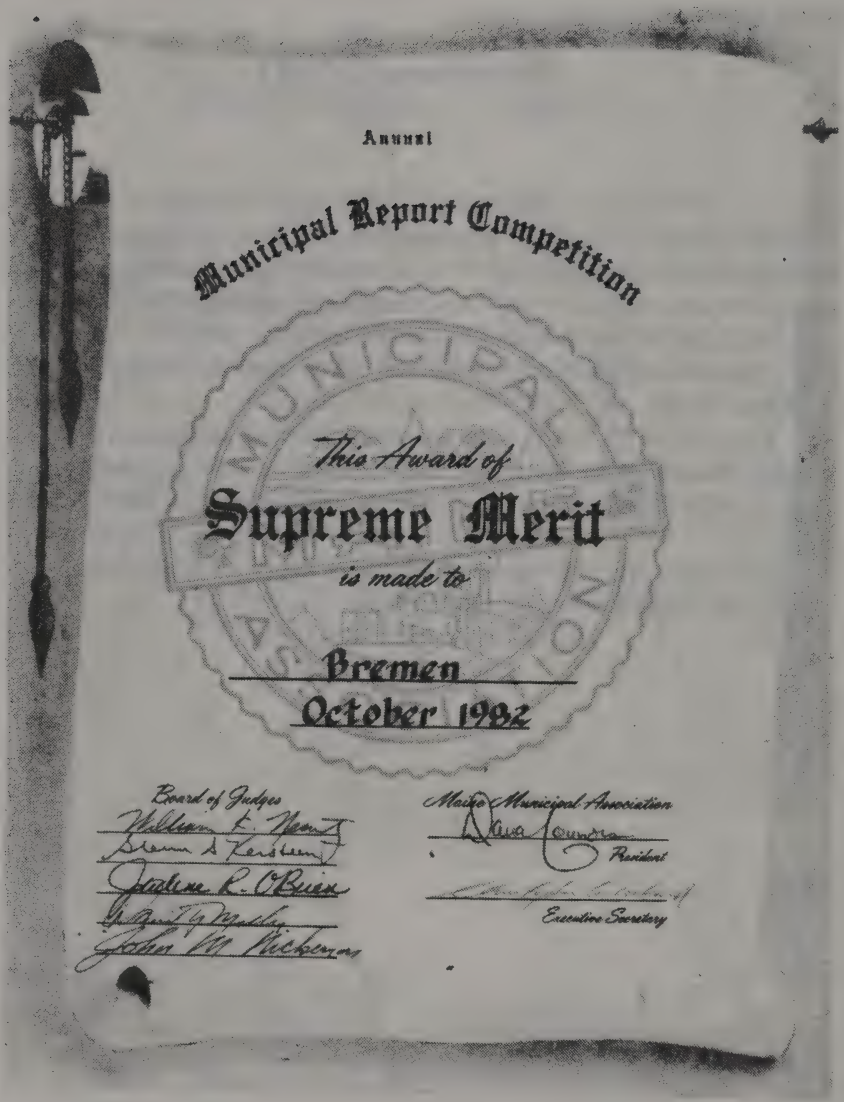

Bremen PTO

The Bremen PTO enjoyed another productive year in 1982. The Second Annual School Fair was expanded to include the participation of several town organizations. We hope that this will continue to be an enjoyable community event. Our other fund raising effort was a book sale, held at the Library this fall. This activity was doubly valuable, in that money was raised for the school, while providing many children with new books.

This year PTO funds have been used for the purchase of two roll-up maps and a globe for the school. Money was also donated to the Library Association for the purchase of books for the childrens library.

We expect that we will be helping with expenses for field trips and the Bryant Pond Camp again in 1983.

Respectfully submitted,
JANCIE OLSON

1982 Supreme Merit Award

October 7, 1982

Dear Mr. Collamore:

The Executive Committe of the Maine Municipal Association is pleased to inform you that Bremen has been awarded the highest honor of Supreme Merit in the 1982 MMA Municipal Report Competition in its population category by the Board of Judges.

Certificates for recipients of this highest honor will be awarded at the Banquet in conjunction with the MMA Convention at the Holiday Inn-Downtown, Portland on Thursday, October 28. We hope that you or a representative from amoung your municipal officials will be present to receive this certificate of honor.

Your community and its municipal officials are to be highly congratulated on being judged as meriting this highest award, and the Executive Committee trusts that you will continue to communicate the activities of your local government in such a clear and understandable manner.

Again, our congratulations, and our hope that you will continue such exemplary work and that other communities will emulate your fine example. I hope to see you at the Banquet to present your community with its certificate.

Sincerely,
Dana Connors
President, MMA

Time & Tide Resource

Conservation & Development Area

It is with pleasure that we submit to you a report of the Time & Tide RC&D activities for 1982.

Time & Tide is a people's program. We are sponsored in part by the counties and directed by local people. We serve as a base for people to come together to plan and carry out projects relating to natural resources. We serve as facilitators to help towns and non-profit groups conserve, develop and improve our natural resources.

Our RC&D was selected for the third consecutive year as the outstanding RC&D area in New England. This recognition is due in part to the tremendous amount of volunteer service by local people and the dedication of the council members and staff.

Through cooperative efforts many things have been accomplished in the Mid Coast this past year. We believe no one person, organization or agency can take total credit, but with everyone working together doing a little bit, a lot was done.

Some of the projects we have been requested to assist with for 1983 include Belfast Park erosion, Bath recreation, forestry assistance, Camden Snow Bowl erosion, Boothbay recreation, Wiscasset Primary School, prime agricultural land identification, development of a soils and land use slide show, Rockland Bog, Dresden comprehensive plan, Liberty recreation development, Damariscotta recreation development, Cushing recreation, solid waste management, Waldoboro Public Landing, Vinalhaven tennis courts, Searsmont comprehensive plan, Islesboro shore erosion, Bowdoinham recreation area and State Prison Farm Utilization.

Any town can request assistance from the Time & Tide RC&D by contacting your local Soil & Water Conservation District or the Time & Tide RC&D office in Waldoboro.

We purchased a 30-minute documentary movie, "The Price of Abundance," which applies to our food as it pertains to agriculture.

Any group wishing to use it should contact our office for details.

We have several resource committees involved in each of the following topics: forest, soils and land use, energy, information, recreation, agriculture, fish and wildlife, and ocean. They are open to anyone interested in attending.

If you are interested and want to know more or to become part of the Time & Tide RC&D Program, please contact our office, Route #1, Waldoboro, ME 04572 or phone 832-5348.

Sincerely,
ANNE FAVREAU

Auditor's Report

March 7, 1983

Board of Selectmen
Town of Bremen
Bremen, Maine 04551

We have examined the balance sheet of the various funds of the Town of Bremen, Maine at December 31, 1982 and the related statements of unappropriated surplus, departmental operations, and receipts and expenditures for the year then ended. Our examination was made in accordance with generally accepted auditing standards and included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying financial statements present fairly the financial position of the various funds of the Town of Bremen, Maine at December 31, 1982 and the results of operations for the year then ended, in conformity with accounting practices generally followed by municipalities, applied on a basis consistent with that of the preceding year.

WILLIAM H. BREWER

March 4, 1983

COMMENTS

The system of internal control was reviewed pertaining to the handling of cash and other matters of financial concern. Cash in banks was reconciled with the statements and confirmations from the bank. The records were checked to determine the accuracy of recording cash transactions.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers and cancelled checks were examined on a selected basis. Excise tax collections were checked to pertinent records. Confirmation requests were sent on a test basis to determine the accuracy of recorded taxes receivable. Surety bond coverage relating to the tax collector and treasurer was reviewed.

The Trust Fund investments at December 31, 1982 were accounted for by inspection of the time deposits and confirmations from the savings institution or commercial bank. We examined data in support of investment transactions and determined that all principal and income applicable to investments and all expenditures had been included in each fund.

Accounts Receivable consists of $643.36 received in January 1983 for the December State Revenue Sharing payment.

The Suspense Account shown on the balance sheet is the difference between actual State Revenue Sharing and Inventory Tax Reimbursements received and the estimated amount used to reduce the 1982 tax commitment. This amount will be added to the 1983 estimated State Revenue Sharing and used to reduce the 1983 tax commitment.

The Educational Accounts of the Town of Bremen were reconciled to the activity recorded on the Superintendent of Schools records.

The Maine Department of Transportation Block Grant receipts and snow removal reimbursement were verified with the Department of Transportation, State Highway Division.

The Federal Revenue Sharing Fund was reviewed as to receipts and deposits to the corresponding savings account as well as expenditures and negotiated checks. Entitlement payments were confirmed with the State Department of Audit, Augusta, Maine and expenditures were compared with the appropriations made at the annual town meeting.

Warrant for Town Meeting

To Douglas Wood, the Constable for the Town of Bremen, in the County of Lincoln:

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the said Town of Bremen, qualified to vote in the Town affairs, to assemble in the Bremen Grade School in the said Town, on Saturday, the nineteenth day of March 1983, at ten o'clock a.m., to act on the following Articles, to wit:

ART. 1. To choose a moderator to preside at said meeting.

ART. 2. To elect the following Town Officers by secret ballot: three Selectmen, three Assessors, three Overseers of the Poor, four members of the School Committee, five members of the Planning Board, a Town Clerk, a Town Treasurer and a Collector of Taxes.

Polls will be open from ten o'clock a.m. until two o'clock p.m. at the Bremen Grade School. The remaining Articles #3 through 37 represent all of the items and funding associated with the Town General Administration account for 1983 and the 1983-84 School Budget which the Town must consider and act on. As required, the Board of Selectmen will provide justification for each of the Town ARTICLES.

All of the School Committee educational functions, responsibilities and monies requested in the proposed 1983-84 School Budget and other educational items will be justified by the School Committee and will be considered and acted on by the Town as Articles 10 through Article 12.

Only RESIDENT REGISTERED LEGAL voters are authorized to participate and vote in all Town elections and Regular or Special Town Meetings as required by State and Federal voting laws. The Town Meeting will commence at two-thirty p.m. at the Bremen Grade School on nineteen March, 1983.

ART. 3. To act on the 1982 Annual Town Report of the Town Officers.

ART. 4. To see if the Town will vote to authorize the Selectmen to appoint or act as Road Commissioners.

ART. 5. To see if the Town will vote to authorize the Selectmen to appoint a Budget Committee of nine (9) members, preferably three (3) from each area of Town. Each Selectman will be responsible for appointing three (3) members and they will advise the Selectmen on financial matters as well as move money articles.

ART. 6. To see if the Town will vote to authorize the Selectmen to appoint all other Town Officers not elected by ballot at the Annual Town Meeting.

ART. 7. To see if the Town will vote to instruct the Tax Collector to charge and collect interest of fifteen percent (15%) per annum to be retroactive to Sept. 1, 1983 on all taxes uncollected as of October 15, 1983.

ART. 8. To see if the Town will vote to authorize the Selectmen to sell any property which the Town owns by virtue of Tax Deeds or Liens and to execute and deliver on behalf of the Town by quit-claim deed as may be necessary to transfer rights, title and interest of the Town.

ART. 9. A. To see what sum of money the Town will vote to appropriate for Town Officers from Federal Revenue Sharing:

Recommended by Budget Committee:	
First Selectman, Assessor and Overseer of Poor	$1550
Second Selectman, Assessor and Overseer of Poor	1200
Third Selectman, Assessor and Overseer of Poor	1200
Tax Collector	2650
Treasurer	770
Town Clerk	600
Fire Chief	450
Registrar of Voters	200
Health Officer	80
Ballot Clerks (4 clerks/day x $40/clerk x 3 days)	480
Moderators (Annual Town Meeting-$50.00 & Special-$30.00)	80
Chief Constable	40
Dog Constable	100
Total Appropriated	$9400

Vote: Yes-7, No-0, Absent-2

B. To see what sum of money the Town will vote to appropriate from excise tax money for the Excise Tax Collector:

Recommended by Budget Committee:
$.75/item x # of items Estimate: $400.00
Vote: YES-7, NO-0, ABSENT-2

Bremen Elementary, Secondary and Adult Education
Articles 10 through 12

ART. 10. To see what sum of money the Town will vote to appropriate from surplus to be added to the existing sinking fund for school bus replacement. Money shall be put in a high interest bearing account or certificates within 30 days of authorization.

Budget Committee Recommends $5,000.00
Vote: YES-7, NO-0, ABSENT-1, ABSTAIN-1
Selectmen Recommend Approval
School Committee Recommends Approval

ART. 11. To see what sum of money the Town will vote to raise and appropriate for School Union 74 Adult Community education for the ensuing year. Town will only pay for courses leading to a high school equivalency diploma.

School Committee Recommends $1.00

ART. 12. To see what sum of money the Town will vote to appropriate from unexpended school account balances, state local subsidy and other revenue and raise from local taxes for school operations and education for the school fiscal year from July 1, 1983 to June 30, 1984 and to authorize the School Committee to spend these funds:

School Committee Recommends total of	$240,240.00
From Previous Year Balance	4,196.00
From Anticipated June 30, 1983 Balance	25,012.00
From Estimated State Local Subsidy	13,440.00
From Worker's Compensation Rebate	126.00
Sub-Total	42,774
To be Raised from Local Taxes	197,466
Total	240,240.00
Budget Committee Recommends Total of	$240,000.00
Vote: YES-6, NO-0, ABSENT-2, ABSTAIN-1	
Selectmen Recommend Total of	$240,000.00

ART. 13. To see what sum of money the Town will vote to raise and appropriate and use from surplus, and to authorize the Selectmen to contract for equipment and services for snow removal, sanding and the purchase of necessary labor and materials, including:

Recommended by Budget Committee:

A. Hiring contractor and equipment for snow removal and sanding. Raise and appropriate	$23,000.00
B. Purchase sand and salt. Use from surplus	4,500.00
Total	$27,500.00

Vote: YES-7, NO-0, ABSENT-2

ART. 14. To see what sum of money the Town will vote to raise and appropriate, use from surplus and appropriate from Federal Revenue Sharing funds for highway related use for reconstruction, preparation, hot-topping, patching, ditching and brush cutting:

Recommended by Budget Committee:

Appropriate from Excise Taxes	$20,300.00
Appropriate from State Road Reimbursement	17,700.00
Appropriate from Federal Revenue Sharing	2,000.00
Total	$40,000.00

Vote: YES-7, NO-0, ABSENT-2

ART. 15. To see what sum of money the Town will vote to raise and appropriate for various miscellaneous expenses, including:

Recommended by Budget Committee:

A. Tax Anticipation Loan Interest	$ 3,250.00
B. Workmen's Compensation Insurance	1,500.00
C. Liability, Personal, Fire, Buildings and Equipment Insurance	2,000.00
D. Street Lights	2,000.00
E. Printing Town Reports	2,000.00
F. Other various, miscellaneous Town Officer's supplies, postage and operating costs	2,400.00
Total	$13,150.00

Vote: YES-7, NO-0, ABSENT-2

Art. 16. To see what sum of money the Town will vote to appropriate from surplus for the Bremen Volunteer Fire Department for various items including:

Recommended by Budget Committee:

A. Maintenance, heat, light, telephone and operating expenses.	4,000.00
B. Capital outlay	200.00
C. Purchase new equipment	—0—
D. Fireman/fire fighting reimbursement	500.00
Total	$4,700.00

Vote: YES-7, NO-0, ABSENT-2

ART. 17. To see what sum of money the Town will vote to appropriate from surplus for payment to the Town of Damariscotta for Bremen's share of the operating expenses from cooperative use of the Damariscotta dump as a landfill site.

Recommended by Budget Committee:

Total $13,000.00

Vote: YES-7, NO-0, ABSENT-2

ART. 18. To see what sum of money the Town will vote to raise and appropriate to hire a State approved auditor to conduct a Town audit for Town fiscal year 1982:

Recommended by Budget Committee:

Total $2,000.00

Vote: YES-6, NO-0, ABSENT-2, ABSTAIN-1

ART. 19. To see what sum of money the Town will vote to raise and appropriate to hire a non-resident, State approved, Assessor and a mapping company for the purpose of conducting the annual reassessment of Town properties, recording property transfers and changes in property boundaries, updating property valuation and recording all revised data on the Town assessment cards and Town property maps.

Recommended by Budget Committee:

Total $1,400.00

Vote: YES-6, NO-1, ABSENT-2

ART. 20. To see what sum of money the Town will vote to raise and appropriate to comply with State General Assistance Law, emergency assistance and support of the poor.

Recommended by Budget Committee:

Total $300.00

Vote: YES-7, NO-0, ABSENT-2

ART. 21. To see what sum of money the Town will vote to raise and appropriate to make necessary repairs to Town floats and gangways and to haul and install them at the Town Medomak Landing.

Recommended by Budget Committee:
Total $800.00
Vote: YES-7, NO-0, ABSENT-2

ART. 22. To see what sum of money the Town will vote to raise and appropriate for operation, maintenance, and preservation of the Bremen Town House.

Recommended by Budget Committee: $2,500.00
Vote: YES-7, NO-0, ABSENT-2

ART. 23. To see what sum of money the Town will vote to raise and appropriate for the support of the Bremen Library.

Recommended by Budget Committee: $500.00
Vote: YES-7, NO-0, ABSENT-2

ART. 24. To see what sum of money the Town will vote to raise and appropriate for care of the Bremen Long Island Cemeteries.

Recommended by Budget Committee: $100.00
Vote: YES-7, NO-0, ABSENT-2

ART. 25. To see what sum of money the Town will vote to raise and appropriate for the Central Lincoln County Ambulance Service.

Recommended by Budget Committee: $875.00
Vote: YES-6, NO-0, ABSENT-3

ART. 26. To see what sum of money the Town will vote to raise and appropriate for support of the Waldoboro Ambulance Service.

Recommended by Budget Committee: $250.00
Vote: YES-7, NO-0, ABSENT-2

ART. 27. To see what sum of money the Town will vote to raise and appropriate for the Miles Memorial Hospital.

Recommended by Budget Committee: $300.00
Vote: YES-7, NO-0, ABSENT-2

ART. 28. To see what sum of money the Town will vote to raise and appropriate for the observance of Memorial Day, the same to be expended by the Charles Lilly Post, American Legion.

Recommended by Budget Committee: $50.00
Vote: YES-7, NO-0, ABSENT-2

ART. 29. To see what sum of money the Town will vote to raise and appropriate for Elder Serv. Inc.

No Recommendation by Budget Committee: —0—

Vote: YES-7, NO-0, ABSENT-2

ART. 30. To see what sum of money the Town will vote to raise and appropriate for the Bath-Brunswick Mental Health Association.

Recommended by Budget Committee: $200.00

Vote: YES-7, NO-0, ABSENT-2

ART. 31. To see what sum of money the Town will vote to raise and appropriate for the Jessie Albert Dental Clinic for low income families.

Recommended by Budget Committee: $100.00

Vote: YES-7, NO-0, ABSENT-2

ART. 32. To see what sum of money the Town will vote to raise and appropriate for support of the Kno-Wal-Lin Community Health Services.

Recommended by Budget Committee: $350.00

Vote: YES-7, NO-0, ABSENT-2

ART. 33. To see what sum of money the Town of Bremen will vote to raise and appropriate for the Coastal Economic Development Corporation (C.E.D.) to provide services for low-income people.

Requested $363.00

No Budget Committee Recommendation

ART. 34. To see if the Town will vote to raise and appropriate monies allowing the Selectmen to effect a property exchange involving Town/School land and land of a Mr. Donald Hall. This exchange to be mutually beneficial to both parties as per agreement on a revised boundary line, using latest survey drawn on Jan. 22, 1981 as reference. Only monies involved will be for necessary items as permanent markers, transit-compass lines, legal fees including deeds; all expenses to be shared equally by both parties concerned. It is to be understood that no Board of Selectmen will effect this transfer, unless by will of the Town, until Mr. Donald Hall formerly in writing rescinds all past, present, and future claims against the Town pertinent to boundary lines and any alleged damages sustained to his land by the Town. Footage involved: approx. Town relinquishes 2,943 square feet; Donald Hall relinquishes 5060 square feet.

Recommended by Budget Committee $200.00

ART. 35. To see if the Town will vote to authorize the Planning Board to charge two dollars ($2.00) for building permits granted, on or after May 1, 1983. The fee payable to the Town of Bremen.

Vote: YES-4, NO-3, ABSENT-2

Budget Committee Recommends Disapproval

ART. 36. To see if the Town will revise its Boat Tax Schedule to include the three classes of transportation, business and pleasure.

ART. 37. To see if the Town will authorize the Selectmen to apply, on behalf of the Town for 50% matching Federal Financial Assistance under the provisions of the Land and Water Conservation Act, Public Law 88-578, for the development of the Bremen boat ramp; and further to authorize the Selectmen to enter into the Land and Water Conservation Fund and Boating Facilities Fund Project Agreement with the State subsequent to Federal approval of the project; and, to see what sum of money the Town will authorize the Selectmen to spend from surplus for construction of the Bremen boat ramp.

Recommendation (50% Town share) $10,000.00

The Registrar of Voters gives notice that persons wishing to register may do so at the Bremen Grade School and place of Annual Town Meeting on Saturday, March 19, and that the Registrar will be available from 10:00 a.m. to 2:00 p.m.

Given under our hands at Bremen, the 24th day of February, 1983.

Cover Story

Melvin Simmons' Store

At the turn of this century Melly Simmons' Store was a familiar landmark on Bremen Long Island. It was located almost diagonially across from the present day Medomak Town Landing and was owned and operated by Melvin "Melly" Simmons and his wife Lottie, who were both native born island residents. (Melvin was one of three children born to Melvin and DeLora Prior Simmons. Lottie's parents were Eugene and Martha Carter McLain.) Melly's store started out as a small building about the size of a present day one car garage. As the business grew this store was abandoned and a new and larger one was constructed on a wharf out over the water, making it accessible to both the island residents and the steamer type ferries that plied the coastal waters from Portland to Camden.

Supplies were sometimes delivered by freighter but often enough Melly had to take his sloop "Stanley" and sail to the town landing in Waldoboro to pick up supplies from John Gay's Store. Everything imaginable was sold in the little island store from groceries, dry goods, and hip boots to penny candy for the children.

Peddlers often came and would set up their displays in the store for a day or two at a time, taking orders for their next trip for items that could not be purchased from Melly's.

The store was a busy place where the islanders could come to buy groceries as well as talk over the events of the day. In the evenings the menfolks often would sit around the potbellied stove playing cards and talking about building boats, fishing and farming. Many a boat was "designed, built and launched" during long winter evenings at Melly's Store. It is remembered as a friendly place that should stir the memories of some of Bremen's older residents who lived on the island during those years.

The upstairs portion of the store was often used for suppers. . .those varied with the seasons: sometimes it was a baked bean supper with plenty of hot rolls, coffee and pies; at other times it would be a clam chowder supper or even a "pot luck" where the families would bring whatever they had and everyone got their choice.

By the mid 1920's families started leaving the island for larger towns and cities. With the population getting smaller and smaller the need for a small store was gone, so the building was sold to Melly's

brother Emerson, who had it moved to Hatchet Cove in Friendship. It was converted into a home for Emerson's family and can be easily recognized today from the cover photo on this year's Town Report book that shows the store as it appeared on February 25, 1918.

ACKNOWLEDGEMENT

Information for this article was furnished from talks with Melly Simmons' children; Mrs. Mildred Simmons Reed, Mrs. Eula Simmons, Aho and Mr. Melvin Simmons, all of Friendship and from Mrs. Nettie Winchenbach of West Waldoboro, who is a sister of Melly's wife Lottie. Without their help this interesting chapter in Bremen's history could not have been recorded.

Dedication

This year's Town Report is dedicated to Carl and Freda Hilton for their many years of service to the Town of Bremen.

Boutilier Photo

Many names of prominent area families can be traced back to humble beginnings in Bremen. None can claim a name more actively associated with the town and its doings than the Hiltons.

Hiltons were pre-colonial settlers reported to have temporarily settled in Muscongus while biding the time when Indians would permit them to build permanent homes on land in Broad Cove to which they held title. In 1799, a Hilton built the old homestead now occupied by Carl and Frederica Hilton.

Early records are scattered and incomplete and possibly the competition for leadership was keener. However, I have found that in 1866, a William K. Hilton was a 1/16th investor in a 67-foot coasting schooner, the William Keene. If it did take the Hilton breed a little longer to get rolling in the top echelons, once among the leaders, they have established a record for longevity unequaled by none.

Carl's uncle, George W. Hilton, first appears as a second selectman in 1890, and again in 1892, 1902, and 1903. Carl's father, Willis, accepted the gauntlet in 1906 as third selectman serving through 1908. Willis served as first selectman 1909-12 and as second selectman, 1916-18. These selectman duties did not prevent Willis from taking a more or less permanent occupany of the town clerk's job in 1913, a position he did not relinquish until 1955.

In some of this time, Willis wore two hats as he also served as first selectman in 1919-20, in 1925-29, and 1931-32. In summary Willis L. Hilton served 19 years as a selectman and a total of 42 years as town clerk. In 1967 at age 97, Willis L. Hilton died.

Part of his legacy was his preparedness of "our Freda" to take over the position. For nine years, Freda had served as his deputy. Since 1956, a 29-year period, Freda has clerked the town meetings and served Bremen citizenry from the "Homestead" office.

In this same period, the "Homestead" office has done double duty as Carl carried out the responsibilities of treasurer and tax collector. This long period of loyal and reliable service has been the "icing on the cake", so to speak. In 1937, Carl became third selectman, In 1942, after a brief interlude, Carl won the coveted first selectman post which he held through 1957. Like his father before him, Carl also wore two hats. In 1956 and 1957, Carl served as first selectman while simultaneously filling the positions of treasurer and tax collector. (In reality, treasurer and collector are two positions but Bremen tradition has treated them as one).

Double duty was not new to Carl. From 1952 to 1955, while Carl was Bremen's first selectman, he also represented the district in the legislature as state representative.

This is the statistical measurement of the longevity of Carl and Frederica Hilton. Years of service carry with them memories of graciousness and willingness. Any Bremen citizen of any duration can recall incidents of Hilton service.

Town offices involve town politics and annual elections. The Hiltons always have not agreed with everyone; everyone always has not agreed with the Hiltons. Most will concede that Hilton suggestions and advice born of experience have benefitted the town.

At meetings, Carl has been known to fight hard for his beliefs of what is best for the community. Sometimes, the debate has become heated although Carl may have mellowed in very recent years. The Hilton's overall success is due, in some part, to the fact neither Carl nor Freda nurture grudges from yesteryear. They have remained loyal and dependable loyal and dependable supporters of Brmen and its future. Their successes have been prolonged by the fact each has nurtured a degree of flexibility of purpose and a talent for adapting to the changing times. At any rate, they have been doing a great deal correctly in order to compile a record of longevity in elective offices unequaled by any others in Lincoln County and possibly beyond its limits.

Selectmen's Report

1983 was a busy year. . .a time of learning the ins and outs of town government for the two new members of the board.

Approximately 110 area residences were visited during April with Mr. Richard Parker, our state approved assessor. This was followed by several more days of work in the office updating the property valuation cards with the information gathered. All remaining property cards and index cards were reviewed and brought up to date at this time. Updating of the Town Tax maps was done by a representative of the Sewell Co. based on proerty transfers recorded from April 1, 1982 to March 31, 1983. Any improvements or additons or removing of existing structures should be reported to the assessors. Any changes within the Shoreland Zoning area (within 250 feet of salt or fresh water) must have written approval of the Planning Board.

No applications for Tree Growth Tax Exemption were received this year. Anyone wishing to apply needs to file the completed application before April 1st of the tax year.

Watercraft were taxed again this year as directed by the State Bureau of Taxation. It is hoped that the state will eventually have charge of this "problem" through an Excise Tax.

Due to overcrowding at the school, the Selectmen's office was used several times during the past year for testing and conferences. We feel that it would be wise to seriously consider another location for the Selectmen's office, giving the school the full use of the building. Concern was expressed at a meeting of Selectmen and School Board, that increased use of the office during the school hours was disruptive to the students and teachers. Their concern is well founded and it was agreed that no public meetings would be held until after 3 p.m. Another suggestion was for cars to park at the library during school hours to avoid any traffic hazards to students. During October Mrs. Koubek's 3rd and 4th grade Social Studies class visited the Selectmen's office to learn about Town government.

A new Forest Fire Suppression Tax went into effect during 1983. Although a newly enacted state tax, the burden of the work fell on the Selectmen's shoulders. This new tax was aimed at owners of 100 acres or more of protected forested lands.

Road work done in 1983 was as follows: the last half mile of the Folger Road was resurfaced. This completes the resurfacing project for this road within the bounds of Bremen.

Resurfacing on Medomak Road was as follows: one-tenth mile between the Lemieux and Call residences; from near the John Snow residence to where the main road ends at entrance to Lusty Lobster: and some 600 feet on the Town Landing Road, which completes that road's resurfacing project.

Gravel and grading was done on the Heath Road and on the Shore Road below Periwinkle Lane turnoff to just beyond the Mariani residence; same was done on the Rial Herald Road where badly needed.

Bush cutting was done on the Shore Road, Rial Herald Road and on the Town's "right of way" on Bremen Long Island.

During heavy rains in November and December we were kept busy with washouts and at times some roads were closed to traffic. Heavy repair cost on the Rial Herald Road is due to erosion caused by logging operations.

During a recent search of an old cupboard in the Selectmen's office several old documents of historical value were found, including the entire handritten warrant for the Town Meeting, a call for the Presidential election and the election of Governor and a Senator and a Representative for the year 1868. These documents are reproduced in this year's Town Report book as a collection of our town's past history.

Selectmen's meetings are held at 7 p.m. every other Friday evening at the Bremen Grade School and are open to the public. Please feel welcome to attend.

We thank you for your support during the past year and have enjoyed serving you.

Respectfully submitted,
SARAH KALER
CAPT. A.D. HALL
DAVID TEELE
Bremen Board of Selectmen, Assessors
and Overseers of the Poor

Selectmen's Financial Summary

1983 Selectmen's Financial Summary by Account and Article

Notice to Taxpayers

Assessing Standards

Minimum assessing standards are now required under L.D. 1994.

a. A maximum assessment ratio by 1978, 70% by 1979 and thereafter.

b. A maximum rating of assessment quality of 30 by 1978, 20 by 1979.

c. Assessors will conduct annual sales ratio studies.

d. Physical inspection of inventory of each real parcel and personal property will take place at least every four years.

Assessors' Notice

In accordance with Title 36, Section 706 M.R.S.A. 1964, the assessors of the Town of Bremen hereby give notice to all persons liable by taxation in said town, that they will be in session at the TOWN OFFICE BUILDING in said town on MONDAY, APRIL 2, 1984, between the hours of 9 a.m. to 3 p.m. for the purpose of revising the list of estates taxable in said towns.

Resident Owners and Non-Resident Owners

All inhabitants of the town of Bremen, Maine, and all administrators, executors, trustees, etc. of all estates taxable in said Municipality of such persons are hereby notified to MAKE AND BRING IN TO THE ASSESSORS, TRUE AND PERFECT LISTS OF ALL THEIR ESTATES, REAL AND PERSONAL, NOT BY LAW EXEMPT FROM TAXATION, of which they were possessed on the FIRST of APRIL 1984, and be prepared to make oath to the truth of the same and to answer all proper inquiries in writing as to nature, situation and the value of their property liable to be taxed.

When estates of persons deceased have been distributed during the year, or have changed hands from any cause, the executor, administrator, or other persons interested, are hereby warned to give notice of such change, and in default of such notice will be held under law to pay the tax assessed although such estate has been wholly distributed and paid over.

Any resident owner who neglects to comply with this notice is hereby barred of his rights to make application to the Assessors or Lincoln County Commissioners for any abatement of his taxes, unless he offers such list with this application and satisfies them that he was unable to offer it at the time appointed.

While the above statutes specifically mentions Resident Owners, it applies to Non-Resident Owners as well, and we respectfully call their attention to the matter and request their cooperation.

A TEAROUT PAGE IS INCLUDED IN THE BOOK FOR YOUR CONVENIENCE IN FILING THIS LIST WITH THE ASSESSORS.

Also, everyone is reminded to fill out and submit their taxable property list to the assessors, especially the new section on **Watercraft and Personal Property.** Separate tax bills will be issued for Watercraft and Personal Property for 1984.

Veterans' Exemptions

The veteran's exemption of World War I is $6,000 and World War II is $4,000 for deduction from the Just Valuation.

Veteran's General Requirements of Exemptions

A veteran, veteran's widow, or the widowed mother of a deceased veteran wishing to make application for exemption from taxation must file the prescribed form with the assessors on or before April 1, 1984. (Such notification once made need not be repeated in subsequent years.)

1. Veteran must be a legal resident of Bremen;
2. Must have reached the age of 62 years; or
3. Is receiving a pension or compensation from the United States Government for total disability, either service or non-service connected, as a veteran;
4. The widow of a qualified veteran must be unremarried.

Blindness Exemption

Persons determined by the State Department of Health and Welfare to be LEGALLY BLIND are also entitled to an exemption on residential real estate (Chapter 261, P.l. 1973, effective in 1974).

An exemption of $4,000.00 may be approved by the Assessors.

Tree Growth Exemption

As described in current state law at current State Tree Growth rates for hardwood, mixed wood and soft wood.

Agriculture Exemption

As described in current State law.

Overlay	16,548.80

Town Valuation was $19,826,901.00.

State Valuation was $24,000,000.00.

The 1983 mill rate was set at .01475 or $14.75/$1,000 of assessed value.

Exemption requests for Tree Growth, Veterans, Agriculture and Blindness should be submitted prior to April 1, 1984 for consideration on this year's tax assessments.

The value for Veterans Exemptions is $4,000.00 for World War II and $6,000.00 for World War I.

The Blindness Exemption value is $4,000.00.

The Agriculture Exemption value is $4,260.00.

Tax Exempt Properties include Bremen Grade School, Bremen Library, Bremen Town House, Bremen Town Landing, Bremen Union Church, Bremen Volunteer Fire Department and the Muscongus Community Club, for a total value of $217,970.00.

Several large abatements for 1983 reflect court judgments from prior years. Others were to correct mapping errors or addition/subtraction errors carried over several years.

The personal property tax (Boat Tax) is no longer in effect. As of March 1st, 1984, the Personal Property Tax was replaced with an Excise Tax by the State Legislature.

List of Taxpayers

Legend

Veterans-* Tree-Growth-# Agriculture-† Blindness-‡

Notes: (1) Taxpayers who qualify for the authorized exemptions are specified in the Town Report by the symbols shown.

County Courthouse as of April 1, 1983. This list should include all changes made between April 1, 1982 and April 1, 1983. Any property sales, property transfers, changes in names of property owners, etc. which occured after April 1, 1983, will be made to the Town tax records, taxpayers' list and tax maps when the Selectmen/Assessors complete the 1984 assessments and map changes. This will include all changes made between April 1, 1983 and April 1, 1984.

ELECTIONS HELD

Annual Town Meeting March 19, 1983, Bremen Grade School
Special Election State of Maine November 8, 1983

Respectfully submitted
FREDERICA S. HILTON
Town Clerk of Bremen, Maine

Joint Report of the Bremen School Committee and the Administration

We would like to inform you of some of the accomplishments and issues that concern the Bremen Grade School this year.

The computer has been in demand much more than was expected. All classroom teachers have used the computer to enrich the educational process. In the upper grades the focus has been on improving writing using a word processing program. Time on task has been increased due to the interest in computers. Use encourages proofreading and revisions because changes are easy to make without messy erasures. Ease in correcting allows more time to be spent on the content of written work. By the end of the school year all students in the upper grades should have had the opportunity to write at least one story on the computer. The younger students are using programs designed to assist instruction. Several teachers have taken courses and written special programs for class use. The computer club is writing a program that translates English words into French. The program will list all words in the dictionary, give a translation of a specific word, and allow the user to add words to its dictionary. The club's members are available to assist classroom teachers in the operation of the machine.

An Olympics of the Mind program has been started this year. The program focuses on improving problem solving abilities of the interested students. There are small problems for the weekly meetings and a problem of larger scope for competition with other groups throughout the state. Good luck to the participants.

An instrumental music program has been voluntarily started this year to determine whether there is interest enough to develop a program. If the interest and number of students are there, the School Committee would seriously consider making the instrumental music program part of the school's program. Such a program would open the doors for students to be more involved in high school music activities.

The after school sports program including soccer, basketball, and baseball involves a majority of the students in grades six through eight. Pee Wee Basketball is available to those in grades three through six.

Curriculum work is continuing on a local level as well as a Union

#74 level. Objectives are being reviewed and rewritten. Tests are being developed to test the mastery of the skills outlined in the objectives. We are methodically working through various areas which will result in a curriculum that better reflects the needs of the students.

This year has shown an increased interest in the curriculum and methods of instruction. Meetings and conferences have been held to better inform people of the techniques and procedures involved with instruction. It has given the staff an opportunity to hear the concerns of parents. A retention and promotion policy is being developed with the help of interested people. Through continuing dialogue we as educators and parents can better work towards the common goal of improved learning for all students.

Last year we reported to you our concerns about the lack of space. The problem still exists. Programs for special students need adequate instructional space. Nearly every square inch of the basement is in use. The development of adequate instructional space or tuitioning our upper grades to gain an extra classroom is still high on our priority list.

Shortly we will explore at a public meeting public sentiment to determine which course of action the town desires.

We want to thank all of the supportive parents who volunteer and provide assistance to our school. The support is most appreciated.

The Bremen School Committee meets the fourth Monday of the month at 7:15 p.m. and welcomes your attendance.

Assessors' Notice

In accordance with M.R.S.A. Title 36, Sec. 706, the Assessors of the Town of Bremen hereby give notice to all persons liable to any taxation in said municipality, that all property owners of the Town of Bremen, Me., and all administrators, executors, trustees, etc., of all estates taxable in said town of such persons are hereby notified to make and bring or send into the Assessors true and perfect lists of all their estates, real and personal, not by law exempt from taxation, of which they were possessed on the first day of April, 1984, and be prepared to make oath to the truth of the same and answer all proper inquiries in writing as to the nature, situation and value of their property liable to be taxed. Said lists may be mailed if the property owner finds it inconvenient to appear before the board, postmarked not later than April 2, 1984.

When estates of persons deceased have been distributed during the past year, or have changed hands from any cause, the executor, administrator or other persons interested, are hereby warned to give notice of such change, and in default of such notice will be held under the law to pay the tax assessed although such estate has been wholly distributed and paid over.

Any person who neglects to comply with this notice is thereby barred of his right to make application to the Assessors or the County Commissioners for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed.

Assessors of Town of Bremen,
Maine

Notice

Assessors will be in session Monday, April 2, 1984 from 9:00 a.m. to 3 p.m.

LIST OF ESTATES NOT EXEMPT FROM TAXATION

Filed Pursuant to Title 36, M.R.S.A., Section 706

To the Assessors of the Town of Bremen:

1. I am a Legal Resident of (Town) (State)
 or Non-Resident
 (Cross out one)

2. Structures or land **not** owned by you:

List property owned by you on April 1, which is located on leased land or land **not** owned by you, including dwelling houses, house trailers, camps, stores, storehouses or any other structures. Identify landowner and location in each case.

Location (St. and Number, or Map and Lot number)	Owner of Land	Type of Structure
a.		
b.		
c.		
d.		

(If additional space is required, use and attach blank sheet.)

3. Real Estate:

List briefly each separate parcel subject to taxation on April 1 of the year for which this list is filed, and located in the town in which this return is filed:

Location (St. & Number or Map and Lot number)	Area of Land (Lot dimensions in ft.; or acres)	Buildings or Structures (Dwelling, barn, shed, store, garage, pier, dock, etc.)
a.		
b.		

c.

d.

(If additional space is required, use and attach blank sheet.)

4. Have any of the buildings listed been newly constructed, altered, destroyed or removed since the previous April 1:

Yes ☐ No ☐

If so, identify building and give brief description of construction or alteration and Map and Lot number of property.

.....

5. Do you now receive a real estate tax exemption?

Yes ☐ No ☐

6. If Yes, what types?

Tree Growth ☐ Blindness ☐ Veterans ☐ Open Space ☐

7. Are you applying for an Exemption?

Yes ☐ No ☐

8. If Yes, what type?

Tree Growth ☐ Blindness ☐ Veterans ☐ Open Space ☐

9. Is your land subject to any enforceable restrictions which limit the use to which it may be put, or which requires an approved permit?

Yes ☐ No ☐

If "Yes", please indicate the nature of the restriction:
(Check the appropriate block or blocks.)

Shoreland Zoning ordinance ☐
Subdivision restrictions ☐
Recorded contractual provisions ☐
Right of Way ☐

(Other - Please describe below.) ☐

(Over)

Title 7 M.R.S.A. Sec. 3451

Each owner or keeper of a dog six months or over . . . shall, on or before January first annually, or at such time as such dog becomes six months old, cause such dog to be licensed in the municipal clerk's office in the town where such dog is kept.

10. Do you own any dogs? Yes ☐ No ☐

Number ☐ Male ☐ Female ☐ Spayed ☐

11. Watercraft

A. Do you own a boat? Yes ____ No ____

Make _____ Model _____ Year _____

Serial No. _____ Name of Boat _____

Where Located _____

Boat No. _____ Type: (circle one) Sail, outboard, Out/Inboard, Inboard, Other - List. Workboat ☐ or Pleasure ☐

Construction (circle one) Wood Aluminum Glass Other

Outboard Manufacturer _____ Year _____ H.P. _____

Your estimate of Value of motor $ _____

boat value $ _____ Total Value $ _____

The foregoing is submitted in compliance with Title 36, M.R.S.A., Section 706, and is true and correct to the best of my belief as of April 1 of the current year.

I understand that the assessors (or any of them) may require me to make oath of the foregoing; and that any of them may require me to answer in writing all proper inquiries as to the nature, situation and value of any property liable to be taxed in the State of Maine and that a refusal or neglect to answer such further inquiries and subscribe the same will bar an appeal to the County Commissioners.

1984-85 Budget Explanation

The proposed 1984-85 School Budget is in the amount of $257,904.00 as compared to last year's request of $240,000.00, or an increase of $17,904.00. This represents a 7.46% increase.

The School Committee has worked long and hard on the proposed budget as well as meeting with the Budget Committee and Selectmen.

Instructional Salaries & Fixed Costs: This portion of the School Budget represents 26.28% of the total budget. The increase of approximately $10,000.00 is due to teachers' salaries and the establishment of a teacher associate. Health insurance has increased by approximately 20%.

Instructional Supplies & Materials: This portion of the School Budget represents only 3.95% of the total budget. The request is $1,703.00 less than the 1983-84 School Budget.

Secondary: This portion of the School Budget represents 20.85% of the School Budget. Due to enrollment decline, the request is $4,515.00 less than the amount requested in the 1983-84 School Budget.

Special Education: This portion of the School Budget represents 19.31% of the total budget and is always difficult to forecast. The increase of nearly $10,000.00 is due to special education placement. We have reduced the transportation costs. Five hundred dollars has been budgeted for the use of outside consultants.

Student Body Activities: This portion of the School Budget represents .77% of the total budget. The increase of $735.00 is almost totally due to coaches' salaries. We strongly feel that the after school program for students is well worth the investment we make in our children.

Health: This portion of the School Budget represents just .05% of the total budget and remains at nearly last year's level.

School Board & Administration: This portion of the School Budget represents 4.64% of the total budget. The increase of $1,826.00 is due to (1) the transfer of $353.00 of Staff Development funds to the Union #74 Budget. The remaining increases are due to salary increases, increase of rent, health insurance, and machine repair. Raises in the Superintendent's Office generally ranged from 5% to 7%.

Office of the Principal: This portion of the School Budget represents 11.68% of the total budget. The increase of $2,126.00 is due to (1) salary increases, (2) health insurance, (3) social security rate change, (4) equipment maintenance, and (5) dues for the elementary principal.

Operation of Building: This portion of the School Budget represents 7.55% of the total budget. The total request is $1,466.00 less than last year.

Transportation: This portion of the School Budget represents 4.87% of the total budget. The request is up by approximately $1,000.00. Primary factors for the increases are (1) salary, (2) field trips, and (3) tires.

In a separate article we are asking the voters to approve an expenditure of $3,500.00 to build more moveable partitions in the basement so that the school may improve its instructional space.

ADULT EDUCATION

The Adult Education Council is a group of volunteers who have been appointed by their respective school boards to represent their town's interests in regards to adult and community education.

The current renewal of the Adult Education Council has seen the last year and a half spent formulating bylaws which were accepted by the Union School Board in the December meeting.

Meeting at least monthly, the year around, these people also meet with local school boards and budget committees as needed. They also attend state and local meetings regarding adult education.

The Adult Education Council has spent considerable time over the past year reviewing state regulations, reviewing past years, considering changes in the field of adult education, and assessing local community needs.

The program offered by adult education has two dimensions. One part of the program offers continuing education classes in life skills and crafts. The second portion of the program offers the opportunity for adults to complete their high school education.

Each year approximately 240 people take one or more of the approximately 20 continuing education courses offered. Also, each year approximately 20 students of all ages take one or more academic classes for credit toward a high school diploma.

Each year diplomas are granted to persons who have completed their work. This program is also available to Lincoln Academy day students who have special permission to take courses to allow them to graduate with their classes.

The field of adult education is evolving all across the nation with special emphasis being placed on remedial high school programs. Great concern is being expressed in Maine over the federal report that our state "has slipped from 18th to 34th place in the percentage of 9th grade students who go on to graduate."

Town funds are requested on the basis of population. Presently town funds account for approximately 27% of the annual budget and are subject to a 50% to 75% state reimbursement. Student fees cover about 13% of the annual budget, with students in continuing education courses responsible for providing their own materials. There is no fee charged, or charge for books, in courses taken for diploma credit.

The state reimbursement is based on the previous year's payments and generally covers about 60% of the annual budget. The total year's budget is presently about $9,000.00. The state reimbursement has shown an increase over the past two years. Last year saw a 27% increase in town funding with hopes that this year will represent 100% participation.

It should also be noted that students enrolled in diploma programs qualify for partial state subsidies to the age of 20 with these funds going directly to the respective towns. The current formula is one/tenth for each course taken.

	Adult Education Council:

Health Officer's Report

Communicable diseases reported last year were as follows: none.

Two faulty septic systems were reported and the problems were taken care of.

Several cases of chicken pox and measles have been reported in nearby towns. If your children have not had these diseases, they should have innoculations against them.

Respectfully submitted,
BESSIE COLLAMORE
Health Officer

Report of the Plumbing Inspector and Code Enforcement Officer

Permits issued:

8 to install new septic systems
8 to replace all or part of system
6 to install fixtures

Fees remitted to town	$744
Received from town for inspections and code enforcement	$608

Respectfully submitted,
MALCOLM LITTLE, LPI-CEO

Report of the Planning Board

The Bremen Planning Board held 10 meetings in 1983. The Board meets on the 3rd Monday of each month (weather permitting) at 7:30 p.m. in the Town Office. All meetings are open to the public.

Eight permits to build structures — ranging from a new foundation, or deck, to a complete house — were granted. Four of these property owners applied at the same time for permission to install a new or enlarged septic system, and received permits to do so. One permit was granted for the construction of a road leading to a future house site near the shore; one permit was also granted to cut timber and engage in forestry practices on land within the Shoreland zone.

At the 1983 Town Meeting voters approved the charging of a fee of $2.00 for each permit granted by the Planning Board; this will help cover minimal expenses of printing and postage.

A notice was enclosed with all Town tax bills mailed to property owners in Bremen in the summer of 1983. It reminded them of the Maine state law in regard to the Shoreland Zone and of the owner's obligation to apply to the Town Planning Board for the required permits, to comply with the law.

The nine Planning Board members welcome inquiries from landowners on any matter concerning the 250-foot Zone which by state law exists along the margins of ponds, streams, wetlands, and the sea. Sensible protection and careful management of development in the Shoreland Zone helps maintain property values, and preserves the attractiveness of Bremen.

Respectfully submitted,
ELSA V. HAUSCHKA,
Secretary, Planning Board

Bremen Volunteer Fire Department

The department answered the following calls this past year: 5 chimney fires, 1 woods fire started by lightning, 1 structure fire, 2 slash and debris fires, 7 flooded cellars, possible house fire (cause . . . excessive smoke from wood stove) which turned out to be a false alarm, and 1 serious personal injury due to a truck accident.

We issued 59 burning permits and 1 incinerator permit. Reminder: incinerator permits need to be renewed each year. This is a state law and is enforced by the Maine Forest Service who conduct periodic spot checks. To obtain a permit please call 529-5685. Burning permits are required for all outside fires except for cooking food and campfires . . . some of the islands within our town limits do still require a permit for any type of fire. Anyone wishing a burning permit may obtain one from the following: Howard Kaler (529-5685), Ralph Genthner, Jr. (529-5462) or Horace Ransom (529-5485). Permits cannot be issued over the phone but must be picked up in person as they require the signature of the person obtaining the permit.

Once again we would like to ask people to check their home smoke detectors to be sure the batteries are in working order. new detectors can still be purchased through the fire department at cost by contacting any fire department member.

The department has chimney cleaning gear that we loan to individuals to clean their own chimneys. To obtain gear please feel free to contact the department at any time . . . the only rule covering this service is that the gear be returned the same day that it is used.

Most of the Bremen Long Island residents have purchased indian tanks and dry chemical fire extinguishers for their own fire protection. We are in the process of obtaining through State Surplus a military-type tank trailer which could be used in conjunction with the two large farm tractors already on the island to haul large amounts of water.

The department made a donation so that a local sixth grade youngster could attend the "Y" camp this past summer.

In the past two years we have deposited a total of $2,000.00 in a high interest bearing account at the Bath Savings Bank. These funds were earned from the lobster stew suppers sponsored by the department in recent years. We want to thank everyone who has helped to make these suppers a success.

Under the fire department articles in the warrant, the capital outlay expenditures are for: installing dry wall in the new addition, replacing a ceiling in the old part and finishing the dry wall in the old part and replacing old wiring to meet the electrical code. The new equipment expenditure includes: 400 feet of 1½ inch forestry hose, 4 mud and snow tires w/tubes for 1¼ ton Jeep, 1 battery charger w/time clock, turn-out gear to give us 6 completed sets (helmets, coats, boots and gloves and safety gear for the truck).

In place of the lobster stew supper in August the department is considering new fund raising ideas which we hope will be as successful.

There are still plenty of phone stickers available and will be passed out again at town meeting.

We want to stress the importance of reporting a fire as early as possible. A good early notification cuts down on your fire loss and saves property as shown in the recent garage fire at John Snow's in Medomak.

We appreciate your continuing support.

Respectfully submitted,
HOWARD A. KALER, Chief

Cemetery Committee's Report

All the Cemeteries were mowed twice and the perpetual care lots were taken care of when needed.

As all the lots in the Hillside cemetery are sold, it seems that the time has come for the Town to consider some other provision to take care of its deceased.

There is an area at the top of the Hillside Cemetery given to the town by the late Malcolm Sidelinger for burial purposes.

The Cemetery Committee has explored this lot and found it with ledges and large trees all over it, and in their estimation it would be too costly to make it worthwhile for an addition to the Hillside Cemetery.

However, in the lower Weston Cemetery, which is private, there is room for sixteen to twenty lots, each 11 × 15 with three feet between them. The Committee feels that with cutting some trees and bushes and providing some fill for the lower side, it would be a worthwhile project. However, it will take some money to do this.

We have talked to the heirs of the Weston Cemetery and they are willing to give the town all their rights in a quit-claim deed with the exception of two lots saved.

We feel that this should be explored further.

Cemetery Committee
CARL W. HILTON
RALPH E. GENTHNER JR.
RUFUS TEELE SR.

Bremen Library Association

We have had a most enjoyable year here in Bremen. Our appreciation and thanks for all of our successes go to our librarian Carmen DiGregorio and her dedicated staff. Again we thank our long list of devoted volunteers for their help and support.

The library continues to be open to the public on Wednesday and Saturday afternoons from 1-4 p.m. and on Monday afternoons during July and August. Our grade school children visit the library on Wednesday and Friday mornings.

Over this past year, we have hosted the Annual Cribbage Tournament, a Cut and Pierced Lampshade Workshop, Bridge and Card Parties, a Book Fair, a Quilt Exhibit and Children's Story Hour. Again our Plant and Book Sale was held in conjunction with the PTO Bremen Day. The Blueberry Breakfast and Bake Sale, held in August, was a great success. We are indebted to all who made these events possible.

The Board of Trustees for this year is comprised of Mary Fraher, Ralph Davis, Betty Noyce, Barbara Koubek, Donald Cloudman, Olive Winter; Clarence Wilkinson, Treasurer; Mary Wilkinson, Secretary; Barbara Tappan, Vice President; and Wendy Stelzer, President. We meet at the library four times a year.

To commemorate our tenth year in our new building we have compiled a birthday cookbook. For information regarding this book contact any of the trustees or the library.

The Library Association thanks Bremen residents for their continuing support.

Respectfully submitted,
Wendy L. Stelzer
President

LIBRARIAN'S REPORT

Librarian's circulation, attendance and acquisitions report for calendar year 1983.

Adult Book Circulation	3,480
Juvenile Book Circulation	2,756
TOTAL	6,236
Adult Magazine Circulation	340
Juvenile Magazine Circulation	119
TOTAL	459
Adult Attendance	1,595
Juvenile Attendance	2,017
TOTAL	3,612

There were 276 purchased or donated volumes added to the collection of the Bremen Library in the year of 1983, which brings our total volume to 9,798.

Respectfully submitted,
Carmen DiGregorio
Librarian

Muscongus Community Club

The Muscongus Community Club enjoyed another active and happy year. We did many of the same things done in previous years. We sent a student from the Bremen Grade School to YMCA camp for a week. The Whist parties continued from May through October; potluck suppers that are enjoyed by all the members were held throughout the year; and a pair of twin blueberry pattern quilts was made and sold on chances.

A birthday party for our oldest member, Alice Webber, was held in April and in July a wedding reception was enjoyed when Mr. William Mohr, son of Celia Mohr, introduced his new bride.

The money-making project for 1983-84 began when each member was given a dollar to "make it grow." This idea was accepted enthusiastically by the club members. Almost at once, one member gave a clam chowder luncheon and her dollar grew to eighty-nine. A second member sold chances on six lobsters and there came a one hundred dollar donation. "Come Spring" the other members will fulfill their ideas for making their dollar grow.

Suddenly, when the rains came the clubhouse leaked necessitating a new roof. We were grateful for the funds in our treasury.

We look forward to another busy year in 1984.

Respectfully submitted,
CELIA W. MOHR

Bremen Patriotic Club Report

The Patriotic Club met this year from March through September. In July we held our annual Picnic-Auction at Betty Noyce's home. It was entertaining as well as rewarding.

A fair was held at the Town House in August. It featured crafts, baked goods, flea market tables, and a card party and luncheon. The profit realized from these events enabled us to give three scholarships too Bremen students and to donate to the support of the Lincoln Home.

Our club helped at Founder's Day at the Home and some of our members also helped on designated days at the Home's Thrift Shop.

This was a year of many changes in spite of our carefully planned program. It was a year, too, of loss. We were saddened by the death of three of our members, Ruth Kimball and Frances Loyd, past presidents, and Iris Gibbs, who served so ably on the ByLaws and Scholarship Committees.

Our last meeting of the year was a Christmas Coffee held at the home of Polly Hedge. A joyous meeting to which we brought gifts to be given to residents of the Lincoln Home. We look forward now, to another year of good fellowship and service to our community.

Respectfully submitted,
MARY FRAHER, President

Central Lincoln County Ambulance Service

1983 was an eventful year for the Central Lincoln County Ambulance Service. We added a day room, ambulance bay, two bathrooms and an office to our headquarters in Newcastle. We also reconditioned the old portion of the building. The project will be completed this spring with the paving of the driveways and the grading of the grounds. Due to the great generosity of 865 persons from the central Lincoln County area, I am happy to report that our expansion costs are 96% paid for. We are very grateful to the people we serve for their support this past year.

During 1983 we answered over 600 calls. This represents a 20% increase from the previous year.

With the completion of the current program, 90% of our people will be at the EMT and advanced EMT level of training. These courses are 140 and 30 hours long respectively. This reflects the high degree of dedication and professionalism of the volunteers on our service.

The first responder programs in Bristol and South Bristol are working extremely well, giving us a much quicker response to medical emergencies in these communities.

Besides answering emergency calls, we have sponsored and instructed CPR and first aid courses in our area. We have also visited our schools and scout groups to familiarize the young people with our equipment and methods. This helps to alleviate their anxiety when we have to transport them or a member of their family.

We hope to expand our public awareness and educational activities in the area in 1984.

DOUGLAS J. BALDWIN
President

Civil Emergency Preparedness

Once more we can be thankful that there were no emergencies during the year that required any kind of mobilization.

Information questionnaires were distributed at the Town Meeting last March and several were returned reporting various skills and equipment available in the community. These are on file, and it may be a good idea to distribute questionnaires again this year with the tax bills. Greater coverage can probably be attained in this way.

A test alert was held last fall, to test the CEP organization in Lincoln County in the event of a Maine Yankee failure. While Bremen is outside the ten mile area which was alerted, we did observe and become somewhat familiar with the procedures.

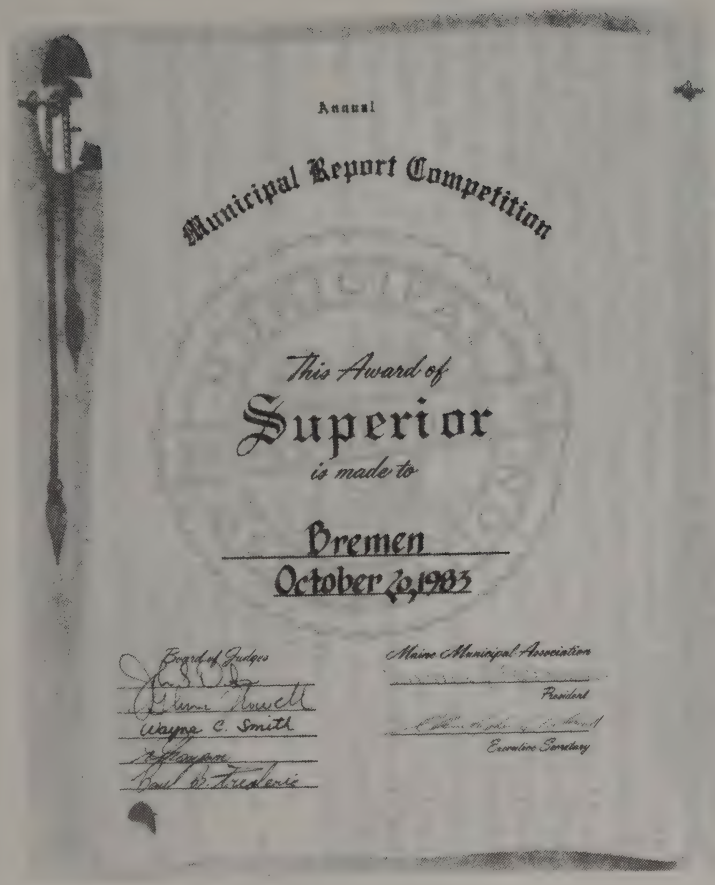

Respectfully,
Horace Ransom
CEP Director

Bremen Parent-Teacher Organization

The Bremen PTO was founded four years ago to primarily promote communication between parents and teachers. It was our intention to show support for the staff, the children and school activities. We also hoped it would be a means for channeling constructive criticism from parents to teachers and vice versa. In recent months we have seen increased participation from both parents and teachers — an encouraging development since the school has and will continue to benefit from this interaction. We feel the school has been able to offer more educational opportunities to our children and for this the town can be very proud.

In addition to promoting this communication the PTO also raises some money each year to supplement the basic needs provided by the town. This past year we purchased a hot dog steamer to enable the sixth grade to raise all or part of the money needed for their annual summer camp program. We are selling T-shirts designed by the children to promote school and town spirit. The purchase of classroom reading books and the possibility of playground improvements have been discussed. Our school fair has become an annual event which many people in town seem to enjoy. We would appreciate feed-back from the town concerning its continuation.

Respectfully submitted,
JANICE OLSEN, President

October 6, 1983

Sarah Kaler
Selectman, Bremen
Star Route
Waldoboro, Maine

Dear Ms. Kaler:

Our congratulations to the Town of Bremen. Your community has been selected to receive the Superior Award for the Communities of 501-750 population in the 1983 Maine Municipal Association Annual Report Competition. The certificate for this award is enclosed.

The Annual Report judges base their decision on the usefulness, content and graphic appeal of the reports. Supreme Merit, Superior and Excellence awards are presented to the municipalities in nine population categories which have compiled outstanding annual reports.

We are aware that considerable time and effort are required to produce a report which is meaningful and useful to your citizens. We give a great deal of credit to your municipal officials for the quality of the report that has earnd this award.

On behalf of the Maine Municipal Association, I extend my congratulations. We thank you for your participation in this important MMA program.

Sincerely,
Christopher G. Lockwood
Executive Director

Time & Tide RC&D Area Report

It is with pleasure that we submit our report of the Time & Tide Resource Conservation & Development activities in 1983. This people's program is sponsored, in part, by the counties and is directed by local people. The Time & Tide Area covers 60 towns and cities and serves as a place for people to come together to plan and carry out projects relating primarily to natural resources. We assist towns and non-profit groups with conserving, developing and improving our natural resources.

Groups of volunteers meet on advisory committees covering Soils & Land Use, Forestry, Ocean, Energy, Recreation & Tourism, Agriculture, Fish & Wildlife and Information. The volunteers make suggestions for program direction. Anyone interested is welcome to serve on one or more resource committees of their choice.

Measures were completed in 1983 and included Waldoboro and Warren flood plain studies, Boothbay Harbor recreation area, Swanville - State Park, Searsmont comprehensive plan, Camden nature trail, Dresden ball field and comprehensive plan, St. George ball field, Lincoln County energy plan, Brunswick fish viewing room and Coffin Pond swimming area, Cushing recreation area, Rockland Bog assistance, Harpswell condo/cluster housing, Bowdoinham recreation area and Monroe fire pond. Other measures are in progress covering Islesboro shore erosion, Belfast City Park and waterfront, Brunswick water quality, rural fire protection, St. George River corridor, North Haven basketball court, Wiscasset recreation area, Bath recreation areas, water quality on Tolman Pond, Sheepscot Island fire pond and Camden Snow Bowl and recreation area development, to name a few.

In 1984 the Time & Tide RC&D Council will put special emphasis on solid waste problems in the Mid Coast area.

Any town can request assistance from the Time & Tide RC&D by contacting it, the local Soil & Water Conservation District or the County Commissioners' office.

The Time & Tide Council has two 30-minute color movies dealing with farmland and food. They are available to service clubs, etc.

If you are interested and want to know more or to become a part of the Time & Tide RC&D Program, please contact our office, Route #1, Waldoboro, ME 04572 or phone 832-5348.

Sincerely,
Arnold Esancy
For the Council

Auditor's Report

March 2, 1984

Board of Selectmen
Town of Bremen
Bremen, Maine 04551

We have examined the balance sheet of the various funds of the Town of Bremen, Maine at December 31, 1983 and the related statements of unappropriated surplus, departmental operations, and receipts and expenditures for the year then ended. Our examination was made in accordance with generally accepted auditing standards and included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying financial statements present fairly the financial position of the various funds of the Town of Bremen, Maine at December 31, 1983 and the results of operations for the year then ended, in conformity with accounting practices generally followed by municipalities, applied on a basis consistent with that of the preceding year.

WILLIAM H. BREWER

February 29, 1984

COMMENTS

The system of internal control was reviewed pertaining to the handling of cash and other matters of financial concern. Cash in banks was reconciled with the statements and confirmations from the bank. The records were checked to determine the accuracy of recording cash transactions.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers and cancelled checks were examined on a selected basis. Excise tax collections were checked to pertinent records. Confirmation requests were sent on a test basis to determine the accuracy of recorded taxes receivable. Surety bond coverage relating to the tax collector and treasurer was reviewed.

The Trust Fund investments at December 31, 1983 were accounted for by inspection of the time deposits and confirmations from the savings institution or commercial bank. We examined data in support of investment transactions and determined that all principal and income applicable to investments and all expenditures had been included in each fund.

Accounts Receivable consists of $987.04 received in January 1984 for the December State Revenue Sharing payment.

The Suspense Account shown on the balance sheet is the difference between actual State Revenue Sharing received and the estimated amount used to reduce the 1983 tax commitment. This amount will be added to the 1984 estimated State Revenue Sharing and used to reduce the 1984 tax commitment.

The Educational Accounts of the Town of Bremen were reconciled to the activity recorded on the Superintendent of Schools records.

The Maine Department of Transportation Block Grant receipts were verified with the Department of Transportation, State Highway Division.

The Federal Revenue Sharing Fund was reviewed as to receipts and deposits to the corresponding savings account as well as expenditures and negotiated checks. Entitlement payments were confirmed with the State Department of Audit, Augusta, Maine and expenditures were compared with the appropriations made at the annual town meeting.

Warrant for Town Meeting

To Douglas Wood, the Constable for the Town of Bremen, in the County of Lincoln:
GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the said Town of Bremen, qualified to vote in the Town affairs, to assemble in the Bremen Grade School in the said Town, on Saturday, the twenty-fourth day of March 1984, at ten o'clock a.m., to act on the following Articles, to wit:

ART. 1. To choose a moderator to preside at said meeting.

ART. 2. To elect the following Town Officers by secret ballot: three Selectmen, three Assessors, three Overseers of the Poor, one member of the School Committee, three members of the Planning Board, a Town Clerk, a Town Treasurer and a Collector of Taxes.

Polls will be open from ten o'clock a.m. until two o'clock p.m. at the Bremen Grade School. The remaining Articles #3 through 40 represent all of the items and funding associated with the Town General Administration account for 1984 and the 1984-85 School Budget which the Town must consider and act on. As required, the Board of Selectmen will provide justification for each of the Town ARTICLES.

All of the School Committee educational functions, responsibilities and monies requested in the proposed 1984-85 School Budget and other educational items will be justified by the School Committee and will be considered and acted on by the Town as Articles 10 through Article 15.

Only RESIDENT REGISTERED LEGAL voters are authorized to participate and vote in all Town elections and Regular or Special Town Meetings as required by State and Federal voting laws. The Town Meeting will commence at two-thirty p.m. at the Bremen Grade School on twenty-fourth March, 1984.

ART. 3. To act on the 1983 Annual Town Report of the Town Officers.

ART. 4. To see if the Town will vote to authorize the Selectmen to appoint or act as Road Commissioners.

ART. 5. To see if the Town will vote to authorize the Selectmen to appoint a Budget Committee of nine (9) members, preferably three (3) from each area of Town. Each Selectman will be responsible for appointing three (3) members and they will advise the Selectmen on financial matters as well as move money articles.

ART. 6. To see if the Town will vote to authorize the Selectmen to appoint all other Town Officers not elected by ballot at the Annual Town Meeting.

ART. 7. To see if the Town will vote to instruct the Tax Collector to charge and collect interest of fifteen percent (15%) per annum to be retroactive to September 1, 1984 on all taxes uncollected as of October 15, 1984.

ART. 8. To see if the Town will vote to authorize the Selectmen to sell any property which the Town owns by virtue of Tax Deeds or Liens and to execute and deliver on behalf of the Town by quit-claim deed as may be necessary to transfer rights, title and interest of the Town.

ART. 9. A. To see what sum of money the Town will vote to appropriate for Town Officers from Surplus.

Recommended by Budget Committee:

First Selectman, Assessor and Overseer of Poor	$1,550.00
Second Selectman, Assessor and Overseer of Poor	1,200.00
Third Selectman, Assessor and Overseer of Poor	1,200.00
Tax Collector	2,650.00
Treasurer	770.00
Town Clerk	600.00
Fire Chief	450.00
Registrar of Voters	200.00
Health Officer	80.00
Ballot Clerks (4 clerks/day × $40/clerk × 3 days)	480.00
Moderators (Annual Town Meeting - $50 & Special - $30)	80.00
Chief Constable	40.00
Dog Constable	100.00
Civil Defense Director	25.00
Total Appropriated	$9,425.00

Vote: YES-7, NO-0, ABSENT-2

B. To see what sum of money the Town will vote to appropriate from excise tax money for the Excise Tax Collector:

Recommended by Budget Committee:

$.75/item × # of items Estimate: $400.00

Vote: YES-7, NO-0, ABSENT-2

ART. 10. To see what sum of money the Town will vote to raise and appropriate for School Union 74 Adult Community education for the ensuing year. Town will only pay for courses leading to a high school equivalency diploma.

School Committee Recommends: $1.00

ART. 11. To see what sum the Town will appropriate from the state-local allocation for school purposes (Recommended $244,172.50) and to see what sum the Town will raise as the local share (Recommended $224,962.50).

ART. 12. To see what sum the Town will raise and appropriate as local funds without state participation under the provisions of 20 M.R.S.A., 4752.

School Committee Recommends:	$13,731.50
Budget Committee Recommends:	$13,731.50

ART. 13. To see what sum the Town will authorize the school committee to expend for the fiscal year July 1, 1984 and ending June 30, 1985 from the state-local allocation, unexpended balances, local appropriation, state subsidy, and other miscellaneous receipts and income for the support of schools.

School Committee Recommends:	$257,904.00
Budget Committee Recommends:	$238,694.00
(Raised through local taxes)	
All other sources:	
Projected June 30, 1984	$ 6,608.00
Balance from State Subsidy June 30, 1984	7,680.00
Estimated 1984-85 State Subsidy	4,261.00
Estimated Receipts	661.00
Raised from taxes through local share	224,962.50
Raised from taxes w/o state participation	13,731.50
Total Budget	$257,904.00

Vote: YES-4, NO-0, ABSENT-5

ART. 14. To see what sum the Town will raise and appropriate to construct removable walls for an additional classroom in the school basement.

School Committee Recommends: $3,500.00
Budget Committee Recommends $3,500.00

ART. 15. To see if the Town will vote to require the School Board to submit, annually, at Town Meeting, commencing with the 1985-86 School Budget year, a line item type of School Budget instead of the total School Budget figure as presently prepared. As a minimum, the 1985-86 School Budget shall be presented with the following separate line items for Town approval:

Instructional Salaries and Fixed Costs - Elementary
Other Costs of Instruction - Elementary
Secondary Program
Health Services
Administration and School Board
Office of the Principal
Operation and Maintenance of Building
Transportation
Building and Capital Improvements

The School Board shall be authorized to transfer up to a total of 2% of the total school budget between line items during a school budget year.

Recommended by Budget Committee
Vote: YES-7, NO-0, ABSENT-2

ART. 16. To see what sum of money the Town will vote to raise and appropriate and use from Federal Revenue Sharing, and to authorize the Selectmen to contract for equipment and services for snow removal, sanding and the purchase of necessary labor and materials, including:

Recommended by Budget Committee:

A. Hiring contractor and equipment for snow removal and sanding. Raise and appropriate $24,000.00

B. Purchase sand and salt. Use from Federal Revenue Sharing 4,500.00

Total $28,500.00

Vote: YES-5, NO-0, ABSENT-4

ART. 17. To see what sum of money the Town will vote to raise and appropriate, use from State Road Reimbursement and appropriate from Federal Revenue Sharing funds for highway related use for reconstruction, preparation, hot-topping, patching, ditching and brush cutting:

Recommended by Budget Committee:

Appropriate from Excise Taxes	$21,500.00
Appropriate from State Road Reimbursement	11,500.00
Appropriate from Federal Revenue Sharing	7,000.00
Total	$40,000.00

Vote: YES-4, NO-0, ABSENT-5

ART. 18. To see what sum of money the Town will vote to raise and appropriate for various miscellaneous expenses, including:

Recommended by Budget Committee:

A. Tax Anticipation Loan Interest	$ 2,250.00
B. Workmen's Compensation Insurance	1,650.00
C. Liability, Personal, Fire, Buildings and Equipment Insurance	2,200.00
D. Street Lights	2,200.00
E. Printing Town Reports	2,200.00
F. Other various, miscellaneous Town Officers's supplies, postage and operating costs	2,650.00
Total	$13,150.00

Vote: YES-4, NO-0, ABSENT-5

ART. 19. To see what sum of money the Town will vote to appropriate from surplus for the Bremen Volunteer Fire Department for various items including:

Recommended by Budget Committee:

A. Maintenance: heat, lights, telephone and operating expenses	$4,400.00
B. Firemen/fire fighting salaries	$500.00
Total	$4,900.00

Vote: YES-5, NO-0, ABSENT-4

ART. 20. To see what sum of money the Town will vote to raise and appropriate from surplus for the Bremen Volunteer Fire Department for various items including:

Recommended by Budget Committee:

A. Capital outlay	$2,150.00
B. Purchase new equipment	1,830.00
Total	$3,980.00

Vote: YES-5, NO-0, ABSENT-4

ART. 21. To see what sum of money the Town will vote to appropriate from surplus for payment to the Town of Damariscotta for Bremen's share of the operating expenses from cooperative use of the Damariscotta dump as a landfill site.

Recommended by Budget Committee: $13,000.00

Vote: YES-7, NO-0, ABSENT-2

ART. 22. To see what sum of money the Town will vote to raise and appropriate to hire a State approved auditor to conduct a Town audit for Town fiscal year 1983.

Recommended by Budget Committee: $2,200.00

Vote: YES-4, NO-0, ABSENT-5

ART. 23. To see what sum of money the Town will vote to appropriate from Surplus to hire a non-resident, State approved, Assessor and a mapping company for:

A. The purpose of conducting the annual reassessment of Town properties, recording property transfers and changes in property boundaries, updating property valuation and recording all revised data on the Town assessment cards and Town property maps.

Recommended by Budget Committee: $1,600.00

Vote: YES-5, NO-0, ABSENT-4

B. To upgrade Town's Master Valuation Schedule to comply with State guidelines.

Recommended by Budget Committee: $900.00

Vote: YES-5, NO-0, ABSENT-4

Cover Story

Photo by: Everett L. Boutilier

Two class A wooden sloops built in the early 1900's maneuver for the advantage in one of the annual Friendship sloop races in Muscongus Bay. In the foreground with sail number 71 is GLADIATOR built on Bremen Long Island in 1902 by Alexander McLain. The 32' GLADIATOR is overtaking the 30' CHRISSY, (no. 18), another Class A wooden original built in 1912 by Charles Morse. Both sloops owned in Friendship still sail annually in Muscongus Bay.

McLAIN GLADIATOR STORY

by Everett L. Boutilier

This year, Bremen's Long Island and its once-noted sloop builders may receive some reflected attention on the occasion of the 25th anniversary of the Friendship Sloop Society. The formal observances will be shared by the Maine Maritime Museum at Bath, the annual race regatta at Boothbay Harbor, and homecoming day at neighboring Friendship.

Because many of the sloop builders (1850 to 1920) came from Bremen's Long Island or could trace their ancestry and/or their training to this community, we can rightfully share the pride of the sloop enthusiasts. It could be that some of the sloop sailors, on their way from Boothbay Harbor to Friendship, could visit Pete's Cove on the shores of which several McLains built sloops. Some sloopers may want to go ashore and visit the graves of several builders of original Muscongus Bay and Friendship sloops.

One sloop, GLADIATOR, will be of special interest to Bremenites, especially those related to the McLain family. Built by Alexander (Bug) McLain, GLADIATOR was launched in March 1902. Still sailing at 83 years of age, GLADIATOR now is owned by William and Caroline Zuber of Friendship in partnership with Stuart Hancock of Manasquan, N.J.

According to Society reports, GLADIATOR is one of 15 sloops built during the winter of 1902 on Bremen Long Island. Alex McLain built this vessel for a Daniel Simmons of Waldoboro for a total cost of $450.

Alexander McLain was born Nov. 4, 1866, on Bremen Long Island. His parents were Robert and Mary (Morse) McLain. Mary, his mother, was a sister to the noted Wilbur Morse who has brought so much fame to Friendship despite the fact he was born in Bremen on Sept. 18, 1853 and learned much of his trade from the McLain family.

The patriarch of the McLain family was Robert who was born on the island on Sept. 24, 1840 and died there on May 10, 1908, at age 67. His wife Mary was born Oct. 5, 1844, also on the island where she died in Sept. 1935 at age 91.

These McLains had five children:- Eugene, born in 1863; Robert E., born in 1865; Alexander, born in 1866; Almond, born in 1882; and Mary Ellen, born in 1883.

Eugene and Alexander married sisters. They were the daughters of another boatbuilder, George Washington Carter. Eugene married Martha E. Carter and Alexander married Addie Carter. Now living in West Waldoboro, Mrs. Nettie Winchenbach is a daughter of Gene McLain and a niece of Alexander McLain.

At 92, Nettie is alert and loves to recall the old days on the island with accuracy. Every year, someone from far or near stops at her Route 32 home to discuss the sloop builders and the days when natives thrived on Bremen Long Island.

Another recent source of direct information on the heyday of Long Island was Almond McLain who died in April 1966. Born in 1882, Almond died at age 84. Almond owned his island property until the day he died. Previously, his home had been known as the Peter Collamore house.

Located on the main pathway, it is set back from the shore and the sites where Gene, Alex, and Almond had their boat shops. Robert's shop was located more inland and diagonally across from Almond's house.

Nettie Winchenbach has provided a picture of the Gene McLain shop taken in 1910, the year before he died. At the ocean end of the shop, one can see where Gene added ten feet in order to build his 48' schooner, Martha E., named for his wife. His first sloop also bore his wife's name. On Jan. 11, 1911, at age 48, Gene was washed overboard from his schooner and he drowned. The Martha E. may have been the only full-fledged schooner built on Bremen Long Island.

Of the 15 sloops with which Gene McLain is credited, Nettie Winchenbach remembers the following names:- Martha E. (first sloop), Lottie Belle (named for Nettie's sister who became the wife of the island storekeeper, Melvin Simmons), Two Sisters, Uncle Sam, Paul Revere, Rough Rider, Myrtle E., and Ralph E.

In April 1911, a few months after Gene's death, Alex also died at the comparative young age of 44. This (1911) is the same year that the owner saw fit to install an engine in GLADIATOR which had been depending upon wind power alone for nine years. Unfortunately, the engine was too big, and the hold, too small. Government officials took away documentation.

After World War 1, GLADIATOR was sold to a new owner who installed a smaller engine, thereby regaining documentation. The sloop was used for off-shore fishing and smacking.

According to research made by the Zubers, a third owner took GLADIATOR to the Chesapeake Bay area where he re-planked her with cypress wood and made the cabin more livable. These Chesapeake years of sailing and cruising marked the transition to recreational usage. According to reports, GLADIATOR was the subject for many Chesapeake photographers.

Today, GLADIATOR, which had been known as Downeaster until the Zuber-Hancock team restored her original name, is listed in the Friendship Sloop society registry as a 32 foot, Class A sloop with a depth of over six feet. A documented description taken from Waldoboro's Old Custom House records describes a 7 ton sloop with a length of 28.5 feet, a beam of 11 feet, and a depth of 5.3 feet.

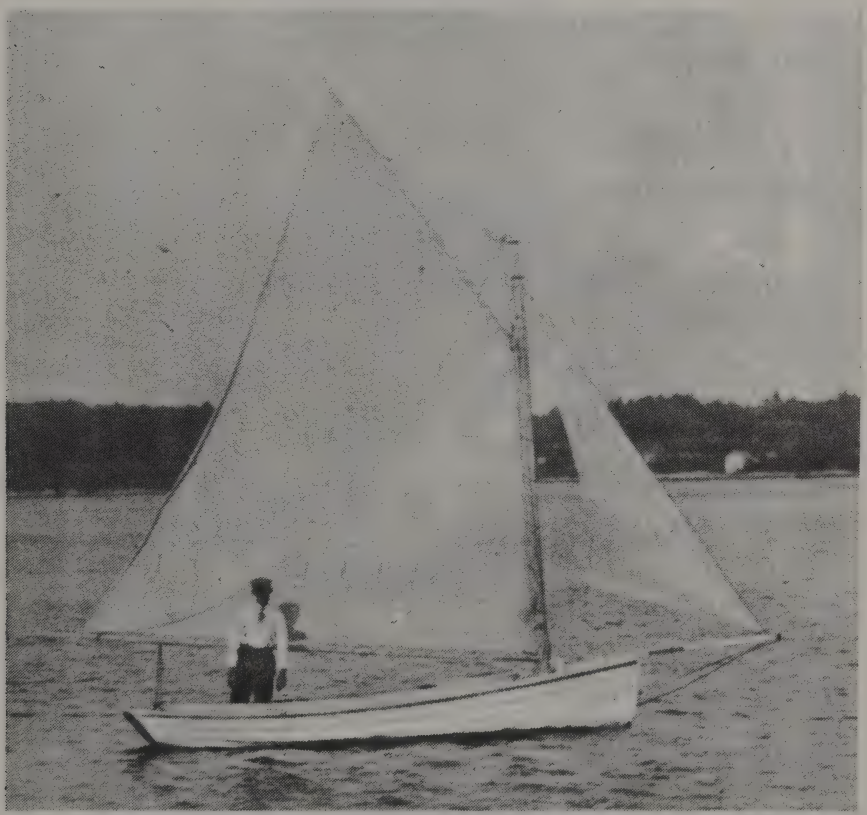

The Zubers and Hancock found Downeaster (GLADIATOR) in 1967 stored in a boatyard at Barnegat Bay. In 1973 when the Zubers took residence in Friendship, GLADIATOR came back to Maine to stay. In 1977, a new diesel engine was installed. According to reports, more maintenance and restoration work has been taking place this past winter.

January 1987

This big Friendship sloop was built by Gene McLain on Bremen Long Island. Built primarily for carry freight and loads of fish, these sloops usually featured a big mainsail and long mainboom.

Selectmen's Report

The past year was an extremely busy one for the Board of Selectmen. At a Special Town Meeting in June it was voted to move the Selectmen's Office from the school basement to new facilities at the firehouse. The move was to be accomplished before the beginning of the new school year so we were pressed for time. Renovations to one of the old truck bays was done by Keith Winchenbach and Willard Parlin of Waldoboro. Earle Maxcy installed the septic system, plumbing was done by Jameson's and electrical work by Wood's Electric. Moving from the old quarters to the new took just one day to accomplished but the settling in took close to 3 weeks. Storage space proved to be a big problem — we had boxes upon boxes of records, books and supplies but not a place to put them! Sturdy storage cupboards, (2) shelves and a coat rack were installed on the back wall by Bruce & Barry Soule of Waldoboro. There is still a need for some additional storage cupboards on the floor level for the large valuation books dating back to the 1800's. To save on increased oil bills for heat we installed 2 units of electric heat. The new office is used jointly by the selectmen, planning board and fire department. Although there are no regular daily office hours, you can usually reach someone there several hours a day by calling 529-5945.

Going through files during moving it was discovered that we are missing alot of town report books from earlier years. Our earliest town report is for 1900. The missing years as follows: 1901, 1902, 1904, 1905, 1906, 1907, 1908, 1909, 1910, 1911, 1912, 1913, 1914, 1915, 1924, 1925, 1926, 1929, 1930, 1931, 1932, 1933, 1934, 1935, 1936, 1938, 1939, 1941, 1944 and 1945. We are hoping that some one will have some of these issues which they might donate or sell to bring our collection up to date.

Road work done in 1984 included resurfacing the Shore Road from Rte. 32 to just beyond the Titherington's residence and maintenance repair on the Keene Neck Road. Long range plans for 85 & 86 include ditching and rebuilding on both the Heath Road and Nobleboro Road. We have asked for an increase in the road accounts to help cover inflation of material costs in recent years.

Permanent markers were installed on the Don Hall/School property lines.

The Damariscotta/Bremen Dump requires additional funding due to D.E.P. regulations. We have been fortunate to get by this long with

the existing dump but we cannot hope to continue it's use beyond another year at the most. The city of Augusta is interested in building a waste to energy incinerator and has sent a "letter of intent" to us requesting our participation. We use serious consideration of their program as an alternative to our present situation.

Freezing road conditions during the past winter required purchasing more sand and salt so we are requesting an increase to up the initial purchase in the fall, from 500 yards of sand to 750 yards.

Increases in the General Assistance requests are due to a larger case load.

We hope the voters will approve a request for funds for a copier for the town office. At present we have to take records out of the office to be copied and run the risk of losing them. We are planning to enclose copies of individual property owners records on file with the 1985 tax bills as our first major project for the copier if the article is approved.

A new filing system is being set up and will include updated tax and mailing lists. If there are any errors or corrections on your name label please notify us.

Updating of the property cards was done by Parker Associates as voted at the '84 Town Meeting — Art. # 23B. We are now at approximately 90% ratio of the state valuation.

Enclosed as a pull-out section in this year's report is a copy of the Town's Incorporation Papers and the original request for Bremen to become a separate town. It is surprising to note that the original request calls for the new town to be named Littleton! For some unknown reason it was later decided to call the town Bremen. We hope you will enjoy this little bit of town history.

The Selectmen meet every other Friday evening at 7 p.m. All meetings are open to the public. We wish to thank everyone for your continued interest and support.

Respectfully submitted,
Sarah Kaler
Capt. A. D. Hall
David Teele
Board of Selectmen, Assessors
and Overseers of the Poor.

Notice to Taxpayers

Assessing Standards

Minimum assessing standards are now required under L.D. 1994.

a. A maximum assessment ratio by 1978, 70% by 1979 and thereafter.

b. A maximum rating of assessment quality of 30 by 1978, 20 by 1979.

c. Assessors will conduct annual sales ratio studies.

d. Physical inspection of inventory of each real parcel and personal property will take place at least every four years.

Assessors' Notice

In accordance with Title 36, Section 706 M.R.S.A. 1964, the assessors of the Town of Bremen hereby give notice to all persons liable by taxation in said town, that they will be in session at the TOWN OFFICE BUILDING in said town on MONDAY, APRIL 1, 1985, between the hours of 9 a.m. to 3 p.m. for the purpose of revising the list of estates taxable in said towns.

Resident Owners and Non-Resident Owners

All inhabitants of the town of Bremen, Maine, and all administrators, executors, trustees, etc. of all estates taxable in said Municipality of such persons are hereby notified to MAKE AND BRING IN TO THE ASSESSORS, TRUE AND PERFECT LISTS OF ALL THEIR ESTATES, REAL AND PERSONAL, NOT BY LAW EXEMPT FROM TAXATION, of which they were possessed on the FIRST of APRIL 1985, and be prepared to make oath to the truth of the same and to answer all proper inquiries in writing as to nature, situation and the value of their property liable to be taxed.

When estates of persons deceased have been distributed during the year, or have changed hands from any cause, the executor, administrator, or other persons interested, are hereby warned to give notice of such change, and in default of such notice will be held under law to pay the tax assessed although such estate has been wholly distributed and paid over.

Any resident owner who neglects to comply with this notice is hereby barred of his rights to make application to the Assessors or Lincoln County Commissioners for any abatement of his taxes, unless he offers such list with this application and satisfies them that he was unable to offer it at the time appointed.

While the above statutes specifically mentions Resident Owners, it applies to Non-Resident Owners as well, and we respectfully call their attention to the matter and request their cooperation.

A TEAROUT PAGE IS INCLUDED IN THE BOOK FOR YOUR CONVENIENCE IN FILING THIS LIST WITH THE ASSESSORS.

Also, everyone is reminded to fill out and submit their taxable property list to the assessors, especially the new section on **Watercraft and Personal Property.** Separate tax bills will be issued for Watercraft and Personal Property for 1985.

Veterans' Exemptions

The veteran's exemption of World War I is $6,000 and World War II is $4,000 for deduction from the Just Valuation.

Veteran's General Requirements of Exemptions

A veteran, veteran's widow, or the widowed mother of a deceased veteran wishing to make application for exemption from taxation must file the prescribed form with the assessors on or before April 1, 1985. (Such notification once made need not be repeated in subsequent years.)

1. Veteran must be a legal resident of Bremen;
2. Must have reached the age of 62 years; or
3. Is receiving a pension or compensation from the United States Government for total disability, either service or non-service connected, as a veteran;
4. The widow of a qualified veteran must be unremarried.

Blindness Exemption

Persons determined by the State Department of Health and Welfare to be LEGALLY BLIND are also entitled to an exemption on residential real estate (Chapter 261, P.l. 1973, effective in 1974).

An exemption of $4,000.00 may be approved by the Assessors.

Tree Growth Exemption

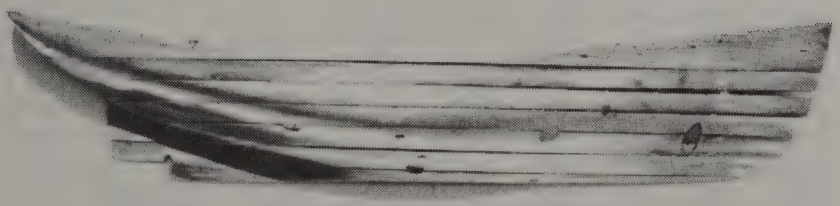

As described in current state law at current State Tree Growth rates for hardwood, mixed wood and soft wood.

Agriculture Exemption

As described in current State law.

FREDERICA S. HILTON
Town Clerk of Bremen, Maine

Joint Report of the Bremen School Committee and the Administration

We would like to report to you some of the activities and issues that have been occupying our attention this year.

First: Since February of 1984 we have been responding to the State Fire Marshal's report which has required the town to (1) replace most of the doors, (2) reduce the number of school activities in the basement, (3) enclose all closets with sheetrock, (4) install proper self-closing hardware on doors, and (5) remove all combustible materials. Nearly all items are completed except the issue of the basement classrooms, which means either the installation of a sprinkler system, a ground level entrance, or "a push-out window where immediate exiting may take place" in each basement classroom.

In addition to these issues, the Department of Education strongly recommends the vacating of the basement classrooms because they are poorly lighted, ventilated, low posted, and "in general, unsuitable for long-term usage."

Given these reports and the lack of space for the current mandated programs, the School Committee requested a group of citizens to study the space problems and to report their findings back to the School Committee.

The School Committee has filed a building application with the Department of Education to:

1. Add two and a half classrooms.
2. Add one large special education room.
3. Add space for special programs; i.e., tutorial and migrant, counseling, speech therapy, school nurse, etc.
4. Add a staff bathroom and teachers' room.
5. Add a multi-purpose room, storage, and locker rooms.
6. Add kitchen facilities and related storage space.

The building application will not be taken up until mid-July.

We recognize the need for the town to have additional space for the selectmen, and we are most thankful for their cooperation in allowing the school to use the office for a temporary classroom. We look

forward to working with the selectmen to solve our common problems.

Finally, it is our recommendation not to get into substantial expenditures to correct the basement problem until we know the status of the building application.

Second: A student handbook has been developed by the staff that provides a great deal of information for parents. We hope this is helpful.

We were very proud of the Olympics of the Mind Team that not only captured a state title, but with enthusiastic town support, traveled by train to Ohio to enter into national competition. The team finished eleventh.

Third: The staff has completed a detailed written curriculum for the language arts program. The staff is currently working on the reading and math curriculum detailing those basic skills that children need to learn. We urge you, the parent, to review the curriculum so that you are aware of the basic skills that your child needs to learn.

We are pleased to report to you that nearly all of the staff have received computer training, and the development of our computer program for students is progressing well.

All of the Bremen staff participated in a two-day Drug, Alcohol and Substance Abuse workshop. We are in hopes that a program will be developed for adults as well. This is a serious local, state, and national problem and certainly has a dramatic impact upon our children as well as families. We encourage your support and participation in the program.

The Bremen School Committee wishes to express their appreciation to many parents, volunteers, clubs and organizations who work to support the school in a variety of ways.

The Bremen School Committee meets the fourth Monday of the month and welcomes your attendance.

Respectfully submitted:
Richard Corson, Chairman
Diane Sanoski
Lisa Wallace
Mary Sue Weeks

To the Honorable, the Senate; and House of Representatives of the State of Maine; in Legislature Assembled, January Session 1827 —

The Inhabitants of the North eastern part of the Town of Bristol in the County of Lincoln, respectfully represent; That Whereas the said Town as it now is, includes three parishes called, Broad Cove, Walpole, and Pemaquid, is very large from Eighteen to twenty miles in length, and, from Seven to Ten Miles in breadth, We Your Petitioners find it a great hardship, as well as loss of time to attend Town Meetings, as many of us have to travel from Nine to Eleven Miles over Roads that can never be made good, without more labor and expence, than we are able to lay out it; and the most important Town Meeting, being generally held when the Roads is almost impassable, whereby it excludes many of our Citizens from attending Meetings, And as the Militia companies was organized many years ago we find it a great inconvenience & loss of time in Training Nine or Ten Miles to perform Military duty, and we further represent, that many of your petitioners are concerned in, and with Navigation, and the Post Office is Fifteen Miles distant from many of us, and the expence and loss of time in not getting letters regularly, is a great inconvenience as there is little or no intercourse between us and that part of the Town being seperated by two bounds the one three miles long and the other seven or eight miles And our business generally laying on the eastern shore, our Connection is Ten times more with the adjacent Towns than with any part of Bristol; And we have unfortunately petitioned, to be set off from said Town of Bristol, but not being able to effect it hitherto. We humbly lay our case before your Honorable Bodies to interpose and set us off from said Town of Bristol in manner as follows — Viz. Beginning at Muscongus Harbor at the Southeastern line of William Burnett's land, running a North West course the length of said lot till it strikes Jonas Brookins lot and by said lot a West North West course till it comes to the Western Bay, thence up the middle of said pond till it comes to the Narrows between Bristol & Nobleborough, thence up said stream till it comes into Pemaquid great pond, thence up the Middle of said pond till it comes to the duck puddle brook, thence up the middle of said brook till it comes to the Waldoboro line, thence by said line between Bristol and Waldoboro South East till it comes to the eastern Branch of Broad Cove to a large Stone marked XX, thence down the Channel of said eastern branch, till it comes to the mouth of Broad cove, thence more easterly to the eastern passage, to include long island and continuing said course along the southeastern side of Hog island till it comes to the best water on the bar between Hog & Louds island and from thence to Muscongus Harbor, (excluding any other islands included within the lines aforesaid, And incorporate it into a Town by the Name of Littleton —

And as in duty bound will ever pray —

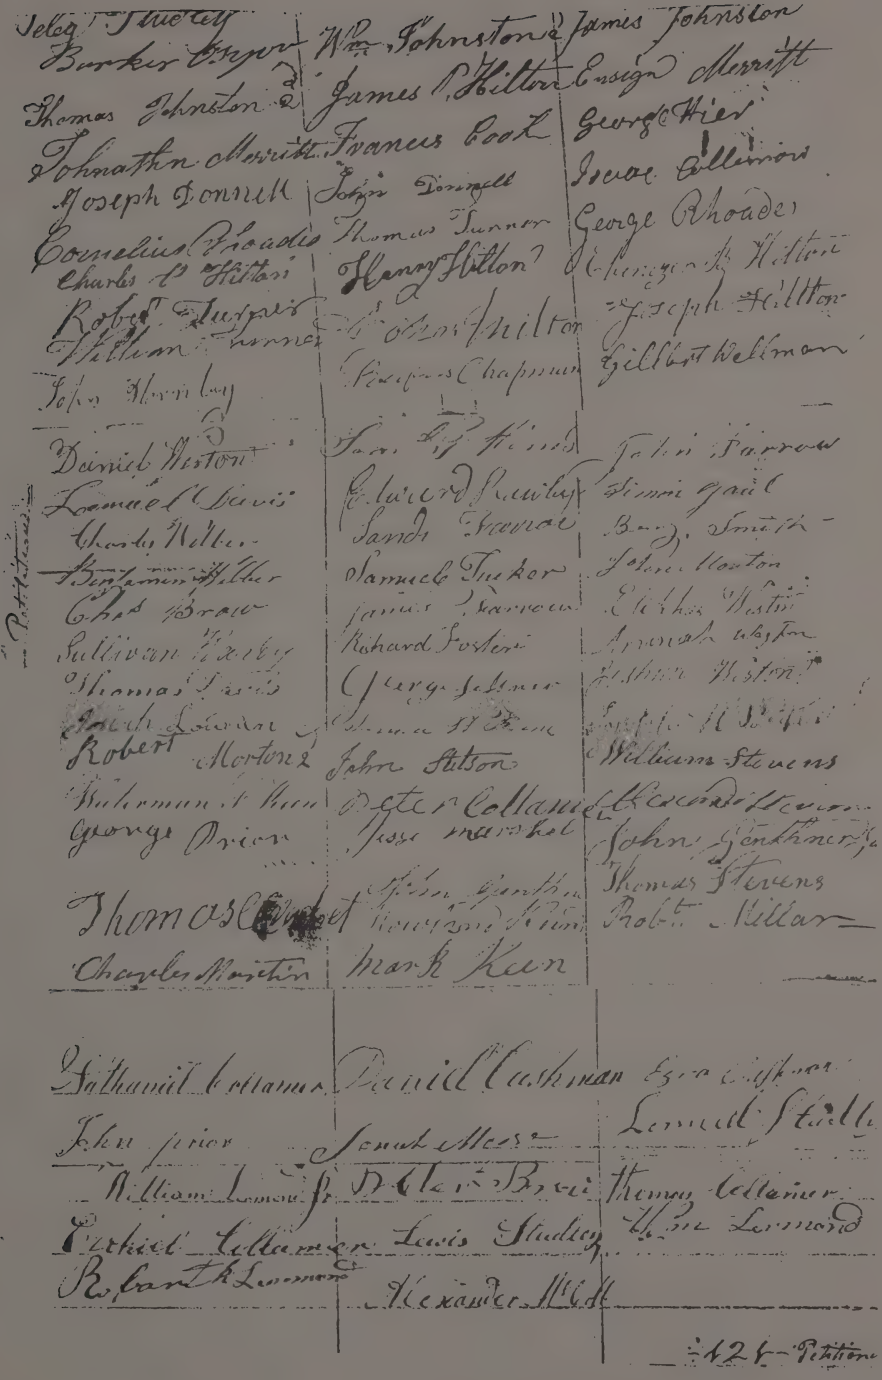

Bristol Jan. 10th 1827

STATE OF MAINE.

Senate Feb 19 1822.

The Committee on Engrossed Bills report, that they have examined a Bill, entitled An Act to divide the Town of Bristol and incorporate the North of ~~Bristol~~ Bremen

and find the same truly copied from the original.

~~Chairman~~

In behalf of the Committee

A

Amend Sec 3. of 7th by striking out from 7th to V. and inserting, "gained on the territory ... incorporated into the town of Bremen shall be deemed to"

Assessors' Notice

In accordance with M.R.S.A. Title 36, Sec. 706, the Assessors of the Town of Bremen hereby give notice to all persons liable to any taxation in said municipality, that all property owners of the Town of Bremen, Me., and all administrators, executors, trustees, etc., of all estates taxable in said town of such persons are hereby notified to make and bring or send into the Assessors true and perfect lists of all their estates, real and personal, not by law exempt from taxation, of which they were possessed on the first day of April, 1985, and be prepared to make oath to the truth of the same and answer all proper inquiries in writing as to the nature, situation and value of their property liable to be taxed. Said lists may be mailed if the property owner finds it inconvenient to appear before the board, postmarked not later than April 1, 1985.

When estates of persons deceased have been distributed during the past year, or have changed hands from any cause, the executor, administrator or other persons interested, are hereby warned to give notice of such change, and in default of such notice will be held under the law to pay the tax assessed although such estate has been wholly distributed and paid over.

Any person who neglects to comply with this notice is thereby barred of his right to make application to the Assessors or the County Commissioners for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed.

Assessors of Town of Bremen,
Maine

Notice

Assessors will be in session Monday, April 1, 1985 from 9:00 a.m. to 3 p.m.

LIST OF ESTATES NOT EXEMPT FROM TAXATION

Filed Pursuant to Title 36, M.R.S.A., Section 706

To the Assessors of the Town of Bremen:

1. I am a Legal Resident of (Town) (State)
 or Non-Resident
 (Cross out one)

2. Structures or land **not** owned by you:

List property owned by you on April 1, which is located on leased land or land **not** owned by you, including dwelling houses, house trailers, camps, stores, storehouses or any other structures. Identify landowner and location in each case.

Location (St. and Number, or Map and Lot number)	Owner of Land	Type of Structure
a.		
b.		
c.		
d.		

(If additional space is required, use and attach blank sheet.)

3. Real Estate:

List briefly each separate parcel subject to taxation on April 1 of the year for which this list is filed, and located in the town in which this return is filed:

Location (St. & Number or Map and Lot number)	Area of Land (Lot dimensions in ft.; or acres)	Buildings or Structures (Dwelling, barn, shed, store, garage, pier, dock, etc.)
a.		
b.		

c.

d.

(If additional space is required, use and attach blank sheet.)

4. Have any of the buildings listed been newly constructed, altered, destroyed or removed since the previous April 1:

Yes ☐ No ☐

If so, identify building and give brief description of construction or alteration and Map and Lot number of property.

.....

5. Do you now receive a real estate tax exemption?

Yes ☐ No ☐

6. If Yes, what types?

Tree Growth ☐ Blindness ☐ Veterans ☐ Open Space ☐

7. Are you applying for an Exemption?

Yes ☐ No ☐

8. If Yes, what type?

Tree Growth ☐ Blindness ☐ Veterans ☐ Open Space ☐

9. Is your land subject to any enforceable restrictions which limit the use to which it may be put, or which requires an approved permit?

Yes ☐ No ☐

If "Yes", please indicate the nature of the restriction:
(Check the appropriate block or blocks.)

Shoreland Zoning ordinance ☐
Subdivision restrictions ☐
Recorded contractual provisions ☐
Right of Way ☐

(Other - Please describe below.) ☐

(Over)

Title 7 M.R.S.A. Sec. 3451

Each owner or keeper of a dog six months or over . . . shall, on or before January first annually, or at such time as such dog becomes six months old, cause such dog to be licensed in the municipal clerk's office in the town where such dog is kept.

10. Do you own any dogs? Yes ☐ No ☐

Number ☐ Male ☐ Female ☐ Spayed ☐

The foregoing is submitted in compliance with Title 36, M.R.S.A., Section 706, and is true and correct to the best of my belief as of April 1 of the current year.

I understand that the assessors (or any of them) may require me to make oath of the foregoing; and that any of them may require me to answer in writing all proper inquiries as to the nature, situation and value of any property liable to be taxed in the State of Maine and that a refusal or neglect to answer such further inquiries and subscribe the same will bar an appeal to the County Commissioners.

Town, State Zip Code

State of Maine —

In the year of our Lord one thousand eight hundred and twenty eight —

An Act to divide the town of Bristol and incorporate the town of Bremen —

Sec. 1. Be it enacted by the Senate and House of Representatives, in Legislature assembled, That all that part of the town of Bristol, in the County of Lincoln, which lies within the following described lines, viz: beginning at Muscongus Harbour, at the southerly line of William Burns' Lot, and running northwest the length of said Lot; thence by the northerly line of Jonas Erskines lot and running west northwest to Biscay Pond; thence up said pond to the Narrows Bridge; thence up the middle of Pemaquid Great Pond to the Duck Puddle Brook and up said brook to the Waldoboro' line; thence by said line to the eastern branch of Broad Cove, to a stone marked XX; thence down the channel of said branch to the mouth of Broad Cove; thence easterly, so as to include Long Island and Hog Island, crossing the Bar between Hog Island and Loud's Island; thence to the first mentioned bounds; with the inhabitants thereof, be, and the same hereby is, incorporated into a town, by the name of Bremen; with all the powers and privileges which other towns in this State enjoy: Provided, the inhabitants of said town of Bremen shall be holden to pay all assessments due and remaining unpaid, prior to the passing of this Act.

Sec. 2. Be it further enacted, That the credits and taxes due to said town of Bristol, and the monies now in the treasury thereof, shall after discharging the debts and liabilities of the same, incurred previous to the passing of this Act, be divided between said towns of Bristol and Bremen, in proportion to ~~the last~~ their respective valuations to be ascertained by the last assessment of said town of Bristol — And if said credits, taxes and monies shall be insufficient to meet such debts and liabilities

the said towns of Bristol and Bremen shall be held to contribute therefor in the same proportion—

Sec. 3. Be it further enacted, That all persons chargeable to the said town of Bristol, as paupers, at the time of the passing of this Act, shall be divided between the said towns of Bristol and Bremen in proportion to the last assessment aforesaid, regard being had to the expense of such paupers— And all persons, having a settlement in Bristol, but removed therefrom at the time of passing this Act, and having such settlement on the territory now incorporated into the town of Bremen, and not having gained a settlement in any other town in this State, shall be deemed to take and have a lawful settlement in said town of Bremen.—

Sec. 4. Be it further enacted, That the towns of Bristol and Bremen shall constitute a Representative district, and be entitled to elect one Representative in the Legislature of this State until otherwise elapsed by law—

House of Representatives
February 11th 1828

This Bill having had three several readings, passed to be engrossed, as amended on sheet annexed marked A.

Sent up for concurrence

John Ruggles
Speaker

In Senate February 16th 1828

This Bill having had two several readings passed to be engrossed as amended in concurrence

Robert C. Dunlap Clerk

I hereby certify that in accordance with an order of notice from the Hon. Senate and House of Representatives of the State of Maine in Legislature assembled, at their last session, on a petition of John McLean and one hundred and twenty others, inhabitants of the Town of Bristol, praying to be set off from said Bristol and incorporated into a Town by the name of Littleton and a copy of said order of notice having been duly served on the Town Clerk accompanied with a copy of their petition A legal meeting of the inhabitants of said Bristol was called, by the Selectmen of said Bristol, and holden in said Bristol on the 11th day of Oct. 1824 for the purpose of hearing "the petition of John McLean and others, which was sent to the Legislature of this State at their last session, and the order of notice thereon likewise to hear the petition of John McLean and others praying that a meeting might be called that the Town might consult and act on the aforesaid petition and order of notice and to see what measures the Town will take with respect to the aforesaid petition" The aforesaid inhabitants being duly assembled on the said 11th of October and their votes being called for with respect to granting the prayer of said Petitioners. There appeared against granting the petitioners their request One Hundred

and five Votes and in favour of the granting of 1a petition Sixty Votes

A true copy from the records of the town of Bristol

Attest Wilson Chamberlain
Town Clerk

Bristol Oct. 23. 1827

Beginning at Musongus Harbor at the southerly line of William Burns lot and running N. West the length of said lot then taking the Northerly line of Jonas Erskine's lot and running W.N.W to Biscay pond, thence up said pond till it comes to the Narrows Bridge thence up the Middle of Pemaquid great pond till it comes to the Duck Puddle Brook till it comes to the Waldoboro line thence by said line till it comes to the eastern branch of Broad Cove to a stone marked XX thence down the Channel of said Creek to the Mouth of Broad Cove thence onorearterly to include long Island and Hog Island, and to Cross the Bay between Hog and Louds island and from thence to Musongus Harbor, ~~and all the Rite rights and privileges in and to the Islands in the Town of Bristol which they enjoyed before the Separation~~

The Name of the New Town is desired to be Bremen

Bremen 1985-86
School Budget Explanation

The proposed 1985-86 school budget is in the amount of $295,189.00, as compared to last year's request of $262,904.00. This presents an increase of $32,285.00, or a 12.28% increase.

The school committee established priorities of increasing staff and improving the special education programs including out-of-school placement. These two accounts add up to a $29,129.00 increase out of the $32,285.00 increase for the total budget.

State aid increased from $4,442.00 in 1984-85 to a projected total of $39,313.00.

Instructional Salaries & Fixed Costs: This portion of the school budget represents 29.32% of the total budget. The increase of $13,771.00 over last year's budget is due to (1) staff salaries, (2) release time for the principal, (3) health insurance, (4) substitutes (pay will be $40.00 per day instead of $30.00 per day), and (5) budgeting for the staff member that was added last year.

Instructional Supplies & Materials: This portion of the school budget represents only 3.32% of the total budget. This account is less than last year.

Secondary Tuition: This portion of the school budget represents 16.28% of the total budget. This account has decreased by $5,716.00 due to enrollment decline from 25 students to 19 students.

Special Education: This portion of the school budget represents 22.07% of the total budget. The increase of $15,358.00 is due to (1) staff salaries, (2) upgrading the aide position to a full-time teacher, (3) health insurance, (4) tuition to special schools, (5) enrichment and Olympics of the Mind activities.

Student Body Activities: This portion of the school budget represents 1.07% of the total budget. The increase of $1,176.00 is due to (1) coaches' salaries (up by $50.00 each), and (2) officials ($926.00).

Health Services: This portion of the school budget represents .12% of the total budget. The increase of $253.00 is due to (1) school doctor, and (2) health supplies.

School Board & Administration: This portion of the school budget represents 4.24% of the total budget. The increase of $556.00 is due to (1) salaries, (2) health insurance, (3) rent, (4) computer, and (5) telephone.

Principal's Office: This portion of the school budget represents 11.30% of the total school budget. The increase of $3,531.00 is due to (1) salaries, (2) health insurance, and (3) equipment maintenance.

Plant Operation: This portion of the school budget represents 6.94% of the total budget. The increase of $1,000.00 is due to (1) salary, (2) maintenance, (3) supplies, and (4) electricity.

Transportation: This portion of the school budget represents 4.31% of the total budget. The increase of only $151.00 is due to salary primarily.

Contingency: This portion of the school budget represents .98% of the total budget. The request for a contingency fund is being made for the first time. Line item budgeting, plus attempting to budget nearly 18 months in advance, necessitates the request for a contingency to be used to cover emergencies.

Adult Education Report

The Adult Education Council is composed of representatives appointed by the School Boards of each town and is actively involved in developing a meaningful educational program for all members of the community.

The diploma program provides a continuing opportunity for a number of local residents to complete the requirements for their high school diploma. In the Spring of 1984, seven students received Lincoln Academy High School diplomas through this program. This was a significant increase over the previous year due principally to the initiation of the External Credit Option, an at-home study program with five in-class tutorial sessions for the adult student.

The number of continuing education courses offered and the enrollment in them increased in the Fall of 1984 with the computer courses generating the greatest interest.

The Adult Education Council actively cooperated with the University of Maine, Augusta, in providing three community service courses and is in the process of determining the feasibility of offering undergraduate college courses in the area.

The Adult Education Council wishes to thank all the towns in School Union #74 for their past support. With your continued efforts, we plan to maintain and expand our program.

7 permits to install fixtures

Fees remitted to Town	$597.00
Received from Town for inspections and code enforcements	$447.75

Respectfully submitted,
MALCOLM LITTLE, LPI-CEO

Planning Board Report

It was a busy year for the Planning Board; 15 Board meetings were held, and several meetings of 3 or 4 members to work on a specific problem or make a site inspection. The Board meets on the 3rd Monday of each month (weather permitting), at 7:30 p.m. in the Town Office. All meetings are open to the public.

Four permits were granted for new house construction, four permits to remodel or add to an existing house, and two for construction of a garage or shed. Permits were granted to clear the sites for future building and to put in needed driveways. One permit was granted for trenching and drainage control around a cottage.

The complex application for a permit to place seven rental cottages on a narrow strip of Biscay Pond shoreland was a trying one for the Board, and entailed several extra meetings. Board members disagreed on the legality of the application, and the wisdom of approving it. A majority voted in favor; the minority filed a dissenting opinion.

With its indented coastline, islands, ponds, streams and marshes, Bremen's total "shoreland zone" 250 feet back from all bodies of water is extensive. Under State law, the Planning Board administers the Shoreland Zoning Ordinance, acting, in a way, as Trustee of these water-border areas for the good of all. The Board is charged to ensure that any construction activity does not damage or imperil the clean waters and natural beauty of the Town. The 40,000 square foot minimum house lot ordinance passed last year will also help to preserve land values in Bremen.

The Planning Board welcomes inquiries from landowners on any matter concerning the Shoreland Zone. We are ready to explain and assist with any permits that may be needed before construction begins.

Respectfully submitted,
ELSA V. HAUSCHKA, Secretary
Bremen Planning Board

Bremen Volunteer Fire Department Report

The department answered the following calls in 1984: 5 chimney fires, 2 flooded cellars, 2 structure fire, 1 debris fire, 1 smoke investigation, pumped out and relocated 1 lobster boat, 1 false alarm reported by security alarm.

Three men attended a fire-attack school sponsored by Lincoln County Fire Chief Association, and took a course in Rural Water Supply and Tanker Operation with State approved instructors.

The move of the Selectmen to the Fire House was completed by mid-summer necessitating the move of the Dodge 4 x 4 to a private garage. The Department at one point voted to have an article placed in the warrant for Town Meeting to sell it, but it was voted to reconsider at a later meeting because the membership was divided almost down the middle. The members feel that we could use it for woods fire in dry months, and with Bremen having a lot of commercial cutting going on, (with a lot of slash left behind) that it could be put to good use. The vehicle is in good mechanical condition. The main problem is housing it, as it shouldn't be left out to the elements.

One of the towns in our mutual-aid pact gave us a used base set for radio communication. It ties us in with all departments in Lincoln County, Sheriff's Dept., and State Fire Marshal, as well as all of our trucks.

The Maine Forestry Service sold some mobil radios for $150.00 each. These were 40 watt high-band Motorola, 4 channel sets. New cost would be approximately $900.00 each. As the timing was wrong for an article to be put in the warrant, the department voted to buy two, with cost to be taken from maintenance. This will give us communication with the radios in all our trucks. The Patriotic Club donated $250.00 to the department to buy crystals for the radios.

A couple of years ago the department met with the Bremen Long Island Assoc., in regard to fire protection on the Island. Demonstration of equipment was given, and some Island residents bought indian tanks and dry chemical fire extinguishers. The department and Association agreed that if we could find a trailer and tank it could be used with the two tractors on the Island for increased fire protection. A special effort will be made to have this project completed by July. We are still

looking for a small portable pump to be used with this equipment.

New Equipment — we are asking for: A. two full sets of turnout gear (which will give us 8 complete sets); B. 300' of 1 1/2" forestry hose; C. 2 1/2" hose fittings and a quick-dump valve to go on the tanker.

Capital Outlay — finish installing lights in truck bays, wood panelling around bottom of walls to protect sheetrock in truck bays.

Dry Hydrants — we will obtain an easement from Daphne Williams and will install one at the old water hole on her property. Hydrant at Herbert Morang property needs to be redone due to pipes being crushed.

The department requests your YES vote to add another $5,000.00 to the fire truck fund.

During 1985 we will be holding a wood raffle to raise money. Smoke alarms & extinguishers can still be purchased through the department at cost. Contact Horace Ransom or myself. It is important to test your smoke alarm on a regular basis and replace batteries as needed.

Meeting nights have been changed to the first Wednesday of the month. New members are always welcome.

Overdrafts were created in: the capital outlay and new equipment accounts due to prolonged waiting period from the time we asked for quotes on the projects under consideration and the actual completion time.

HOWARD A. KALER
Chief

SAFETY TIPS

A. Locate smoke detectors on each floor level of your home, especially near bedroom doors.

B. Be sure to replace old batteries regularly.

C. Plan monthly fire drills with at least **two exits** per room. Choose a special meeting place outside.

D. Smoke is the major cause of death in a structure fire — not the flames. Practice escape by crawling on the floor as most of the oxygen is there.

E. Most fires occur during nighttime hours so we recommend practicing with the lights out.

Cemetery Committee's Report

The Cemeteries were mowed three times during the year. All perpetual care lots were taken care of when needed. There has been extensive damage by vandals in the Broad Cove Cemetery. About 25 or more stones have been pushed off their foundations.

This damage was reported to the Selectmen and presumably was reported to the Sheriff's Office.

The Town should raise some money to take care of repairing these stones.

Respectfully submitted,
Carl W. Hilton
Ralph Genthner
Rufus Teele, Sr.
CEMETERY COMMITTEE

This picture dated August 1906 shows builder Eugene McLain at far left with Steven Prior and Ed Merry (seated) in the front row. Standing, from left to right are, Leslie Collamore, Crosby Prior, Norman Carter, Orrin McLain, Chester Carter, and Elmer Willey. All but Willey are reported to have participated in boat building. Merry ran the store on Bremen Long Island until he sold it to Melvin Simmons and returned to Boothbay Harbor.

Bremen Library Association

Our library continues to run smoothly and efficiently under the able guidance of librarian Carmen DiGregario. We thank her and her staff of dedicated volunteers for their efforts. We are indebted to the many helpful folks who made our Blueberry Breakfast, Plant and Book Sale, Annual Cribbage Tournament and other activities so much fun, as well as successful.

The Board of Trustees again this year is comprised of Mary Fraher, Ralph Davis, Betty Noyce, Barbara Koubek, Donald Cloudman, Olive Winter, Clarence Wilkinson, Treasurer; Mary Wilkinson, Secretary; Barbara Tappan, Vice President; and Wendy Stelzer, President.

Our Trustees and staff invite you to visit our lovely and well-stocked library. We continue to open our doors to the school on Wednesday and Friday mornings. On Wednesday and Saturday from 1 to 4 p.m., we are open to the public. During the months of July and August, we are open on Monday afternoons as well.

The continuing support of Bremen residents is greatly appreciated.

Respectfully submitted,
WENDY L. STELZER President

This picture taken in 1910 shows the Eugene McLain boatshop on Bremen Long Island. Here, Gene McLain, is reported to have built 15 sloops plus a 48' schooner which may have been the only two-master built on the island. His first sloop and his schooner were both named Martha E. for his wife, a member of the George Washington Carter family. In order to built his schooner, Gene had to add ten feet on the ocean end of his shop. In the picture, the lighter colored boards indicate this addition. Swept overboard from his schooner on Jan. 11, 1911, near Burnt Island, Gene was drowned at age 48. This picture was provided by his daughter, 93-year-old Nettie Winchenbach of West Waldoboro.

LIBRARIAN'S REPORT

Librarian's circulation, attendance and acquisitions report for calendar year 1984.

Adult Book Circulation	3,759
Juvenile Book Circulation	2,825
TOTAL	6,584
Adult Magazine Circulation	375
Juvenile Magazine Circulation	112
TOTAL	487
Adult Attendance	1,648
Juvenile Attendance	2,036
TOTAL	3,684

There were 182 purchased and donated volumes added to the collection of the Bremen Library in the year 1984, which brings our total volume to 9,727.

Respectfully submitted,
CARMEN DiGREGORIO
Librarian

Muscongus Community Club

The Muscongus Community Club was established in 1947 when a small group of ladies decided to accept the offer of Addie Butler to use the former Muscongus Schoolhouse as a clubhouse.

Over the past forty years, this group has added much pleasure and friendliness to the Muscongus end of town.

Meetings are held every two weeks at the clubhouse during the summer and fall. In the winter and early spring we meet at the homes of our members.

During 1984 whist parties were held each Wednesday evening from July through October.

Catered luncheons and bridge parties were a special part of the club's summer activities. A Harvest Supper for the members and their families was enjoyed in November.

During the summer the roof of the clubhouse was shingled and the ceiling repaired.

The idea of "making a dollar grow" became a very successful venture helping to supply the money that the club gave toward the Miles Memorial Development Fund.

Late 1984 and early 1985 finds the members working diligently on two money making projects. One — the new Muscongus Community Club Cookbook to be published in the Spring and secondly the fair that will be held in August 1985.

Respectfully submitted:
Celia Mohr, President

Bremen Patriotic Club

The past year was a busy and productive one for our club. Our meetings, held from March thru December, were well attended. We had an interesting group of speakers, they were Alonzo Gibbs, the Lie-Nielsens, Daryl Lavway, Peter Jones, Spelunker (Cave Exploring) Paul Rivard, Curator of Maine State Museum.

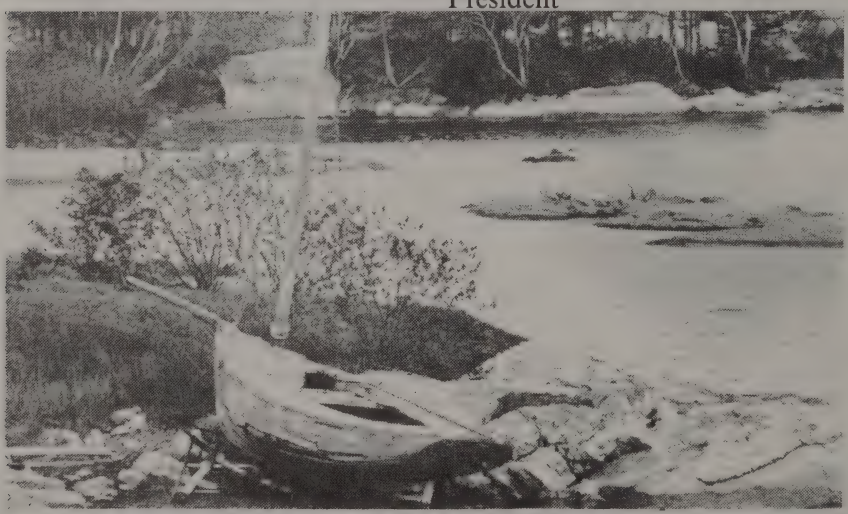

To raise funds we had a Bus Trip to and a tour of, the Portland Art Museum in May, a public supper in June and our Annual Picnic and Auction at Betty Noyce's in July. In the late fall we took part in the Craft Fair at the Damariscotta Recreation Center.

The profits from these activities enabled us to donate to the Bryant Pond Camp, the Lincoln Home, the Bremen Fire Department and our Scholarship Fund.

This year we gave five scholarships to Bremen students going on to further education.

We look forward to another busy year and we welcome and invite new members.

Respectfully submitted,
MARY FRAHER,
President

This 28' sloop, a product of Bremen Long Island builders, was abandoned on the shores of Benedict's Cove for many years after its owner died. The last owner was Lorne Willey, a grandfather to Virge Prior. Willey died at age 91. For many years he lived on this sloop moored on the island.

Central Lincoln County Ambulance Service

Once again another year has passed and I have nothing but praise and admiration for our service and the devoted volunteers. 1984 was another busy year with the transport of at least 650 patients from all six of our service communities. It has also been a busy year for all of us associated with the ambulance service, not only transporting the sick and injured, but keeping up with rigid training guidelines set by the state. Many hours have also been volunteered to help fellow attendants in neighboring towns to be trained and tested and, most important of all, educating the public in basic first aid, CPR and the correct procedure in contacting the ambulance in the event of sudden illness or injury.

Because of the increase in calls in 1984 it was necessary to purchase a third ambulance to cover these increases and it has proven itself invaluable.

1984 also proved to be a boon to our enrollment of attendants. We are at an all time high of 34 conscientious volunteers from high school students to retirees and everywhere in between.

Because of our commitment I am sure that 1985 will present us with new challenges, such as a new level of training to allow us to start I.V.'s in the field or defibrilate a patient's heart that has stopped, and because of this commitment everyone can rest assured that the attendants of The Central Lincoln County Ambulance Service will continue to give the basic caring personal services that has been our trademark for the last 10-12 years.

A Brief History of Ambulance Service

Ambulance service for our community was provided for many years by the Funeral Homes using their "combination" hearses. Cliff Grindal and Myron Cummings responded to all emergency calls in the years 1949 through 1965. As Medicare and more paper work increased, they declined to continue the service and it was taken over by Fred French using the "Grey Ghost" acquired from Myron Cummings. The State of Maine then decreed that after December 31, 1970, no ambulance could serve the public unless duly licensed by the Department of Health and Welfare, and that there should be at least one licensed attendant. The ever increasing requirements, delays in reimbursement, risks of law suits, and increasing calls persuaded Fred French that the time had arrived for someone else to provide this emergency service. Fortunately for us, Sam and Abbie Roberts and Doug Baldwin undertook the project and the non-profit CENTRAL LINCOLN COUNTY AMBULANCE SERVICE, INC., began operations February 1, 1972. The six Directors were representatives from the six contributing towns of Newcastle, Damariscotta, Nobleboro, Bremen, Bristol and South Bristol. There were 234 persons transported the first year, with the Towns contributing $8000 of the $14,800 Budget.

To meet the current community requirements, including the numerous transfers to and from Miles Health Care Center and area nursing homes, the CLC Ambulance Service has expanded to three licensed vehicles with 35 licensed attendants, and has now nearly completed the addition attached to the old Taniscot Engine House belonging to the Town of Newcastle. Permission was voted by the Town in 1982 for a 25 year lease of the Taniscot building and land, subject to certain requirements of the Fire Company, together with permission to expand and renovate the facilities. The cost of the new addition was approximately $58,400 with an additional $7,000 for renovation of the Taniscot building and improvements in landscaping and parking for the attendants. The entire $65,400 was contributed by 845 individuals and businesses throughout the six towns, and was supplemented by about 1000 hours of volunteer help along with contributions of material and equipment.

Newcastle Representative

Town Forest Fire Warden Report

During the past few years we have had increasing problems with weekend and holiday campers leaving fires unattended. The State has set a policy of fires with permits only or with landowners permission — this includes charcoal as well as wood fires.

Permits can be given for the following two State owned islands: Jim's and Crotch Island. With landowners permission in advance you can obtain permits for Bremen Long Island, Cow Island, Hog Island and Hungry Island. Permits for Loud's Island must be obtained from the Maine State Forest Service/Alna 1-882-5253.

Permits will be strickly enforced by the forest service. Giving you advance notice will help you plan ahead for your outing.

Permits are now required 12 months of the year for any outside burning and can be obtained from:

Howard Kaler, Town Warden	529-5685
Ralph E. Genthner, Deputy	529-5462
Scott Giguere, Deputy	529-5494 (post office)
Horace Ransom, Deputy	529-5485 (Island permits only)
Douglas A. Wood,Deputy	529-5443

Permits for picnics may be obtained a few days in advance. Burning permits **must** be obtained the day they are to be used — extended permission can be given by calling the Fire Warden to say you are burning that day.

For all outdoor incinerator burning, permits are required to be renewed on a yearly basis. Permits can be obtained from Town Forest Fire Warden only — call 529-5685.

All permits are enforced by Maine Forest Service. It is to your advantage to have up to date permits when burning of any kind. Lack of permits can result in a court summons/and costs of suppressing any fires that get out of control.

I hope this explanation of burning permit requirements will be helpful. The Fire Dept., has some old indian tanks that we loan out for permit burning. Have a fire safe year.

Respectfully submitted,
HOWARD KALER
Fire Warden

STATE OF MAINE — FORESTRY DEPARTMENT
INCINERATOR APPROVAL

This incinerator is used for disposal of: ☐ Household rubbish

Other (specify)

Description of location

Conditions for approval:

Incinerator is located in the middle of a circle at least ten feet in diameter, cleared to mineral soil. ☐ Yes ☐ No

Incinerator will be maintained with solid sides, except draft holes near bottom not exceeding one inch in diameter. ☐ Yes ☐ No

Incinerator top completely covered at all times when burning with one half inch or smaller wire mesh. ☐ Yes ☐ No

Incinerator will be loaded in a manner to prevent any escape of materials between wire mesh and container top. ☐ Yes ☐ No

I will not burn pressurized cans nor leave fire unattended.

I understand negligence which results in an unauthorized fire from this incinerator renders me liable for fire suppression costs.

This is a true statement to the best of my knowledge and belief.

Approved: Date:
Fire Chief, Town Forest Fire Warden, Forest Ranger

YOU ARE URGED TO BURN AFTER 5 P.M.

Form F-19 *White Retained; Buff to District Ranger; Pink to Owner*

These sloop builders were dressed up for the Lincoln County Fair. From left to right, seated, Norman Carter and Crosby Prior; standing, Alexander McLain, Almond McLain and Ira Simmons.

Time & Tide RC&D Area

It is with a great deal of pleasure that we submit to you a report of the Time & Tide RC&D activities for 1984. It has been 10 years since Time & Tide RC&D went into operations, and a lot has happened for the good of the Mid Coast area in that span of time.

This is a people's program. We are sponsored in part by the counties and directed by local people. The Time & Tide RC&D Area covers 60 towns and cities from Monroe to Brunswick. We serve as a base for people such as yourself to come together to plan and carry out projects and concerns relating to the resources of the area. Time & Tide RC&D serves as a facilitator to help many towns and nonprofit groups deal with challenges to conserve, develop and improve our natural resources.

We are pleased to report that in 1984 the Time & Tide RC&D was selected for the fourth time in the past five years as the outstanding RC&D in New England. This recognition is due in part to the tremendous amount of volunteer service by local people and the dedication of the council members and alternates. Through cooperative efforts many things have been accomplished in the Mid Coast in the past 10 years. We believe no one person, organization or agency can take total credit, but with everyone working together doing a little bit, a lot can be done.

Some of the accomplishments this past year: 10th Anniversary Fall Conference with all eight resource committees having displays and giving reports. This was well attended. The Time & Tide RC&D Council is in the process of a re-evaluation of the past 10 years and looking to the future for the next few years. Twenty-five persons from Brunswick to Belfast are doing the re-evaluation and making suggestions for new ideas and directions.

A number of projects were completed which include Rockland Bog inventory, Belfast City Park drainage and Belfast waterfront, Camden softball and soccer field, Bath recreation areas, Dresden School recreation area, Islesboro shore erosion, Wiscasset Primary School, Cushing recreation area, Bowdoinham recreation and septic disposal facility, North Haven basketball area and St. George roadside erosion, to name just a few of the activities. Many projects are scheduled for 1985.

The ninth supplement to the Program of Action was completed which gives an overview of the past 10 years of activities. It's available at the Time & Tide RC&D office on request.

Time & Tide RC&D only provides assistance as requested by the local people from a town or nonprofit group. Contact your local Soil and Water Conservation District, your county commissioners or our office for more information.

The eight resource committees include Soils & Land Use, Energy, Recreation & Tourism, Forestry, Ocean, Agriculture, Fish & Wildlife and Information. Anyone interested is welcome to attend meetings and become a member of as many committees as he's interested in. If you would like to become a part of the Time & Tide RC&D Program or resource committees, please contact our office, Route #1, Waldoboro, ME 04572 or phone 832-5348.

We also have displays available that can be used in your town to explain more about the Time & Tide RC&D Program. Let us know if you would like one set up.

ARNOLD M. ESANCY
For the Council

Built on Bremen Long Island for the one-time storekeeper, Melvin Simmons, the Friendship sloop, Stanley L. is shown on a tourist cruise in the summer of 1915.

Auditor's Report

February 12, 1985

Board of Selectmen
Town of Bremen
Bremen, Maine 04551

We have examined the combined financial statements of the Town of Bremen as of and for the year ended December 31, 1984, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the combined financial statements referred to above present fairly the financial position of the Town of Bremen at December 31, 1984, and the results of its operations for the year then ended in conformity with generally accepted accounting principles applied on a basis consistent with that of the previous year.

The accompanying supplemental information is not necessary for a fair presentation of the financial statements, but is presented per statutory requirements and as additional analytical data. The information has been subjected to the tests and other auditing procedures applied in the examination of the financial statements mentioned above, and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

WILLIAM H. BREWER

TOWN OF BREMEN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 1984

Note A — Summary of Significant Accounting Policies:
The accounting policies of the Town of Bremen conform to generally accepted accounting principles as applicable to governmental units.

1. Basis of Presentation

The accounts of the town are organized on the basis of funds or account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues and expenditures. The various funds are grouped by type in the financial statements.

Governmental Funds

General Fund — The general fund is the general operating fund of the town. All general tax revenues and other receipts that are not allocated by law or contractual agreement to another fund are accounted for in this fund. The general operating expenditures, the fixed charges, and the capital improvement costs that are not paid through other funds are paid from this fund.

Special Revenue Fund — Special revenue sharing funds are used to account for revenues derived from specific taxes or other earmarked revenue sources, including federal revenue sharing funds.

Trust Funds

Trust Funds are used to account for assets held in trust by the town for others.

2. Basis of Accounting

The modified accrual basis of accounting is followed by the General, Special Revenue and Trust, and Capital Reserve Funds. The modified accrual basis of accounting is defined as the basis of accounting under which expenditures are recorded as incurred, and revenues are recorded when received in cash except for material and/or available revenues which are accrued to properly reflect the taxes levied and the revenues earned.

3. General Fixed Assets

This account group is established to account for land and building costs of a major character. Expenditures for property

and equipment are charged against departmental operations whenever such items are purchased.

Note B — Accounts Receivable:

Accounts receivable consist of the following:

State Revenue Sharing	1,097.73

Note C — General Fund Budget:

The town operates on a net budget as compared with a gross budget. All revenues are not estimated, but are credited to the particular operating account. Certain revenues are dedicated for particular purposes by vote of the townspeople at the annual town meeting or at special town meetings.

At the annual town meeting, held in March of each year, the townspeople vote on various articles on which amounts for appropriations have been recommended by the board of selectmen and/or the budget committee.

Note D — Appropriated Fund Balance:

Historically certain departmental unexpended balances are carried forward to the following year for expenditure. This is usually in lieu of additional appropriations in any particular account.

Education	106,353.36
Highways and Bridges	6,373.13
Protection	50.00
Health and Welfare	303.00
Unclassified	125.00
	113,204.49

Note E — Suspense Account:

The Suspense Account shown on the balance sheet is the difference between the actual 1984 State Revenue Sharing and the estimated amount used to reduce the 1984 tax commitment. This amount must be added to the 1985 estimated State Revenue Sharing and used to reduce the 1985 tax commitment.

Warrant for Town Meeting

To Douglas Wood, the Constable for the Town of Bremen, in the County of Lincoln:
GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the said Town of Bremen, qualified to vote in the Town affairs, to assemble in the Bremen Firehouse in the said Town, on Saturday, the twenty-third day of March, 1985, at ten o'clock a.m., to act on the following Articles, to wit:

ART. 1. To choose a moderator to preside at said meeting.

ART. 2. To elect the following Town Officers by secret ballot: three Selectmen, three Assessors, three Overseers of the Poor, three members of the School Committee, three members of the Planning Board, a Town Clerk, a Town Treasurer and a Collector of Taxes.

Polls will be open from ten o'clock a.m. until two o'clock p.m. at the Bremen Firehouse. The remaining Articles #3 through #50 represent all of the items and funding associated with the Town General Administration account for 1985 and the 1985-86 School Budget which the Town must consider and act on. As required, the Board of Selectmen will provide justification for each of the Town ARTICLES.

All of the School Committee educational functions, responsibilities and monies requested in the proposed 1985-86 School Budget and other educational items will be justified by the School Committee and will be considered and acted on by the Town as Articles 11 through Article 25.

Only RESIDENT REGISTERED LEGAL voters are authorized to participate and vote in all Town elections and Regular or Special Town Meetings as required by State and Federal voting laws. The Town Meeting will commence at two-thirty p.m. at the Bremen Firehouse on twenty-three March, 1985.

ART. 3. To act on the 1984 Annual Town Report of the Town Officers.

ART. 4. To see if the Town will vote to authorize the Selectmen to appoint or act as Road Commissioners.

ART. 5. To see if the Town will vote to authorize the Selectmen to appoint a Budget Committee of nine (9) members, preferably three (3) from each area of Town. Each Selectman will be responsible for appointing three (3) members and they will advise the Selectmen on financial matters as well as move money articles.

ART. 6. To see if the Town will vote to authorize the Selectmen to appoint all other Town Officers not elected by ballot at the Annual Town Meeting.

ART. 7. To see if the Town will vote to instruct the Tax Collector to charge and collect interest of fifteen percent (15%) per annum to be retroactive to September 1, 1985, on all taxes uncollected as of October 15, 1985.

ART. 8. To see if the Town will vote to authorize the Selectmen to sell any property which the Town owns by virtue of Tax Deeds or Liens and to execute and deliver on behalf of the Town by quit-claim deed as may be necessary to transfer rights, title and interest of the Town.

ART. 9. A. To see what sum of money the Town will vote to appropriate for Town Officers from Surplus.

Recommended by Budget Committee

Budget Committee Recommends $1,500.00

Vote: YES 5, NO 0, ABSENT 4

Art. 34. To see what sum of money the Town will vote to raise and appropriate to correct vandalism in the Town cemeteries.

Budget Committee Recommends $300.00

Vote: YES 5, NO 0, ABSENT 4

Art. 35. To see what sum of money the Town will vote to appropriate from surplus for payment to the Town of Damariscotta for Bremen's share of the operating expenses from cooperative use of the Damariscotta dump as a landfill site.

Recommended by Budget Committee: $13,000.00

Vote: YES 5, NO 0, ABSENT 4

Art. 36. To see what sum of money the Town will vote to appropriate from Surplus to hire a State approved auditor to conduct a Town audit for Town fiscal year 1984.

Recommended by Budget Committee: $2,500.00

Vote: YES 5, NO 0, ABSENT 4

Art. 37. To see what sum of money the Town will vote to appropriate from Surplus to hire a non-resident, State approved, Assessor and a mapping company for:

A. The purpose of conducting the annual reassessment of Town properties, recording property transfers and changes in properties boundaries, updating property valuation and recording all revised data on the Town assessment cards and Town property maps.

Recommended by Budget Committee: $1,600.00

Vote: YES 5, NO 0, ABSENT 4

Art. 38. To see what sum of money the Town will vote to appropriate from Federal Revenue Sharing to comply with State General Assistance Law, emergency assistance and support of the poor.

Recommended by Budget Committee: $ 500.00

Recommended by Selectmen: 2,000.00

Vote: YES 5, NO 0, ABSENT 4

Art. 39. To see if the Town will vote to continue and to appropriate from Surplus $5,000.00 for a sinking fund towards the purchase and/or replacement of Town owned equipment. Money shall be put in a high interest bearing account or certificates within 30 days of authorization.

Recommended by Budget Committee: $5,000.00

Vote: YES 5, NO 0, ABSENT 4

Art. 40. To see what sum of money the Town will vote to appropriate from Federal Revenue Sharing to make necessary repairs to Town floats and gangways and to haul and install them at the Town Medomak Landing.

Recommended by Budget Committee: $2,600.00

Vote: YES 5, NO 0, ABSENT 4

Art. 41. To see what sum of money the Town will vote to appropriate from Surplus for operation, maintenance, and preservation of the Bremen Town House.

Recommended by Budget Committee: $400.00

Vote: YES 5, NO 0, ABSENT 4

Art. 42. To see what sum of money the Town will vote to appropriate from Surplus for the support of the Bremen Library.

Recommended by Budget Committee: $1,000.00

Vote: YES 5, NO 0, ABSENT 4

Art. 43. To see what sum of money the Town will vote to appropriate from Surplus for care of the Bremen Long Island Cemeteries.

Recommended by Budget Committee: $100.00

Vote: YES 5, NO 0, ABSENT 4

Art. 44. To see what sum of money the Town will vote to appropriate from Surplus for the Central Lincoln County Ambulance Service.

Recommended by Budget Committee: $720.00

Vote: YES 5, NO 0, ABSENT 4

Art. 45. To see what sum of money the Town will vote to appropriate from Surplus for support of the Waldoboro Ambulance Service.

Recommended by Budget Committee: $720.00

Vote: YES 5, NO 0, ABSENT 4

Art. 46. To see what sum of money the Town will vote to appropriate from Surplus for the Miles Memorial Hospital.

Recommended by Budget Committee: $500.00

Vote: YES 5, NO 0, ABSENT 4

Art. 47. To see what sum of money the Town will vote to appropriate from Surplus for the observance of Memorial Day, the same to be expended by the Charles Lilly Post, American Legion.

Recommended by Budget Committee: $50.00

Vote: YES 5, NO 0, ABSENT 4

Art. 48. To see what sum of money the Town will vote to appropriate from Surplus for support of the Kno-Wal-Lin Community Health Services.

Recommended by Budget Committee: $200.00

Vote: YES 5, NO 0, ABSENT 4

Art. 49. To see what sum the Town will vote to appropriate from surplus for the Central Maine Area Agency on Aging, Inc.

Requested: $218.00

Budget Committee Recommends:

Vote: YES 5, NO 0, ABSENT 4

Art. 50. To see if the Town shall vote to authorize the Board of Selectmen to enter into negotiations with the City of Augusta to deliver the Town's solid waste to a regional solid waste-to-energy facility on such terms and conditions as the Board of Selectmen deem advisable and in the best interests of the Town.

The registrar of Voters gives notice that persons wishing to register may do so at the Bremen Firehouse and place of Annual Town Meeting on Saturday, March 23, and that the Registrar will be available from 10:00 a.m. to 2:00 p.m.

Given under our hands at Bremen, the 25th day of February, 1985.

COVER STORY

The Puffins of the Eastern Egg Rock, located in Muscongus Bay, are the result of years of hard work and caring by Dr. Steve Kress (the present director of the Audubon in Maine Camp on Keene's Neck Road) and his research assistants. Unitl the mid 1800's Puffins were a common sight in the area but due to overhunting they disappeared entirely by the late 1880's.

Puffins are a small seabird that few people ever see first hand. They have a jet black color back and a snowy white breast area. The most outstanding feature is its large colorful beak, designed in wide bands of orange, yellow and gray. Its face resembles a clown dressed in white make up. A quick look at a color photo gives the impression of a young child gone wild with his coloring crayons.

In years to come it is hoped that the fourteen nesting pair at the Eastern Egg Rock will be joined by many more of those returning early fledglings. This will determine how successful the Audubon project has been.

Audubon In Maine Camp

Keene's Neck Road is the home of the Audubon in Maine Camp. This is the 50th anniversary year of its founding by Millicent Todd Bingham. The camp includes the 333 acre Todd Wildlife Sanctuary on Hog Island and facilities on the mainland.

Special courses are offered for the Bremen Elementary School children during the summer weekends as well as scholarships for local teachers. Visitors to the camp can sign up for one and two week courses throughout the summer and early fall to learn about the ecology of the area. Most return year after year, having enjoyed a brief glimpse of the Maine experience.

We wish the Audubon in Maine Camp and all its many friends a most HAPPY ANNIVERSARY.

Acknowledgement: Our thanks to Joe and Mary Johanson for providing the resource materials and information for this years' cover feature. Photos used are courtesy of the Audubon Society and E. L. Boutilier.

Selectmen's Report

1985 proved to be another busy year for this board. General activities have run smoothly. We did experience an increase in calls this year that required almost daily office hours. The phone number of the Selectmen's office is 529-5945. If you cannot reach anyone at that number please call 529-5685.

Bremen is experiencing a growth with several new houses already completed and more under construction. Many older homes are undergoing renovations.

The annual update to tax maps was done in early April by Sackett and Brake of Skowhegan, Maine. This was followed by on site inspections of properties by our paid assessor and the selectmen. A bulk rate mailing went to all taxpayers notifying them of the increases in the property valuation and setting aside September 17th and 18th for interested persons to have individual conferences. Approximately 50 property owners took advantage of this opportunity.

Roadwork done in 1985 consisted of rebuilding on the following roads: 1. Heath Road; from Ed Stelzer's to the end of the town road at the Richard Baldwin residence; 2. Lower Shore Road; .04 of a mile; 3. the Nobleboro Road; one mile from Route 32 to the Bert Simmons residence. The high costs involved to surface roads prevented us from paving the Nobleboro Road section in 1985 and will be top priority in 1986. Some controversy arose over the rebuilding project for Nobleboro Road but the selectmen voted to follow advice from the D.O.T. officials in Rockland and proceeded with the two stage plan. It was agreed that over a period of years the road would stand up to the increased traffic demands and save taxpayer dollars.

Speed limit and children playing signs were put up on town roads. We were able to convince D.O.T. officials of the necessity for the same signs being installed along the Turner Road which is now a state aid road.

The account for winter sand and salt shows an overdraft. This was the result of the increased freezing rain and sleet storms experienced this past winter.

Following orders by the Department of Environmental Protection the Damariscotta solid waste dump was closed December 1, 1985. Throughout the fall the selectmen of the towns of Damariscotta and

Bremen met with selectmen from Nobleboro and Jefferson and reached agreement on the use of their new Transfer Station. A contract was signed between Bremen and Nobleboro/Jefferson on December 1, 1985 and is renewable on a yearly basis. Bremen's cost is 15,600.00 payable in monthly installments of 1,300.00. This represents the overdraft in the Dump account.

The town docks were taken up for the winter months. At this time it was discovered that the large float needs more extensive repairs than had been previously expected. The small float needs to be repaired also. Some thought should be given to the possibility of using the large float with smaller finger floats attached.

We wish to thank Richard and Ava Keene for their donation of past town reports that were missing from our collection. Also Carmen DiGregorio gave us several spare copies from the library that they received during the past year. Hand written copies (one per year) of the town reports for the years 1894, 1895, 1896, 1897 and 1898 were found in an old bookcase, in various stages of preservation.

This year we are again featuring a historical pull out section in the town report. It covers the Civil War years as it affected Bremen's young men in the service. We would like to thank those who have written or called to tell us how well this section has been received.

Our thanks to everyone who has helped to make this a successful year. Selectmen's meetings are held every other Friday evening at 7:30 p.m. in the Selectmen's office at the Fire House. All meetings are open to the public. This is the last year for this board as David Teele is not running for reelection. We have enjoyed serving you.

Respectfully submitted,
SARAH KALER
A. DUDLEY HALL
DAVID TEELE

Selectmen's Financial Summary

1985
by Account and Article

ART. 9A. Town Officers' Salaries		
From Surplus		11,270.00
Expended:

Notice to Taxpayers

Assessing Standards

Minimum assessing standards are now required under L.D. 1994.

a. A maximum assessment ratio by 1978, 70% by 1979 and thereafter.

b. A maximum rating of assessment quality of 30 by 1978, 20 by 1979.

c. Assessors will conduct annual sales ratio studies.

d. Physical inspection of inventory of each real parcel and personal property will take place at least every four years.

Assessors' Notice

In accordance with Title 36, Section 706 M.R.S.A. 1964, the assessors of the Town of Bremen hereby give notice to all persons liable by taxation in said Town, that they will be in session at the TOWN OFFICE BUILDING in said town on Tuesday, April 1, 1986, between the hours of 9 a.m. to 3 p.m. for the purpose of revising the list of estates taxable in said towns.

Resident Owners and Non-Resident Owners

All inhabitants of the town of Bremen, Maine, and all administrators, executors, trustees, etc. of all estates taxable in said Municipality of such persons are hereby notified to MAKE AND BRING IN TO THE ASSESSORS, TRUE AND PERFECT LISTS OF ALL THEIR ESTATES, REAL AND PERSONAL, NOT BY LAW EXEMPT FROM TAXATION, of which they were possessed on the FIRST of APRIL 1986, and be prepared to make oath to the truth of the same and to answer all proper inquiries in writing as to nature, situation and the value of their property liable to be taxed.

When estates of persons deceased have been distributed during the year, or have changed hands from any cause, the executor, administrator, or other persons interested, are hereby warned to give notice of such change, and in default of such notice will be held under law to pay the tax assessed although such estate has been wholly distributed and paid over.

Any resident owner who neglects to comply with this notice is hereby barred of his rights to make application to the Assessors or Lincoln County Commissioners for any abatement of his taxes, unless he offers such list with this application and satisfies them that he was unable to offer it at the time appointed.

While the above statues specifically mentions Resident Owners, it applies to Non-Resident Owners as well, and we respectfully call their attention to the matter and request their cooperation.

A TEAROUT PAGE IS INCLUDED IN THE BOOK FOR YOUR CONVENIENCE IN FILING THIS LIST WITH THE ASSESSORS.

Veterans' Exemptions

The veteran's exemption of World War I is $6,000 and World War II is $4,000 for deduction from the Just Valuation.

Veterans' General Requirements of Exemptions

A veteran, veteran's widow, or the widowed mother of a deceased veteran wishing to make application for exemption from taxation must file the prescribed form with the assessors on or before April 1, 1986. (Such notification once made need not be repeated in subsequent years.)

1. Veteran must be a legal resident of Bremen;
2. Must have reached the age of 62 years; or
3. Is receiving a pension or compensation from the United States Government for total disability, either service or non-service connected, as a veteran;
4. The widow of a qualified veteran must be unremarried.

Blindness Exemption

Persons determined by the State Department of Health and Welfare to be LEGALLY BLIND are also entitled to an exemption on residential real estate (Chapter 261, P.I. 1973, effective in 1974).

An exemption of $4,000.00 may be approved by the Assessors.

Tree Growth Exemption

As described in current state law at current State Tree Growth rates for hardwood, mixed wood and soft wood.

Agriculture Exemption

As described in current State law.

Sarah Kaler
Selectman, Bremen
Box 204
Medomak, Maine 04551

Dear Ms. Kaler:

The MMA Executive Committee is please to inform you that the Town of Bremen has been awarded the highest honor of Supreme Merit in the 1985 MMA Municipal Report Competition in its population category by the Board of Judges.

We congratulate you on this successful endeavor to communicate with your citizens which merited this highest award.

Certificates for recipients of the highest honor will be awarded at the Banquet in conjunction with the MMA Convention at the Holiday Inn-Downtown, Portland, on Thursday, October 17. We hope that a representative from among your municipal officials will be present to receive this certificate of honor.

Again, congratulations and our best wishes for continued success in communicating the important activities of local government in your community.

Sincerely,
Julian Orr
President

ELECTIONS AND TOWN MEETINGS

Annual Town Meeting	March 23, 1985
State Special Election	November 5, 1985

Respectfully Submitted,
FREDERICA S. HILTON
Town Clerk

Joint Report of the Bremen School Committee and the Administration

We would like to report to you some of the activities that have occupied our attention this year as well as making you aware of some issues that we will be facing over the next three years.

First: Legislative Reform

Over the past two years the state legislature has passed a series of laws that will:

1. Increase the recommended minimum salary to $13,500 in 1986.
2. Mandate a new minimum salary of $15,500 for the year 1987.
3. Begin a state wide testing program for all 4th, 8th and 11th graders.
4. Increase high school graduation requirements.
5. Annually require the school committee to submit a school improvement plan.
6. Improve teacher training and certification laws requiring all new teachers to pass a state written examination.

The financial impact upon the town will be considerable. The minimum salary of $13,500 represents a 19% increase over our current minimum salary of $11,300 and the $15,500 represents approximately an additional 15% increase in the 1987 year.

Beyond the salary impact (teachers do need improved salaries), secondary tuition costs will also increase because: (1)secondary teachers' salaries will increase, and (2)meeting new state graduation requirements may require additional costs.

There will be financial help for meeting the new salary increases for the 1986-87 and 1987-88 year pending legislative action and an increase of $120 per pupil in state aid for 1988-89.

Second: State wide testing of all students in grades 4, 8 and 11 will provide parents with additional information abut their child's progress. We encourage you to share your concerns or positive responses with the staff. This information along with the schools testing program should give you a clear progress report.

Third: Curriculum

The Bremen staff continues to work on written instructional objectives covering the areas of science and social studies. This information is available to parents and clearly states what is expected of each student to learn at each grade level.

Fourth: Elsewhere in the town report is a report by the town's study committee on space needs. Some very critical decisions face the citizens of the town in regards to providing adequate space for a proper and safe school environment.

The Bremen school committee wishes to express their appreciation to many parents, organizations and clubs that assist the school in a variety of ways.

We would like you to join us in welcoming John Trainor, our new principal.

The Bremen school committee meets the fourth Monday of the month and welcomes your attendance.

Respectfully submitted:
Richard Corson, Chairman
Janice Olson
Ronald Poland
Howard Kaler
Jeff Robinson

John Trainor, Principal
Millard Harrison, Superintendent

State of Maine.

Head Quarters,

Adjutant General's Office,

Augusta, April 9th 1863

To the Selectmen of Dixmont

Gentlemen

In conformity with section eleven of "An act to provide support for families of Volunteers," approved March 25th, 1863, I have the honor to inform you that the following non-commissioned officers, residents of your town, have been promoted to the rank of commissioned officers, to take effect at the dates set opposite their respective names, viz:

Weston C. Hinds, 31st Regt. March 26. 1863

Respy

John L. Hodsdon

A. G.

Provost Marshal's Office,

Third District, State of Maine,

Augusta, April 6th, 1864.

Gentlemen:

It is desirable to obtain a correct list, showing Company and Regiment of all persons from your Sub-District, who are actually in the Military Service of the United States, on the 15th day of April, 1864, in order that, in preparing for a draft, proper deductions may be made, and their names not be placed in the drafting box.

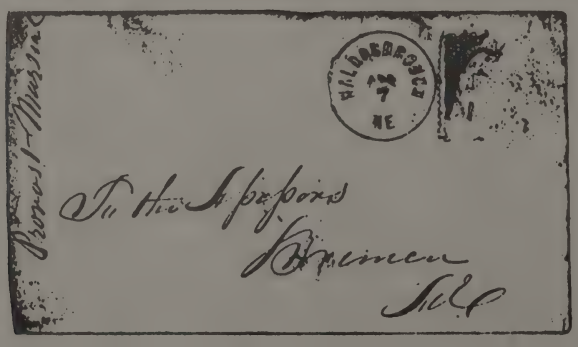

It is necessary to show the Company and Regiment of each man.

A full and complete list of all in service from your town, whether they count on your quota or not, will be of great advantage, securing many of your citizens from draft.

I am, Gentlemen,
Very truly yours,

W. H. Dam.
Captain & Provost Marshal.

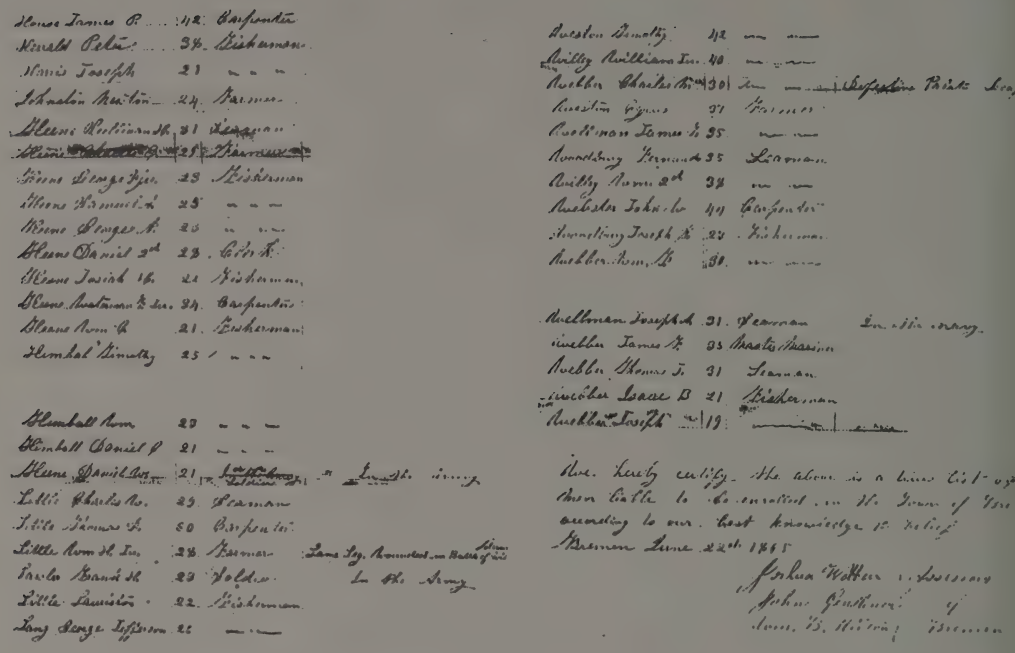

To
Selectmen of Bremen
3d Sub-District
3d District of Maine.

Headquarters, Camp E. D. Keyes,

Augusta, Sept. 2, 1862.

GENTLEMEN:

Quarters are prepared for the troops composing your quota of volunteers or drafted men, at CAMP E. D. KEYES, in Augusta, under my command. If volunteers, they are expected to arrive here on the 10th inst.: if drafted men, by the 16th inst.

The most economical mode of transportion will be adopted by you for bringing your men. Railroad passes will be sent you, if required.

Elections of officers for such volunteer companies as are full, will be held immediately upon their arrival at the rendezvous, and for others as soon as the squads are consolidated.

Volunteer companies must consist of one hundred able-bodied men each.

GEO. W. RICKER,
Col. Commandant.

Assessors' Notice

In accordance with M.R.S.A. Title 36, Sec. 706, the Assessors of the Town of Bremen hereby give notice to all persons liable to any taxation in said municipality, that all property owners of the Town of Bremen, Me., and all administrators, executors, trustees, etc., of all estates taxable in said town of such persons are hereby notified to make and bring or send into the Assessors true and perfect lists of all their estates, real and personal, not by law exempt from taxation, of which they were possessed on the first day of April, 1986, and be prepared to make oath to the truth of the same and answer all proper inquiries in writing as to the nature, situation and value of their property liable to be taxed. Said lists may be mailed if the property owner finds it inconvenient to appear before the board, postmarked not later than April 1, 1986.

When estates of persons deceased have been distributed during the past year, or have changed hands from any cause, the executor, administrator or other persons interested, are hereby warned to give notice of such change, and in default of such notice will be held under the law to pay the tax assessed although such estate has been wholly distributed and paid over.

Any person who neglects to comply with this notice is thereby barred of his right to make application to the Assessors or the County Commissioners for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed.

Assessors of Town of Bremen,
Maine

Notice

Assessors will be in session Tuesday,
April 1, 1986 from 9:00 a.m. to 3 p.m.

LIST OF ESTATES NOT EXEMPT FROM TAXATION

Filed Pursuant to Title 36, M.R.S.A., Section 706

To the Assessors of the Town of Bremen:

1. I am a Legal Resident of
 or Non-Resident (Town) (State)
 (Cross out one)

2. Structures or land **not** owned by you:

List property owned by you on April 1, which is located on leased land or land **not** owned by you, including dwelling houses, house trailers, camps, stores, storehouses or any other structures. Identify landowner and location in each case.

Location (St. and Number, or Map and Lot number)	Owner of Land	Type of Structure
a.		
b.		
c.		
d.		

(If additional space is required, use and attach blank sheet.)

3. Real Estate:

List briefly each separate parcel subject to taxation on April 1 of the year for which this list is filed, and located in the town in which this return is filed:

Location (St. & Number or Map and Lot number)	Area of Land (Lot dimensions in ft.; or acres)	Buildings or Structures (Dwelling, barn, shed, store, garage, pier, dock, etc.)
a.		
b.		

c.

d.

(If additional space is required, use and attach blank sheet.)

4. Have any of the buildings listed been newly constructed, altered, destroyed or removed since the previous April 1:

Yes ☐ No ☐

If so, identify building and give brief description of construction or alteration and Map and Lot number of property.

.....

5. Do you now receive a real estate tax exemption?

Yes ☐ No ☐

6. If Yes, what types?

Tree Growth ☐ Blindness ☐ Veterans ☐ Open Space ☐

7. Are you applying for an Exemption?

Yes ☐ No ☐

8. If Yes, what type?

Tree Growth ☐ Blindness ☐ Veterans ☐ Open Space ☐

9. Is your land subject to any enforceable restrictions which limit the use to which it may be put, or which requires an approved permit?

Yes ☐ No ☐

If "Yes", please indicate the nature of the restriction:
(Check the appropriate block or blocks.)

Shoreland Zoning ordinance ☐
Subdivision restrictions ☐
Recorded contractual provisions ☐
Right of Way ☐

(Other - Please describe below.) ☐

(Over)

Title 7 M.R.S.A. Sec. 3451

Each owner or keeper of a dog six months or over . . . shall, on or before January first annually, or at such time as such dog becomes six months old, cause such dog to be licensed in the municipal clerk's office in the town where such dog is kept.

10. Do you own any dogs? Yes ☐ No ☐

Number ☐ Male ☐ Female ☐ Spayed ☐

The foregoing is submitted in compliance with Title 36, M.R.S.A., Section 706, and is true and correct to the best of my belief as of April 1 of the current year.

I understand that the assessors (or any of them) may require me to make oath of the foregoing; and that any of them may require me to answer in writing all proper inquiries as to the nature, situation and value of any property liable to be taxed in the State of Maine and that a refusal or neglect to answer such further inquiries and subscribe the same will bar an appeal to the County Commissioners.

Provost Marshal's Office,

Third District, State of Maine,

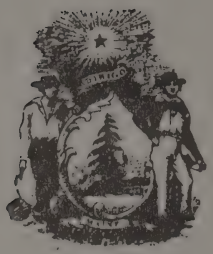

Augusta, Oct 20th 1864.

To Chairman
Board of Selectmen
of Bremen,

Sir:

I am directed by the Provost Marshal to inform you that the official returns from the office of the Act. Asst. Ad. Gen. of the State show that your quota is full. You will please make this information public and notify your drafted men that they will at present be required to appear at this office as set forth in their notification of draft. Also that a proper certificate of discharge will be sent to them in due time unless men now credited to your town should be transferred and leave a deficiency in your quota.

I am, very respectfully,
Your obedient servant,
C. A. Williams
Commissioner.

State of Maine.

Head Quarters,

Adjutant General's Office,

Augusta, February 20, 1865.

GENERAL ORDER NO. 1.

The tidings which have flashed over the wires, announcing the onward and triumphant march of Sherman's glorious army, throbs every loyal heart. The necessity of the hour is for reinforcements; I appeal to the people of Maine, for a brief time to lay aside all other business, for the accomplishment of this object.

The rebellion is reeling under the staggering blows of our armies, and the hope long deferred of a coming peace, now dawns brightly upon us. All that is required to secure speedy and final success, is that these armies be filled and the arms of our gallant commanders be upheld by the efforts of the people at home.

I appeal to the patriotism of the citizens of Maine, to re-kindle the fiery energies of 1861, and as they then rushed to the rescue of the nation when Sumter had been seized, now that Sumter has returned to its allegiance and Moultrie is restored to its rightful master, and the city of which these are the guardian fortresses bows beneath the Star-Spangled Banner, that they shall again rally around that proud emblem, and utterly extinguish rebellion against its authority, and assert its right to float supreme in every part of the United States.

But a brief term of service can possibly be required; now is the exigent moment, the golden opportunity, and let every man do his duty to his country. Who is there that will not be proud hereafter, to say that he served in the Army of the Union in its final campaign?

By Order of His Excellency the Governor.

JOHN L. HODSDON, Adjutant General.

BREMEN
PROPOSED 1986-87
SCHOOL BUDGET EXPLANATION

The proposed 1986-87 school budget is in the amount of $363,777 as compared to last year's request of $295,189 or an increase of $68,588. This is an increase of 23%.

The proposed budget is a very difficult budget but one that the school committee had five meetings to reduce the budget as much as possible. In the increase of $68,588, three accounts make up a total of $67,909 or 99% of the increase. Those three accounts are Instruction (16,449), Secondary Tuition (27,583), and Special Education (23,877).

Instructional Salaries and Fixed Costs: This portion of the school budget represents 28.32% of the total budget. The increase of $16,449 is due to:

1. Teachers salaries and legislative mandate to improve salaries	$16,057
2. Health Insurance	765

Instructional Supplies & Materials: This portion of the school budget represents just 2.66% of the total budget. This account has been reduced by $1,111.

Secondary Tuition: This portion of the school budget represents 28.32% of the total budget. The increase of $27,583 is due to:

1. Increase in the tuition rate from $2,353 to $2,650 at Lincoln Academy.
2. Increase in the tuition rate from $2,378 to $2,615 at SAD #40.
3. Increase in the number of students from 20 to 27.

Special Education: This portion of the school budget represents 24.48% of the total budget. The increase of $23,877 is due to:

1. Teacher salaries and legislative mandate to improve salaries	$1,800
2. Share of special education teacher at Lincoln Academy	1,700
3. Increase in Health Insurance	238
4. Tuition cost to public & private schools	14,258
5. Counseling services	500

6. Assessment of Speech Therapist which previously was under Administration 2,828
7. Summer program 385
8. Transportation costs 1,850

Student Body Activities: This portion of the school budget represents 1.01% of the total school budget. The increase of $496 is due to salaries, gym rental and equipment.

Health Services: This portion of the school budget represents just .62% of the total school budget. The increase of $1,878 is due to:

1. Assessment of health services that were previously under Administration $1,436
2. Share of Substance Abuse counselor 480

School Board & Administration: This portion of the school budget represents 2.60% of the total school budget. This account has been reduced from $3,044.

Principal's Office: This portion of the school budget represents 10.01% of the total school budget. The increase of $3,042 is due to:

1. Salary $1,504
2. Clerical Salary 328
3. Insurance 764

Operation of Building & Grounds: This portion of the school budget represents 5.68% of the total school budget. The increase of $178 is due to salary and insurance.

Transportation: This portion of the school budget represents 2.99% of the total school budget. This account has been reduced by $1,860.

Contingency: This portion of the school budget represents .82% of the total budget. There is an increase of $100.00.

Adult Education Annual Report

The Adult Education Program continues to add to the opportunities available for adults to complete their high school education requirements. In addition to these opportunities, enrichment classes are offered and in the Fall, 1985 we worked with the University of Maine in Augusta to offer undergraduate college courses.

The home study diploma program sees steady growth as more adults become aware of its availability. Regular diploma classes are also continuing. We have been able to work with Lincoln Academy in this area with some Lincoln Academy students becoming involved in Adult Education classes.

A new program which started this fall is the GED preparation program. This offers an exam which measures an adult's abilities against those of graduating high school students. When the exam is passed, a certificate is earned which is equivalent to a high school diploma. A preparatory class is available for those needing individual help in weak areas.

Union #74 Adult Education participated in a state program review this past year. State representatives came to Damariscotta and with the help of area residents reviewed the way the program is run. I am happy to report that they were pleased with much that they saw. They also made recommendations which, when implemented, should strengthen our program.

The Adult Education Advisory Council has been invaluable during this growth process and throughout the transitions which have occurred in the past year. They continue to work hard to aid the Director in the very important task of continuing education for adults. We are always looking for people interested in helping to serve the educational needs of the adults in our communities. Please come forward and volunteer if you are one of these people.

Respectfully,
SHEILA PRATT
Director

Health Officers Report

No communicable diseases were reported last year.
Two faulty septic systems were reported. They were both corrected.

Respectively Submitted,
BESSIE COLLAMORE
Health Officer

Parents arriving with a beakful of fish for their young chicks.

Report of Code Enforcement Officer and Plumbing Inspector

21 Permits Issued for Septic Systems or parts thereof
9 Permits Issued to install plumbing fixtures.

Fees Remitted to Town of Bremen:	$1,085.00
Received for inspection and code enforcement:	918.75

The State has made some changes in code enforcement that everyone should be aware of. A State Certified Code Enforcement Officer may now prosecute any Land Use violation in District Court without an attorney and the fines have been changed to a minimum of $100 to a maximum of $2,500 for the first offence. He may also be authorized by the municipal officers to settle these cases out of court by means of Consent Agreements, assessing fines and ordering certain restorations, removals or corrections as may be indicated.

Before a person builds, adds on to, or changes the use of a structure, moves in a mobile or modular home, cuts wood or timber in a Shoreland Zoning AREA or alters the Shoreline in any manner, the Code Enforcement Officer should be contacted to determine what permits are required and what regulations must be followed.

Respectfully submitted,
MALCOLM LITTLE
State Certified C.E.O. and L.P.I.

Planning Board Report

The Planning Board meets on the third Monday of each month, at 7:30 p.m. in the Selectmen's Office. All meetings are open to the public. The Board welcomes inquiries from landowners on any matter concerning the Shoreland Zone, Subdivisions, and the Minimum Lot Size Ordinance. We are ready to explain and assist with any permits that may be needed before land development begins.

The Board held 12 regular meetings and one special meeting in 1985. Most applications were for activities within the Shoreland Zone. Five permits were granted for new home construction, four for additions or renovations of existing buildings, and seven were granted for construction of outbuildings, piers, or access roads and landscaping. One application was denied and referred to the Board of Appeals for a ruling on a variance request. In addition, a three lot subdivision was approved.

In response to the well-known water contamination problem in nearby Friendship, and at the request of Town citizens and officers, the Board took on the task of locating all of the known underground gas and oil storage tanks in Bremen. We also provided the effected property owners with new State regulations covering these tanks. A report of our findings has been presented to the Selectmen.

The most significant problem to confront the Planning Board this year has been determining the proper administration of the Town's Minimum Lot Size Ordinance. The concept of grandfathered lots, who has the authority to administer and/or enforce the Ordinance, and how this is to be done are not stated in its original form. The proposed amendments, which are included as an Article in the Town Warrant for voter approval, are necessary to provide a clear framework for administering and enforcing the Minimum Lot Size Ordinance throughout Bremen.

The BASIS for the Ordinance is that Bremen is a rural, coastal community experiencing continually increasing population pressure with attendant building construction and land use changes. The shallow soils and ledge outcropings common along the Maine coast occur in Bremen also. They pose potential problems to proposed development and the performance of subsurface sewage disposal systems, and therefore put additional stress on our groundwater resources. The Town has had a 40,000 sq. ft. minimum lot size requirement for houses in the Shoreland Zone since 1974 and established a 40,000 sq. ft. minimum lot size for houses throughout Town in 1984.

Town of Bremen
Long Range Planning Committee
1985 Report

The Town Long Range Planning Committee was authorized at the annual town meeting of 1985. It has met twelve times since April with excellent attendance at all meetings. Many subjects were presented for discussion and investigation. This report summarizes the areas reviewed, indicates the present status of each, and concludes with recomendations for action.

The meetings covered such subjects as the location of town owned land and parcels that might be acquired; building needs of the school; town offices and the fire department; problems with the town house; sand/salt pile errosion losses; cemetery plots; town landings; waste disposal; future of the church; and status of water supply. Assistance was received from the local Resource and Development office for land use possibilities and future planning procedures. The State planning office sent their latest data on population and housing predictions for Bremen and Lincoln county. A map was developed to indicate the location of town property and some possible land acquisitions that could be desirable for the future.

The committee feels that the most important problem at present is to resolve the school building situation and the unsafe conditions outlined in the State fire marshall's report. Once this situation is resolved, the other subjects can be completed by the various existing committees and boards as directed by the selectmen. An occasional coordinating meeting might be conviened to help keep all programs on target. A more detailed report has been submitted to the selectmen.

Albert Ghoreyeb
Chairman

Bremen Volunteer Fire Department

I am pleased to present the following report of the fire department for 1985. Calls answered were 10, and are as follows:

1 Mutual Aid to Nobleboro/structure fire
1 burning of slash pile/unattended
1 lobster boat pumped out and refloated
2 chimney fires
1 kitchen grease fire
1 pickup truck roll over
1 smoke investigation/false alarm
2 woods fires

Two men attended the Fire Attack School sponsored by the Lincoln County Fire Chiefs Association and attended a State instructed course on vehicle fires.

A trailer refurbished for the Bremen Long Island Association will be ready for use by the summer season following the installation of a pump. We have 400 feet of used forestry hose that we hope to store on the trailer plus several used galvanized Indian tanks and nozzles as soon as we can replace them with new equipment.

A dry hydrant was installed on the Herbert Morand property. We were unable to dig a ditch to the road due to cave ins. Mr. Morang gave his written permission to build a short driveway next to the pond providing us access to the hydrant. This is a deep waterhole, spring fed, giving us a water supply year round. Following the granting of an easement we hope to install a similiar facility at the Daphne Williams property on Rte. 32. This would provide a chance to pump a water supply directly to the church, Town House and other surrounding buildings.

The Lincoln County Mutual Aid Association, of which Bremen is a participating member, held various drills throughout the county. A disaster drill was held at the Bremen Grade School with a simulated fire and young students acting as victims. Four mutual aid towns participated in the drill. A pumping relay pumping directly from the water hole to the school was set up. A search and rescue operation was conducted. Students were placed throughout the building and non toxic

smoke was generated with a smoke machine. Firemen wearing air packs and masks, covered to resemble real fire conditions, searched the entire building. It soon became apparent to all the firemen involved that we needed to concentrate on improved safety features to the building, including fire exits from the basement area. At present the basement windows are too small to allow anyone to get in or out. They are too high from the floor and are covered with heavy wire on the outside. This problem should be addressed at this year's town meeting.

We are still keeping the 4 x 4 truck outside, covered with a canvas.

The $2,000.00 New Equipment request will go towards purchasing 400 feet of forestry hose, 240 feet rubber lined hose for structure fires, 2 complete sets of turnout gear (giving us 10 sets to meet the OSHA requirements) and other miscellaneous forestry hose fittings.

We are asking the Town to consider a request for $10,000.00 to go into the existing fire truck fund and these funds, together with the interest to be used to replace the present tanker. The tanker is a 1953 vintage truck which we acquired from military surplus. The automatic transmission is leaking badly and the brakes need to be redone. Due to the cost and unavailability of parts we feel it is not feasible to repair the tanker any longer. We recommend that the department try to purchase a tandem rear axle chassis from the State of Maine's surplus equipment sale or from a garage, that will meet our needs. We would like to find another used oil tank to go with this chassis. It will probably take up to a year to find the necessary equipment and have it in service. A new heavy duty chassis would cost approximately $35,000.00 to $40,000.00, and a new pump and fittings, and the cost will be close to $90,000.00. We feel that the number of fires we have would not warrant this large an expenditure. With careful planning and purchasing of a used chassis, etc., we could come up with a good piece of fire fighting equipment at a lot lower cost to the town.

When the town obtained its new rating the tanker was considered in this. If the tanker goes out of service, and is not replaced, we could lose our 10 to 14% deduction on the premiums. Due to all the new construction and growth of the town, it would be unwise not to update our equipment.

We thank you for practicing fire safety in your homes. Be sure to check your smoke alarms on a regular basis. Conduct test drills with your family and have a planned meeting place in case of a fire. We

will take orders at town meeting from anyone who wants to purchase a fire extinguisher or smoke alarms. These are sold at cost by the department. Wishing you a fire safe year from the members of the Bremen Fire Dept.

Respectfully submitted,
HOWARD A. KALER
Chief

A 1936 photo showing the original *Osprey* with a full crew of campers on a day trip.

Cemetery Committee's Report

The town cemeteries were mowed three times during the year and the perpetual care lots were taken care of when necessary.

The committee purchased a weed whacker this year which was a great improvement over the hand clippers.

We should have another mower as one of the old mowers is beyond repair.

We contacted two monument firms to repair some of the stones in the Broad Cove Cemetery but were unable to get any work done in 1985. This $1,000.00 appropriation should be held over to 1986.

Respectfully submitted,
CARL W. HILTON
RALPH GENTHNER, JR.
RUFUS TEELE, JR.

Bremen Library Association

We are very grateful again this year for the efforts of our Librarian Carmen DeGregorio, and her very dedicated and helpful staff.

We raised a large portion of our operating funds by holding Cribbage and Bridge Parties, our Annual Plant, Used Book, and Bake Sale, and the Blueberry Breakfast and Bake Sale. During our regular hours, there is always a large quantity of used books for sale.

The Board of Trustees this year is comprised of Mary Fraher, Ralph Daivs, Betty Noyce, Barbara Koubek, Donald Cloudman, Jeanette Wheeler, Clarence Wilkinson, treasurer; Mary Wilkinson, secretary; Barbara Tappan, vice-president; and Wendy Stelzer, president.

We invite everyone to visit our beautiful library, and gratefully accept any suggestions for its improvement. We have changed our hours in an effort to make it easier for more patrons to visit. The new hours are Wednesday, 10 a.m. — 4 p.m. and Saturdays 10 a.m. — 3 p.m. During the months of July and August, we are open on Monday afternoons as well. In order to make the library services available to more students, we open our doors on Friday mornings expressly for the school.

We appreciate and thank you all for your continued support.

Respectfully,
WENDY L. STELZER
President

CARMEN DI GREGORIO
Librarian

Muscongus Community Club

The Muscongus Community Club had another busy successful year under the leadership of a new group of officers.

The club house itself is in quite good repair, requiring only the installation of two new storm doors and the purchase of a new refrigerator in 1985.

Whist parties were held, with the public invited, from May thru October and will continue for those months again, every Wednesday evening throughout 1986 for those that are interested.

Birthdays for the month are celebrated for the members with cards and a cake.

A delicious potluck harvest supper was held for the members in October.

The Benefit Supper for the family of Kenneth Crockett was most successful.

The Club donated seven plastic sleds to the Bremen Grade School in January. Christmas baskets were sent for the residents of Berry's Nursing Home and two Christmas dinner baskets were delivered in Bremen.

The Club is sorry for the delay in the printing of the Muscongus Community Club Cookbook. Perhaps it will be ready for Christmas in 1986.

Money making events for 1985 included the Four Seasons Fair in August, a Mini Rummage Sale in September and a table at the Recreation Center in November.

This winter the members are busy with meetings held each week for quilt making. In the meantime they all look forward to the arrival of Spring.

Respectfully submitted,
JUNE W. BURNS
President

Central Lincoln County Ambulance Service

1985 was another eventful year for the Ambulance Service.

In addition to our recertification to strict State guidelines, five of our members have passed up to a new level of training and are now at the Intermediate level. This new level of training will permit these attendants to start IV's in the field, and where necessary, defibrilate a patient whose heart has stopped. Schedules have been set up to make the most of this advanced training.

While this training has involved a large amount of time, we have been able to continue our work of giving C.P.R. courses — helping neighboring towns with their training — working with local schools and Boy Scout Supervisors.

The attendant roster remains about the same lvel and the volunteer work of these dedicated people deserves a lot of praise. The training this year has brought all our attendants but two to the EMT level.

Our building committee has almost completed the renovation of the old building and when funds are available will complete the upstairs of the building. They have worked hard to make our building an asset to the Town of Newcastle.

1986 should bring us new challenges and rewards. Plans are being made to have another class attend the IV and Defibrilation Course so that in the near future all emergency runs will have an Intermediate tech aboard. At the present time, we have one Defibrillator which has to be moved to the appropriate ambulance so we plan to raise funds for a second one in the near future.

We wish to thank the Miles Memorial Hospital and the doctors and nurses for their assistance in our training. We would also like to thank the Town Directors for their cooperation to help us reach our goals and the six towns we serve for their assistance and support.

Respectfully submitted,
JOSEPH WILCOCK,
President

Time & Tide Resource Conservation and Development Report

It is with a great deal of pleasure that we submit to you our report of the Time & Tide RC&D Area activities for 1985.

This is a people's program. We cover 60 towns in the Mid Coast and are sponsored in part by the county commissions and directed by local people, called a council, which meets the first Wednesday of every month at our office in Waldoboro.

We have volunteer committees covering soils and land use, forestry, ocean, energy, recreation and tourism, agriculture, fish & wildlife, and information. The committees make suggestions for program direction. Anyone interested is welcome to serve on one or more committees of his choice.

We are pleased to report that the Time & Tide RC&D Area was selected as the outstanding RC&D in New England for 1985. This is an honor we have received the past 5 of 6 years.

In September we hosted the New England RC&D Association's annual meeting. This was the largest meeting ever held by the association.

The council did a re-evaluation of the program after 10 years of operation. Many people throughout the Mid Coast served on the Evaluation Committee. Some good suggestions were made.

Through cooperative efforts many things were accomplished this past year. We believe no one person, organization or agency can take total credit, but with everyone working together, doing a little bit, a lot was accomplished. Some of the items include Alna salt and sand storage building, Liberty Town Forest report, Waldoboro public landings, Harpswell School recreation area, Bath Dike's Landing Road erosion control, Camden Snow Bowl, wetland evaluation in Rockland, Richmond soccer field and tennis courts, Rockland Bog evaluation and transfer of easements, whole tree chipping evaluation report, super insulation workshop and activities at the State Prison Farm, where efforts are being made to grow a considerable amount of the inmate's food on the prison farm. In 1977 only one acre of crops were grown. In 1985, forty-five acres were grown, saving the taxpayers of the state a considerable amount of money, as the inmates do most of the work.

Time & Tide RC&D is working on a number of projects, such as a booklet on indoor air pollution in super-insulated homes, viable

agriculture, energy in agriculture, waste management, Androscoggin River erosion and water quality, to name a few.

Time & Tide RC&D only provides assistance as requested by local elected officials or nonprofit groups. If you're interested and want to know more about the RC&D program, contact our office, Route 1, Waldoboro, ME 04572 or phone 832-5348.

Sincerely,
JOHN TAYLOR
For the Council

Auditor's Report

February 28, 1986

Board of Selectmen
Town of Bremen
Bremen, Maine 04551

We have examined the combined financial statements of the Town of Bremen as of and for the year ended December 31, 1985, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the combined financial statements referred to above present fairly the financial position of the Town of Bremen at December 31, 1985, and the results of its operations for the year then ended in conformity with generally accepted accounting principles applied on a basis consistent with that of the previous year.

The accompanying supplemental information is not necessary for a fair presentation of the financial statments, but is presented per statutory requirements and as additional analytical data. The information has been subjected to the tests and other auditing procedures applied in the examination of the financial statements mentioned above and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

WILLIAM H. BREWER

TOWN OF BREMEN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 1985

Note A — Summary of Significant Accounting Policies:
The accounting policies of the Town of Bremen conform to generally accepted accounting principles as applicable to governmental units.

1. Basis of Presentaion

The accounts of the town are organized on the basis of funds or account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues, and expenditures. The various funds are grouped by type in the financial statements.

Governmental Funds

General Fund- the general fund is the general operating fund of the town. All general tax revenues and other receipts that are not allocated by law or contractual agreement to another fund are accounted for in this fund. The general operating expenditures, the fixed charges, and the capital improvement costs that are not paid through other funds are paid from this fund.

Special Revenue Fund- Special revenue sharing funds are used to account for revenues derived from specific taxes or other earmarked revenue sources, including federal revenue sharing funds.

Trust Funds

Trust Funds are used to account for assets held in trust by the town for others.

2. Basis of Accounting

The modified accrual basis of accounting is followed by the General, Special Revenue and Trust, and Capital Reserve Funds. The modified accrual basis of accounting is defined as the basis of accounting under which expenditures are recorded as incurred, and revenues are recorded when received in cash except for material and/or available revenues which are accrued to properly reflect the taxes levied and the revenues earned.

3. General Fixed Assets

This account group is established to account for land and building costs of a major character. Expenditures for property and equipment are charged against departmental operations whenever such items are purchased.

Note B — Accounts Receivable:

Accounts receivable consist of the following:

State Revenue Sharing	$1,421.57

Note C — General Fund Budget:

The town operates on a net budget as compared with a gross budget. All revenues are not estimated, but are credited to the particular operating account. Certain revenues are dedicated for particular purposes by vote of the townspeople at the annual town meeting or at special town meetings.

At the annual town meeting, held in March of each year, the townspeople vote on various articles on which amounts for appropriations have been recommended by the board of selectmen and/or budget committee.

Note D — Appropriated Fund Balance:

Historically certain departmental unexpended balances are carried forward to the following year for expenditure. This is usually in lieu of additional appropriations in any particular account.

Education	95,176.77
Highways and Bridges	11,683.39
Protection	50.00
Health and Welfare	1.01
Unclassified	356.83
	107,268.00

Note E — Suspense Account:

The Suspense Account shown on the balance sheet is the difference between the actual 1985 State Revenue Sharing and the estimated amount used to reduce the 1985 tax commitment.
to the 1986 estimated State Revenue Sharing and used to reduce the 1986 tax commitment.

Warrant for Town Meeting

To Douglas Wood, the Constable for the Town of Bremen, in the County of Lincoln: GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the said Town of Bremen, qualified to vote in the Town affairs, to assemble in the Fire House in the said Town, on Saturday, the twenty-second day of March 1986 at ten o'clock a.m., to act on the following Articles, to wit:

ART. 1. To choose a moderator to preside at said meeting.

ART. 2. To elect the following Town Officers by secret ballot: three Selectmen, three Assessors, three Overseers of the Poor, two members of the School Committee, four members of the Planning Board, a Town Clerk, a Town Treasurer and a Collector of Taxes.

Polls will be open from ten o'clock a.m. until two o'clock p.m. at the Bremen Fire House. The remaining Articles #3 through 51 represent all of the items and funding associated with the Town General Administration account for 1986 and the 1986-87 School Budget which the Town must consider and act on. As required, the Board of Selectmen will provide justification for each of the Town ARTICLES.

All of the School Committee educational functions, responsibilities and other educational items will be justified by the School Committee and will be considered and acted on by the Town as Articles 11 through Article 27.

Only RESIDENT REGISTERED LEGAL voters are authorized to participate and vote in all Town elections and Regular or Special Town Meetings as required by State and Federal voting laws. The Town Meeting will commence at two-thirty p.m. at the Bremen Fire House on twenty-two March, 1986.

ART. 3. To act on the 1985 Annual Town Report of the Town Officers.

ART. 4. To see if the Town will vote to authorize the Selectmen to appoint or act as Road Commissioners.

ART. 5. To see if the Town will vote to authorize the Selectmen to appoint a Budget Committee of nine (9) members, preferably three (3) from each area of Town. Each Selectman will be responsible for appointing three (3) members and they will advise the Selectmen on financial matters as well as move money articles.

ART. 6. To see if the Town will vote to authorize the Selectmen to appoint all other Town Officers not elected by ballot at the Annual Town Meeting.

ART. 7. To see if the Town will vote to instruct the Tax Collector to charge and collect interest of 13½% per annum to be retroactive to September 1, 1986 on all taxes uncollected as of October 15, 1986.

ART. 8. To see if the Town will vote to authroize the Selectmen to sell any property which the Town owns by virtue of Tax Deeds or Liens and to execute and deliver on behalf of the Town by quit-claim deed as may be necessary to transfer rights, title and interest of the Town.

ART. 9. A. To see what sum of money the Town will vote to appropriate for Town Officers from Federal Revenue Sharing:

Recommended by Budget Committee:	
First Selectman, Assessor and Overseer of Poor	2,500
Second Selectman, Assessor and Overseer of Poor	1,500

Submitted by John Jicha

Selectmen recommend 50.00

ART. 51. Shall an ordinance entitled "Town of Bremen Minimum Lot Size Ordinance" be enacted? (A copy of the Ordinance with the necessary amendments to make it more clearly administered and enforceable is shown on pages of the Town Report.)

The Registrar of Voters gives Notice that persons wishing to register may do so at the Bremen Fire House and place of Annual Town Meeting on Saturday March 22, and that the Registrar will be available from 10:00 a.m. to 2:00 p.m.

Given under our hands at Bremen, the 21st day of February, 1986.

SARAH KALER
A. DUDLEY HALL
DAVID TEELE
Selectmen of Bremen

A true copy
Attest:
DOUGLAS WOOD
Constable

Minimum Lot Size Ordinance

Enacted: March 24, 1984
Amended: March 22, 1986 I. MINIMUM LOT SIZE

All dwelling (house) lots created on or after March 24, 1984 shall have a minimum area of 40,000 square feet. If more than on dwelling is to be located on a single parcel, the minimum lot size requirement shall be met for each dwelling.

II. NON-CONFORMING LOTS

A. A single, non-conforming lot of record existing prior to March 24, 1984 and not adjoined by other land of the same ownership may be used for a single family dwelling or other single principal use.

B. Two or more contiguous, undeveloped, non-conforming lots of record in a single ownership on or before March 22, 1986 shall be considered to be a single parcel for the purposes of this ordinance. This requirement shall not prohibit the re-drawing of lot lines to create conforming lots.

C. No division of any parcel of land with an existing structure or dwelling shall be made which creates any lot size less than the requirements of this ordinance.

III. ADMINISTRATION

A. The Planning Board shall administer this Ordinance.

B. Any use of a lot or parcel of land involving the construction of a new dwelling, the re-location of an existing dwelling from another lot, or the placement of a mobile or modular home shall require a written building permit issued by the Planning Board. All applications for a building permit shall be submitted to the Planning Board on forms provided by the Board. Applications for uses involving waste disposal systems shall be accompanied by a copy of a valid plumbing permit.

C. The Planning Board shall approve or deny all requests for building permits within 30 days of the receipt of a complete application. The Board shall notify the applicant and the Board of Selectmen of its decision in writing within 10 days.

IV. APPEALS

The Bremen Board of Appeals is vested with the authority to hear and decide appeals from decisions of the Planning Board. An appeal to the Board of Appeals shall be made within 60 days of the Planning Board decision.

V. ENFORCEMENT

A. The Planning Board shall act in all cases of violations of this Ordinance by notifying, in writing, the person who created the lot, the owner and the lessee of the lot, and the Board of Selectmen of the nature of the violation and the correction of same if possible.

B. The Board of Selectmen is responsible for the prosecution of all violations of the provisions of this Ordinance. The Selectmen shall make such complaints to the courts as, in their judgement, are proper, or the Selectmen may institute such actions or proceedings at law or in equity as are proper to restrain, correct, remove, or punish such violations in accordance with State Land Use Law (ref. 30 MRSA, Section 4966). Each day on which a violation is proved to exist shall constitute a separate offense.

VI. CONFLICTING ORDINANCES

Compliance with the provisions of this Ordinance shall not prohibit compliance with all other applicable State and local laws, regulations, and Ordinances. Where a conflict exists between this Ordinance and other applicable ordinances, laws, or regulations, the more stringent provision shall apply.

VII. EFFECTIVE DATE/AUTHORITY

The effective date of these amendments is March 22, 1986. This Ordinance is adopted pursuant to the "home rule" provisions of 30 MRSA, Section 1917.

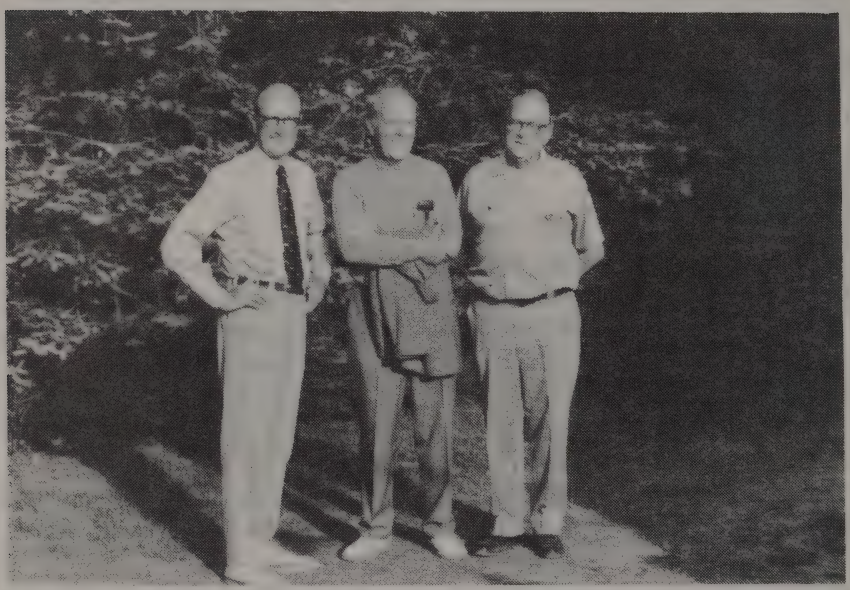

DEFINITIONS

Dwelling: A single structure, containing one or more dwelling units.

Dwelling Unit: A room or group of rooms designed or equipped exclusively for use as living quarters, either seasonally or year-round, for only one family, including provisions for living, sleeping, cooking, and eating. The term shall include mobile homes but not travel trailers or recreational vehicles.

Lot of Record: A parcel of land, a legal description of which or the dimensions of which are recorded on a document or map on file with the Lincoln County Registry of Deeds or in common use by the Town or County Officials.

Non-Conforming Lot: A lot of record which, at the effective date of adoption or amendment of this ordinance, does not meet the area requirements of this ordinance.

Former directors include: l. to r. Duryea Morton (1971-77), B. Bartram Cadbury (1958-68) and Carl W. Buckheister (1936-1957).
